## **Preachers Of Righteousness:**

**Preachers of Righteousness** Steve Carney, 2012-12 The preachers of righteousness were some unique individuals What was each one's purpose and what set him apart What did each have in common What were their probable thoughts How did they obtain such favor with God How did they cope with the persecutions Step into a time and place hundreds even thousands of years before there were modern technological advances before the hurried lifestyle of the modern generation It was a time when livestock was man's currency horses camels and donkeys the means of transportation From Enoch to Charles Finney author Steve Carney introduces you to what the Bible refers to as preachers of righteousness Their lives and ministries are just as relevant to our present day generation as they were in ancient times You will glean from the valuable lessons these wise men have to offer They teach us how to live and how to communicate with God Their stories serve as an example of things to come as the Church the nation of Israel and the world near the end times climaxing with the Great Tribulation and the return of the Messiah

Sabine's Lectures on the Inquiry Into the Scriptural Import of the Words Sheol, Hades, Tartarus and Gehenna** Walter Balfour, 1825 **Word of Faith Preachers** Joseph T. . Bachota Jr, 2010-06-16 Have you ever wondered about the correctness of the messages and teachings of preachers behind the pulpits and on TV today Who holds them accountable for explanations and outlines of the truth Who questions them or anything they say With sound biblical exegesis this book challenges you to keep an open mind and determine for yourself what is true or false As an ordained Word of Faith preacher Joe Bachota has firsthand knowledge of the doctrines being preached Word of Faith Preachers isn't meant to be an exhaustive discussion of every doctrinal position taken by the movement Instead it explores a few of the major heresies the Word of Faith churches are teaching with the goal of preventing you from being led astray if you are exposed to them Even though Bachota once believed preached and taught most of these doctrines the Lord has led him in another direction opening his eyes to the heresies contained in some of the Word of Faith doctrine Hopefully this book will lead you in the same way and enable you to come to the same conclusion he did the teachings of many churches today particularly Word of Faith churches are completely out of touch with sound biblical doctrine

**Raise Your Voice** Myles A. Rutherford, 2023-09-19

The Lord is calling His people to break their silence and proclaim the Gospel to everyone right now The Spirit of God is moving in people s hearts prompting them to speak out against the sins and atrocities in our world Speaking out comes with a cost It can be challenging unpopular and downright lonely You will be misunderstood But those who speak in God s voice find peace for being faithful to his call God has always looked for people who are willing to do what He needs done He takes those imperfect people and baptizes them with passion to do His will They cannot escape its clutches God wants to say something to you and through you He is looking for a trumpet the raised voices of His remnant are the sounds of revival Revival happens when repentance happens Repentance happens when people speak the heart of God God has voices ready to speak and bring revival to earth Are you one of them If you are looking for a way to unlock the words of God from deep in your soul this book is for you

*The Beginning of the Story* Timothy J. Geddert, 2023-10-03 Rediscover the essential beginning of the most important story ever told Although the Bible contains sixty six books that usually span over a thousand printed pages most Christians turn first and sometimes only to the New Testament So often Christian readers have little idea what to do with the Old Testament if we read it at all Sure we value a few well known stories and use a few psalms for personal devotions and for worship Beyond that many Christians find the Old Testament mostly confusing troubling or irrelevant But to understand the Bible as the grand story that it is the story of God s dealings with humanity and relationship to the whole universe we must learn to read the first three quarters of Scripture as Jesus did and as the New Testament teaches us to do Walking through the arc and major themes of the Old Testament narrative author and biblical scholar Timothy J Geddert guides curious readers of the Word into a fruitful and fulfilling reading of the Bible s first thirty nine books restoring joy in reading and studying the most important story ever told
