## **Preacher Of The People:**

**The Preacher and the People** Francis John McConnell, 1922      **The Preacher's Charge and People's Duty** John Brinsley, C. Matthew McMahon, 2016-10-05 In this work Brinsley not only focuses on the preacher but also on the hearer From 2 Tim 4 2 Preach the word be instant in season and out of season he shows that if God has ordained the office of the preacher to herald his message to people in season and out of season then in fact there must also be people to do the hearing This work then not only applies to the preacher's charge but the people's duty to hear earnestly and diligently what the preacher has said He shows that the minister's charge is a duty to preach the Gospel of Christ which is in turn preaching Christ to preach the Word The preacher is the herald of God whose office is discharged by speaking this Word to all people in all cases in the name of Christ boldly faithfully and plainly In discharging their duty preachers are to be instant in season and out of season or earnest and diligent in its performance at all times By way of contrast but compliment the hearer of the word should always strive to hear also diligently and earnestly They ought never to be offended at hearing the word preached in its simplicity and they must excite themselves to this duty entertaining the word of God with gladness Not only are they to hear it but they are to wholeheartedly receive it in order to practice it faithfully This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions      [The Preacher's Portrait](#) John Stott, 2016-09-30 In this updated version of The Preacher's Portrait John Stott presents a portrait of the ideal preacher a portrait painted by the hand of God himself on the broad canvas of the New Testament Through studying five roles of a preacher steward herald witness father and servant Stott illustrates God's ideal for a preacher's character message and purpose      *The Preacher and His Work* Henry Graham, 1906      **The Preacher and the People** Francis John MacConnell, 1923      [The Preacher and the People \(Classic Reprint\)](#) Francis John McConnell, 2017-10-12 Excerpt from The Preacher and the People This little volume is the substance of three lectures delivered at De Pauw University Greencastle Indiana in April 1921 on the Matthew Simpson Foundation for lectures on preaching a lectureship made possible by the generosity of the daughters of Bishop Simpson The book deals only with the minister as preacher In these days a Successful church requires much more than preaching It demands the trained services of educational directors of church visitors of highly specialized staffs of institutional workers In all of these I thoroughly believe but I do not deal with them here These lectures are concerned almost solely with the work of the church as that work is carried forward by preaching About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that
