**Conversations with God** Sheryl Mims Williams, 2013-12-03 God is ever present and is constantly speaking to us We do not recognize his voice because we are often dealing with the voices in our head We are so busy talking to Him in the form of prayer and asking for things that we forget to listen for the answer How often do we listen to see if God is answering our prayers or do we talk and talk not really expecting an answer Many times we miss the answer because we are expecting God to answer in a certain way or mean I believe that God speaks to us in many different ways and means Yes God speaks to us in many ways and we know that he speaks to us through his Word For we know that God's Word gives life He spoke to Moses through a burning bush he spoke to the prophets through visions and to others through angels He even opened the mouth of a donkey to speak with the prophet Balaam It could be an answer through a total stranger in the grocery store line or through a child However he chooses to answer we do have access to his Word whenever and where ever we want it I believe that God is constantly speaking to us but our heads minds and hearts are filled with so many distractions that it is almost impossible to hear or even acknowledge him in the busyness of life God wants us to know that he hears and answers our prayers He loves us and he is speaking the words we long to hear and need to hear He is touching those who seek him with a quiet power of strength and love He even knows the prayers of the heart prayers that we pray without uttering a word All we need to do is wait and listen for the answer God wants to show us a place of freedom a place of his peace He wants us to trust him with our lives and trust that he values us cherish us and wants us to walk in truth God wants us to feel his presence and experience his power As we read his Word we are in his presence and can feel his power I am writing this as a reminder that he does care and he is with us always Throughout the years I have written down the things God has spoken to me in our conversations Do you think God wants us to simply be a church goer Do you think he wants us to busy ourselves with church work Or does he want to have a personal relationship with us the kind of relationship that requires time and conversation He does not require us to give a lot of time just quality time time where he will have our undivided attention I found that as I quietly sit and listen to him God comforts encourages directs and guides me This book is a compilation of scriptures and simply being at the feet of God allowing him to speak to the heart It is a matter of losing self to the Spirit It is my hope and prayer that this little book might inspire encourage and lift up someone who might feel as though God has forgotten It is my desire to make God's Word more effective in your everyday lives I pray that others will read this book and feel God's

presence and know that he is there for them as he has been for me To get the most from this book read it slowly and intently Search for those special words that speak to your heart and spirit as well as your needs These words will help you grow in your spiritual walk as you feel the presence of God our Father I pray that God will bless every life it touches and the words will leave these pages and find a home in your heart

Unsearchable Things: Communicate Better with God Todd Gaddis, 2015-03-01 Are you trapped in an atmosphere of frustration perhaps even tribulation You're ready to spread your wings and fly yet you remain grounded When one of the Major Prophets in the Old Testament found himself in such a predicament the LORD challenged him Call to me and I will answer you and tell you great and unsearchable things you do not know Jeremiah 33:3 Focus on the word unsearchable which means beyond the grasp of human knowledge In this verse it describes that which is so far beyond human insight that it requires divine revelation Does that not excite you and trigger a desire to communicate more diligently with God Like me don't you grow weary of the opinions of people how they feel about a matter and the direction they recommend We need to know where God is leading and what He thinks Certainly the Bible is our best available road map guide book and instruction manual for life Yet I believe He has fresh specific colossal blessings stored up and ready to pour out on those ready and willing to receive Dig into these pages and start communicating better with your heavenly Father It's not just about speaking to God but listening to Him as well Learn from the praying of Jesus as well as other key characters in Scripture Unsearchable things await those willing to demonstrate the faith effort and humility it takes to earnestly seek God specific colossal blessings stored up and ready to pour out on those ready and willing to receive
