**Manifesting the Primal Imagination** Joshua D. Settles, 2024-09-26 Manifesting the Primal Imagination explores a little known but important aspect of Black American Christianity the primal spirituality of the Black Pentecostal and spiritual church Set against the backdrop of a Christianity believed by many to be synonymous with White Western culture Manifesting the Primal Imagination demonstrates how this image of Christianity came to be and how it is false through a historical and scriptural examination of Christianity itself At a time in which the nature of Christian faith is hotly contested with many rejecting Christianity on the basis of its historical association with White supremacist claims Settles advocates for a rereading of the history of Black American faith in a way that recognizes the importance of the primal imagination to Christianity itself      *Mary* Penelope Duckworth, 2004-01-25 Although Mary is a preeminent figure in Christianity and one of the most celebrated women in history to many Christians she seems distant and unapproachable a porcelain perfection of abstract motherhood that is irrelevant to their everyday existence Still interest in Mary is high as evidenced by retreats pilgrimages liturgical formulations and church discussions on her Many Christians are hearing new wisdom in her Magnificat and are searching for ways to integrate her into their lives of faith Although we inevitably look at Mary from a twenty first century perspective in this book Duckworth shows that our appreciation will be deeply enriched if we remember the sources that have influenced our tradition and try to comprehend the grand sweep of Marian devotion As descendants of that tradition we can look to Mary not only as the mother of our Lord but as the mother of a growing changing church that is finding its way to a contemporary appreciation of her many dimensions Duckworth addresses six of those dimensions Mary as prophet matriarch theologian disciple intercessor and paradigm in this compelling work that combines theology history devotion and meditation on biblical texts      **The Prayers and Meditations of St. Anselm with the Proslogion**

Anselm, 2006-06-29 Mostly written between 1070 and 1080 before he became Archbishop of Canterbury the prayers and meditations of Anselm of Aosta created a tradition of intimate intensely personal devotional works written in subtle and theologically daring prose While the Prayer to God is based on the Lord's Prayer the Prayer to Christ is inspired by ardent private emotion and other prayers invest saints with individual attributes with John the Baptist as the friend Peter as the shepherd and Mary Magdalene as the forgiving lover among many others The meditations include a searching exploration of the state of the soul and a lament on the loss of purity and the Proslogion discusses the mysteries of faith With their bright imagery beautiful language and highly original thought the works of Anselm have secured a lasting place in both religious and secular literature      When a Person Is Suffering, God Is with You Every Step of the Way!
