**Praying with Passionate Women** Bridget Mary Meehan, 1995      **The Catholic Periodical and Literature Index**, 1995      *Finding the Treasure Within* Marie-Louise Ternier-Gommers, 2003 This intensely Personal hope filled story reveals one woman's faith and love for God's Word and her struggle to discover her place within the community of God's people She speaks honestly of her family life the different ministries she has been involved in and shares some homiletic reflections An inspiring biography      **American Book Publishing Record**, 1995      *The Cumulative Book Index*, 1996 A world list of books in the English language      Louis Massignon Dorothy C. Buck, 2017-06-01 The root of the word Badaliya in Arabic means to replace or exchange one thing for another The French scholar and spiritual seeker Louis Massignon 1883 1962 interpreted the word as a willingness to put oneself in the place of another to give one's own life for the sake of someone else This offering of himself for the well being of his Muslim brothers and sisters was the inspiration for Massignon's entire life In 1947 the renowned orientalist who had regained his Christian faith and identity while on a research expedition in Baghdad in present day Iraq established an international prayer association that he named the Badaliya and for which he remained the organizer until his death in 1962 The fifteen annual letters and ninety one monthly convocations of the Badaliya are as much invitations to prayer and a consecration of individual lives as they are a witness to the incarnational spirit active and alive in our contemporary world today These letters read like a diary that follows the events and conflicts of the time but also due to the genius of Massignon's mystical reading of history these precious documents reveal fifteen years of a singular spiritual adventure Framed by an introduction presenting the context and genesis of the prayer movement and completed with a description of the Badaliya today this book permits the reader to grasp the fruitfulness of the spirit of the Badaliya No other text has yet permitted us to so deeply penetrate the heart of the spirituality and the struggles of Louis Massignon who remains even today a master for our time      **Whitaker's Cumulative Book List**, 1962      *The Thirst of God* Wendy Farley, 2015-09-04 There is a rich tradition of wonderful women and other contemplatives who are great resources for thinking differently about Christianity They emphasized divine love human compassion and the radical possibilities of contemplative practices They were not afraid to criticize the church and indeed thought of their challenge as crucial to their faith We do not have to lose faith with the beautiful wisdom of this story of intimate and compassionate love dwelling among us and within us if we do not want to from the acknowledgments and note to readers To those seeking a more open progressive approach to Christian faith the Christian past can sometimes seem like a desert an empty space devoid of encouragement or example Yet in the latter years of the Middle Ages a quiet flowering of a more accessible positive approach to Christian belief took place among a group of female mystics those who emphasized an immediate nonhierarchical experience of the divine In this enlightening volume Wendy Farley eloquently brings the work of three female mystics Marguerite Porete Mechthild of Magdeburg and Julian of Norwich into creative conversation with contemporary Christian

life and thought From alternatives to the standard violent understandings of the atonement to new forms of contemplation and prayer these figures offer us relevant insights through a theology centered on God's love and compassion Farley demonstrates how these women can help to refresh and expand our awareness of the depth of divine love that encompasses all creation and dwells in the cavern of every human heart *A Little Daily Wisdom: Christian Women Mystics* Carmen Acevedo Butcher, 2008-03-01 Remember kind actions more than anything else cause the soul to shine with brilliance Gertrude the Great Discover the strength wisdom and joyful faith of Christianity's legendary women the medieval mystics Their honesty and deep love for God will encourage and empower you every day of the year This book of daily readings will help you create quiet space for focusing on God's love in the midst of a busy life As you spend time with these great women you will discover an astonishing view of a God who is tender nurturing forgiving and as close as breath In these pages the images of the spiritual life are the erotic ones of the feminine experience They are the stuff of very physically present women who loved their Lord with a ferocity and passion that could be reported only in those experiences of the flesh Phyllis Tickle
