Frazer,2011-03-30 The first title for this book was called My Prayer to My Love It has always been a book from me to God and from Him back to me It was 1999 I was away at Bible College in Sydney Australia and God started giving me beautiful prayers and asking me to write them down and re read them over to myself after I was done When I would re read the prayers I found I was weeping every time He was expressing to me through my own writing how much He loved me So much It was then that He started leading me to put the prayers together in a book and to share the prayers with others I gave them to only a handful of people and watched as God started blessing their own prayer walks through these prayers I realized that the prayers He was giving me were not sole for my benefit growth and encouragement but were meant for far more than just me I feel honored that I am now able 10 years later to share these prayers with you I pray they minister to you during different seasons of your walk and relationship with Him And that they help you to grow closer and more intimate with Him as you seek Him and His presence for every facet of your life He really does love youso much      **Daily Prayer 2026** Mary

Prayer Matters Marilyn Wragg,2017-12-20 Have you ever wondered how prayer works Have you ever wished you were better at praying Have you ever been at a loss for words to pray This is not a book that attempts to answer all your questions on prayer On the contrary the author acknowledges upfront that prayer is a mystery for which there is no magic formula There are Biblical principles that teach much about prayer and God s spiritual spokespersons have offered insight But God is God and prayer is in the realm of His unfathomable ways and workings Rather this is a book that invites you to come alongside the author and delve into the practice of prayer It contains reflections on varied prayer matters that are based on exploring principles about prayer and trying various ways to pray It is the fruit of the author s entreating God to teach her to pray Since much of this entreating occurred while walking with her son through his cancer battle and now as she grieves his passing the author s insights are presented as one questioning pilgrim desiring to help another The book s premise is that we do not have to understand prayer to pray We learn to pray by praying The more we pray the more natural praying therefore becomes Hence suggestions and tools are offered to facilitate praying Whether you are relatively experienced with prayer brand new or somewhere in between you are invited to ponder these prayer matters and to implement those suggestions for doing prayer that appeal to you Because ultimately while we may not know the intricate workings of prayer this side of Heaven one thing we do know is Prayer Matters
