Isaac,2022-10-18 Quite often theology and spirituality are separated pursued without reference to the other a classic example of the disjunction between head and heart But in Luther we find a profound theologian exhibiting a profound spirituality one that still speaks to us today Luther sets out three rules for doing proper theology oratio meditatio tentatio or prayer meditation and spiritual trial These three rules derived from David the psalmist provide a way for readers to investigate more thoroughly what Luther says about the important practice of theology or life in the Spirit But they also serve as a simple way for Christians to live a fuller spiritual life The intention of this book is to help readers enter into the world of Luther the Augustinian monk and Reformer who prays meditates and suffers spiritual trial within the community of faith that extends over the centuries Ever the teacher and pastor himself Gordon Isaac invites readers into the reality of living a theology of the cross which helps make sense of our present struggles in this world and shows us how we can live in the love of God as revealed through Jesus Christ The British National Bibliography Arthur James Wells,2002 **The Cumulative Book Index** ,1998 A world list of books in the English language The First Prayer-book as Issued by the Authority of the Parliament of the Second Year of King Edward VI.
