Praying With Christ Sophia Services For Healing And Renewal:

Praying with Christ-Sophia Jann Aldredge-Clanton, 2007-05-01 Jann Aldredge Clanton offers a powerful and creative collection of prayer services to bring healing and renewal to both individuals and faith communities. The services focus on Christ Sophia, a symbol drawn from Judeo-Christian scripture and tradition that embraces new possibilities for wholeness and shared responsibility. This symbol is built upon the foundation of the inclusive christology the author developed in her book *In Search of Christ Sophia* and is intended to overcome dualisms and make equal connections between male and female. These rituals and prayer services use the themes of justice, relationship, peace, and healing among others to address the concerns that contemporary Christian women and men encounter in their lives. The inclusive language and images seek to convert the Christian imagination to view God and others in a balanced holistic perspective, one that benefits all peoples alike. Over thirty-five original texts set to standard hymn tunes are featured. These graceful and enlivening songs offer participants an opportunity to express their spirituality and human needs through egalitarian words and sacred symbols sung to familiar melodies. Liturgists, members of inclusive worship communities, Women Church participants, and anyone concerned with an inclusive liberating theology will find the services within this book of tremendous value. **T&T Clark Handbook of**

Christian Prayer, 2021-12-16 The essays collected in this volume provide a resource for thinking theologically about the practice of Christian prayer. In the first of four parts, the volume begins by reaching back to the biblical foundations of prayer. Then each of the chapters in the second part investigates a classical Christian doctrine, including God, creation, Christology, pneumatology, providence, and eschatology, from the perspective of prayer. The chapters in the third part explore the writings of some of the great theorizers of prayer in the history of the Christian tradition. The final part gathers a set of creative and critical conversations on prayer responding to a variety of contemporary issues. Overall, the T & T Clark Handbook of Christian Prayer articulates a theologically expansive account of prayer, one that is deeply biblical, energetically doctrinal, historically rooted, and relevant to a whole host of critical questions and concerns facing the world today. **Inclusive Hymns For**

Liberating Christians Jann Aldredge-Clanton, 2023-02-06 *Inclusive Hymns for Liberating Christians* will expand the spiritual experience of any group, large or small. These hymns inspire justice and peacemaking. They empower women, men, and children of all races to become all they are created to be in the divine image. These hymns will lift the heart, invigorate the mind, and enliven the spirit. The wide variety of biblical, divine names and images in this hymnbook will contribute to belief in the sacredness of all people and all creation. Peace and justice flow from this belief. These hymns draw from the prophetic, liberating tradition in Scripture. Predominant themes of the hymns are peace, justice, resurrection, abundant life, liberation, new creation, and partnership in relationships. This collection includes hymns that celebrate the seasons of the church year and other special occasions. *She Lives!* Rev.
