David C. Egner

Praying With Confidence:

Praying with Confidence Paul Murray OP, 2010-08-26 An entirely fresh approach to the Our Father Jesus's own prayer through the eyes of one of the greatest saints Thomas Aquinas. Never before have the most important reflections by Aquinas on the Lord's Prayer been drawn together and considered in a single book. Here Aquinas comes alive not merely as a profound speculative theologian but also as an impressive master and guide of the spiritual and moral life. And he also comes across on occasion as a teacher capable of saying the unexpected openly confessing for example it is hardly possible to say a single Our Father without our minds wandering off to other things. The style of Aquinas is for the most part plain and expository but evident on every page is the serene unmistakable mark of wisdom Aquinas's own and that of the great tradition. Those readers who in the past have found the study of Aquinas especially daunting will be grateful to the Dominican Paul Murray for the freshness and clarity he brings to his task. *Praying with Confidence* Aquinas on the Lord's Prayer is both a stimulating scholarly study and an ideal introduction for the general reader.

Praying With Confidence From Our Father to Amen Dave A. Blake, 2024-09-18 This book is a liberating conversation about prayer. It addresses a few things: 1. Pray as a simple powerful and accessible gift. 2. It removes the noise, clears the cobwebs and demystifies the conversation. 3. How it can be wheeled as a weapon or expressed as humble worship. 4. encourages confident access. 5. remove the scare of measuring up. While it is about confident praying it also breaks down various scriptures on Christian living and controversial practices in the Christian community. Thus it educates, informs and encourages.

No person can find happiness in an environment beyond his or her control. But you can get up, get out, and take control with God. Get what you want and desire from the world like millions of others around the globe using prayer. You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality. By using prayer daily, you will unlock that natural potential that God placed inside of you. Prayer starts by creating a cycle of continuous prayers. You must believe and repeat these declarations and prayers each day. If the thoughts and ideas that we affirm are not true in reality, a dynamic tension is created between your perceived reality and your psyche. This presence of dynamic tension causes imbalance between your psyche and perceived reality. Your consciousness will work to get back in tune with the God's vision of the universe to resolve the tension. There are two simple ways to ease this tension. You must work with God's creation in order to make your declarations become true, or you must stop the prayer. As you choose to continue praying, your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth. Sooner than later, you will find yourself taking positive and decisive action that you never imagined possible, as your perceptions naturally align with your true reality. If you want to see positive change now, you'll find the quickest path to fulfillment with prayer through God's love. There is no time to spend on loss, negativity, and defeat when you can be achieving tangible, historically proven results with minimum time and effort invested.
