*How to Pray for Your Country and Forty Prayer Points for America* Bishop O. Innocent, 2018-02-06 WHY THIS BOOK Everything under the sun has a method Even madness has a method Take driving for instance If you start driving without first learning how to drive one of two things can happen 1 Either you hit someone or 2 Someone will hit you Same thing prayer It is not enough to pray You must be sure you are praying aright Ask soldiers and sharp shooters no one takes a gun and starts pulling the trigger without knowing what to do

before pulling the trigger or even knowing which one is the trigger among the many parts of the gun A hunter will tell you that there is a lot to learn before you start hunting Such as how to locate the prey how to take aim and how to brace yourself for the impact of the shot Prayer is a spiritual gun We have not only to know the trigger but how to handle the entire weapon how to recognize the target and take aim without alerting the prey to its danger We need to know for sure that every bullet we dispense finds the target Unfortunately experience history and scriptures show that it is not always the case when we pray that our bullets hit the mark The Bible in James 4 3 admonishes us that we pray but receive not simply because we pray amiss American Standard Version Ye ask and receive not because ye ask amiss that ye may spend it in your pleasures The important thing to note above is that it is possible to pray amiss no matter the reason This also implies that we have to learn the proper way to pray so as not to pray amiss It is also reassuring to note that the apostles humbled themselves and asked to be taught how to pray Luke 11 1 13 New International Version NIV Jesus Teaching on Prayer 11 One day Jesus was praying in a certain place When he finished one of his disciples said to him Lord teach us to pray just as John taught his disciples 2 He said to them When you pray say Father a hallowed be your name your kingdom come b 3 Give us each day our daily bread 4 Forgive us our sins for we also forgive everyone who sins against us c And lead us not into temptation d This book not only teaches us how to pray for our country it tells us why and gives us forty prayer points amongst other things

Praying For An Answer Garth Andrews, 2019-08-27 Jesus encourages persistent prayer Luke 11 18 James advocates fervent prayer James 5 Paul of course both models and instructs ceaseless relentless prayer Ephesians 6 18 1 Thesalonian 5 17 Prayer is important both for life on earth as well as afterwards Revelation 5 8 and had their prayers answered Some of the conditions identified by scripture as significant for answered prayer involve our approach to God our attitude during the prayer the integrity of our relationships our response to scripture and of course how we behave subsequently Although belief is foundational and fundamental in prayer all too often it is either ignored or discarded resulting in our prayer not even leaving the starting block let alone being answered For some people it is preferable to allow the answer to be a casualty of their failure to forgive rather than savoring the sweet success of God's loving response This further reduces rather than increases the likelihood of their prayer either being heard or answered It takes so much more than a pretty pious posture to achieve even a modicum of success of an answer to our prayer The book encourages patience to wait for the answer rather than prematurely declaring a prayer unanswered All too often when we are praying we fail to realize that the conditions may have changed the prayer may have already been answered or a change in tactics might be called for by the Holy Spirit mainly because we fail to listen whether before during or after the prayer And finally when you have done all to stand and all the diagnostics should prove absolutely useless it is important that we recognize that God is attentively listening to the cries of and faithfully rewarding those who diligently seek him So simply pray
