Epp, authority today Moving Mountains John Eldredge, 2016-02-16 New York Times best selling author of Wild at Heart John Eldredge offers readers a step by step guide to effective Christian prayer How would it feel to enter into prayer with confidence and assurance certain that God heard you and that your prayers would make a difference It would likely feel amazing and unfamiliar That's because often our prayers seem to be met with silence or don't appear to change anything Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings especially when we don't know if we re doing something wrong or if some prayers just don t work New York Times bestselling author John Eldredge confronts these issues directly in Moving Mountains by offering a hopeful approach to prayer that is effective relational and rarely experienced by most Christians In a world filled with danger adventure and wonder we have at our disposal prayers that can transform the events and issues that matter most to us and to God Moving Mountains shows you how to experience the power of daily prayer learn the major types of prayers including those of intervention consecration warfare and healing and to discover the intimacy of the cry of the heart prayer listening prayer and praying Scripture Things can be different and you personally have a role to play with God in bringing about that change through prayer It may sound too good to be true but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you Moving Mountains is also available in Spanish Mueve monta as To dive deeper into the Moving Mountains message the Moving Mountains study guide and video study are available now Praying in Your Divine Authority Kenneth Scott, 2016-01-15 As born again believers God has given us divine authority and power through prayer to decree and declare His Word But many of God s

people are ignorant to the power and authority they have available to them As a result many Christians live defeated lives when they could be walking in victory In Hosea 4 6 God said my people are destroyed because of a lack of knowledge It s because of this lack of knowledge and understanding of our authority in Christ that Satan is able to deceive and defeat many Christians It's like a soldier of war having a powerful destructive weapon that he doesn't know how to use Although the soldier has the potential of destroying his enemy with this weapon and winning the battle because he doesn t know how to use it his enemy can prevail against him instead The purpose of this book is to serve as a type of training manual to instruct the believer in understanding their authority and how to properly access and use it in spiritual warfare against Satan Jesus victoriously triumphed over demonic principalities and powers and He has given us the power and authority to do the same As you read this book and begin to apply these principals to your life your life will never be the same again Get ready to flow and operate on another level of power and authority in Christ like you ve never known before as you learn how to Pray in your Divine Authority **Praying with Authority and Power** Barbara L.
