and return to that prayer at the end of each day especially to the prayers that are most pertinent to your life The reader might wish to use this book as a daily reflection book reading one lesson each day Doing so will allow you to ponder one lesson from her saintly life at a time so as to absorb the sweetness of her love and the depth of her life However you might find it just as beneficial to read several lessons at a time This book is not intended to be a onetime read Rather the lessons we learn from Saint Th r se s life are worth absorbing many times over The reflection and prayer after each lesson make this book a helpful source of daily self examination and prayer throughout life You who are parents might also find the lessons of St Th r se of benefit in the formation of your children Telling Little Th r se s stories will inspire and challenge your children as they grow and mature in their own lives of faith

Walking the Little Way of Therese of Lisieux Brother Joseph Schmidt,2012-09-01 From her early years Th r se of Lisieux desired to be a saint so the primary focus of her life was to walk the path of love what she called the science of love But she often asked herself if her love was pure and authentic With sensitivity and insight author Joseph Schmidt shows us how Th r se discovered certain qualities of the heart that told her that she was indeed walking the path of authentic love These qualities inner freedom

creativity compassion willingness self surrender or abandonment and gratefulness opened her heart to a new depth of God's life in and through her Eventually they played a very practical role in Thérèse's ordinary day to day life relationships and they can in our own as well As he did in his earlier book on Thérèse Everything Is Grace Joseph Schmidt breaks new ground in his latest book and offers tremendous food for thought and reflection on the spirituality of this great saint *Saint Thérèse of Lisieux* ,2014 *Praying the Spiritual Journey of St. Thérèse of Lisieux* M.
