Preaching and Popular Christianity James Daniel Cook, 2018-11-23 The vast homiletic corpus of John Chrysostom has received renewed attention in recent years as a source for the wider cultural and historical context within which his sermons were preached Scholars have demonstrated the exciting potential his sermons have to shed light on aspects of daily life popular attitudes and practices of lay piety In short Chrysostom's sermons have been recognised as a valuable source for the study of popular Christianity at the end of the fourth century This study however questions the validity of some recent conclusions James Daniel Cook illustrates that Chrysostom is often seen as at odds with the congregations to whom he preached On this view the Christianity of lites such as Chrysostom had made little inroads into popular thought beyond the fairly superficial and congregations were still living with older more culturally traditional views about religious beliefs which preachers were doing their utmost to overcome Cook argues that such a portrayal is based on a misreading of Chrysostom's sermons and fails to explain satisfactorily the apparent popularity that Chrysostom enjoyed as a preacher Preaching and Popular Christianity Reading the Sermons of John Chrysostom reassesses how we read Chrysostom's sermons with a particular focus on the stern language which permeated his preaching and on which the image of the contrary congregation is largely based In doing this Cook recovers a neglected portrayal of Chrysostom as a pastor and of preaching as a pastoral and liturgical activity and it becomes clear that his use of critical language says more about how he understood his role as preacher than about the nature of popular Christianity in late antique society Thus a very different picture of late antique Christianity emerges in which Chrysostom's congregations are more willing to listen and learn from their preacher than is often assumed

Inductive Preaching Ralph L. Lewis, Gregg Lewis, 1983-08-01 I spend hours in my study and on my knees preparing sermons but when I preach them no one listens What's wrong Why aren't I getting through Why do I see blank stares daydream reveries nodding heads as soon as I open my mouth to preach I know my messages are biblically sound I'm sure I'm preaching what God has laid on my heart But it's not being received What's wrong What can I do Sound familiar If you're a preacher you probably know the feeling But it doesn't have to be that way You can learn to preach in a way that will be readily even eagerly received by your congregation It's all here what inductive preaching is how it works why it's effective who's used it including Jesus Peter Paul Augustine St Francis Wesley Edwards and Moody to name only a few Also included are Step by step guidelines for constructing an inductive sermon Two sample inductive sermons A list of 96 inductive preachers from 20 centuries A strategy for making traditional sermon structures inductive A checklist of inductive characteristics The principles in this book can dramatically increase your sermon effectiveness turn apathy into

involvement make listeners out of the listless Inductive preaching is preaching that works
