Praying With Vincent De Paul:

Praying with Vincent de Paul Thomas F. McKenna, 2011-12-01 This book is the first to describe in detail a community of potters working for the Jagannatha Temple in Puri and to explore how the role of temple servant affects the potters understanding of their work and of themselves As a pilgrimage centre of national importance supported by the patronage of successive regional dynasties and by fervent popular belief the Jagannatha Temple requires earthenware in great quantities for the creation and distribution of the sacred food that is an integral feature of daily ritual and pilgrimage Three hundred potters participate as temple servants in maintaining the temple s ritual cycle by performing their divinely assigned task This study conducted in 1979 1981 observes the potters technical prowess sustained by devotion but also examines the tensions within their relationships to more powerful temple servants and authorities The role of the potter as temple servant is at once glorious as demonstrated by texts and personal interpretations of the potters divinely appointed service and pathetic as shown in the brutality of caste based hierarchy and cash based exchange penetrating the modern temple s daily operations

Vincent De Paul: His Perceived Christological Thought Pattern on Charity and Christ in the Poor Michael I. Edem CM, 2019-02-14 The entire work is divided into three parts Each part has its accompanying chapters with corresponding introductions and conclusions It is the incarnation that necessitated the self emptying and self abasement of Christ It is the same mystery that underlies his passion and crucifixion and eventual resurrection The mystery of incarnation capped with experiential events forms the tap root of this global vision of Christ in the poor It is central to his theology of the poor Christ in the poor and the poor in Christ The incarnation and experiential events furnish the inclination and orientation Vincent s thought pattern possesses Such penetration and globalization process concerning the word incarnate are in line with the Church s permanent need of theological reflection The special inclination acts as a veneer that links other aspects It forms a continuum permeating and illumining the mystical link of the Vincentian Christ in the poor and the poor in Christ *Prayer*
