Kaiser, Jr., 2011-09-01

Distinguished Old Testament scholar Walter Kaiser believes that the Old Testament is sorely neglected today in teaching and preaching but it is even more neglected when it comes to setting forth the hope that Christians have for the future. Firmly believing that the Old Testament offers important insights into biblical eschatology and the Christian life, he provides guidance for expositing fifteen key Old Testament eschatological passages to preachers, teachers, and Bible students. Each chapter focuses on a single biblical text. Kaiser introduces the topic, examines the issues, notes who has contributed to some of the solutions, and shows how this sets up the text to be exegeted and prepared for exposition.

**The Majesty of God in the Old Testament** Walter C. Kaiser Jr., Walter C. Kaiser, 2007-07. Trusted Old Testament scholar Walter Kaiser provides practical help for preaching and teaching the God of the Old Testament.

**From the Study to the Pulpit** Allan Moseley, 2018-02. The purpose of this book is to offer both exegetical and preaching help by means of a workable 8 step method. The author's preaching model starts with the initial step of determining the genre and meaning of the text, to doing word studies and discovering the main ideas of the text, to applying the sermon in a life-changing and Christ-honoring manner. Some books on preaching from the Old Testament are written by authors who do not actually preach or preach only occasionally. Pastors and budding preachers need a book written by someone who has known what it is like to be a pastor and has prepared sermons every week for years.

**Preaching Christ from the Old Testament** Sidney Greidanus, 1999-07-13. Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament, Sidney Greidanus develops a Christ-centric method that will help preachers do both simultaneously. Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament. Suggesting specific steps and providing concrete examples, this volume provides a practical guide for preaching Christ from the Old Testament.

**Preaching the Old Testament** Scott M. Gibson, 2006-10-01. Many pastors find it easier to preach on the New Testament than the Old Testament with its powerful and often shocking narrative, prophetic warnings, and calls to holiness. For many preachers seeking to make the Bible relevant, it's far easier and safer to stay out of the woods and plow the well-worn fields of the newer canon. Preaching the Old Testament equips pastors to journey into the forest and find a passion and confidence for preaching on the Old Testament. This book helps them keep up on their Hebrew, understand the themes of the Old Testament, and unpack Jesus' foundational text to take their congregations to a deeper understanding of Christ himself.

**Wondrous Depth** Ellen F. Davis, 2005-01-01. Davis demonstrates that the activities of biblical interpretation and preaching are essentially related as arts and in fact as the arts most fundamental to the life of the church.
