Preaching And Teaching From The Old Testament:

Preaching and Teaching from the Old Testament Walter C. Kaiser, Jr.,2003-03-01 Viewed as antiquated and remote the Old Testament is frequently neglected in the preaching and teaching ministry of the church But contrary to the prevailing attitude might the Old Testament contain relevant and meaningful application for today Renowned author and scholar Walter Kaiser shows why the Old Testament deserves equal attention with the New Testament and offers a helpful guide on how preachers and teachers can give it the full attention it deserves Growing out of his teaching material from the last decade Preaching and Teaching from the Old Testament demonstrates Kaiser s celebrated straightforward exposition Offering an apologetic for the Christian use of the Old Testament the opening chapters deal with the value problem and task of preaching from it Following a discussion of the role of expository preaching Kaiser provides a practical focus by examining preaching and teaching from the texts of various genres A final chapter explores the relevance of the Old Testament in speaking to a contemporary audience Bible teachers pastors seminary students and professors will appreciate Kaiser s practical focus and relevant applications Additional helps include a glossary and suggested outlines and worksheets for expository preaching

From the Study to the Pulpit Allan Moseley,2018-08-28 Many pastors struggle with preaching the Old Testament As a professor and pastor Allan Moseley s vast experience and knowledge go a long way in helping expositors enrich their pulpit ministry The purpose of his book is to offer both exegetical and preaching help by means of a workable 8 step method The author s preaching model starts with the initial step of determining the genre and meaning of the text to doing word studies and discovering the main ideas of the text to applying the sermon in a life changing and Christ honoring manner Some books on preaching from the Old Testament are written by authors who do not actually preach or preach only occasionally Pastors and budding preachers need a book written by someone who has knows what it is like to be a pastor and has prepared sermons every week for years His book reflects his classroom teaching on the subjects of exposition and hermeneutics and it provides helpful illustrations of expositional principles that rise from his own preaching ministry How to Preach and Teach the Old Testament for All Its Worth Christopher J. H. Wright,2016-04-19 Many preachers ignore preaching from the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly turning it into moralistic rules or symbolic lessons for our spiritual life In How to Preach and Teach the Old Testament for All Its Worth Christopher J H Wright proclaims that preachers must not ignore the Old Testament It is the Word of God The Old Testament lays the foundation for our faith and it was the Bible that Jesus read and used Looking first at why we should preach from the Old Testament the author moves on to show the reader how they can preach from it Covering the History Law Prophets Psalms and Wisdom Literature interspersed with practical checklists exercises and sermons Wright provides an essential guide on how to handle the Old Testament responsibly **Preaching and Teaching the Last Things** Walter C. Kaiser, Jr.,2011-09-01

Distinguished Old Testament scholar Walter Kaiser believes that the Old Testament is sorely neglected today in teaching and preaching but it is even more neglected when it comes to setting forth the hope that Christians have for the future. Firmly believing that the Old Testament offers important insights into biblical eschatology and the Christian life, he provides guidance for expositing fifteen key Old Testament eschatological passages to preachers, teachers, and Bible students. Each chapter focuses on a single biblical text. Kaiser introduces the topic, examines the issues, notes who has contributed to some of the solutions, and shows how this sets up the text to be exegeted and prepared for exposition. The Majesty of God in the Old Testament Walter C. Kaiser Jr., Walter C. Kaiser, 2007-07. Trusted Old Testament scholar Walter Kaiser provides practical help for preaching and teaching the God of the Old Testament. *From the Study to the Pulpit* Allan Moseley, 2018-02. The purpose of this book is to offer both exegetical and preaching help by means of a workable 8-step method. The author's preaching model starts with the initial step of determining the genre and meaning of the text, to doing word studies and discovering the main ideas of the text, to applying the sermon in a life-changing and Christ-honoring manner. Some books on preaching from the Old Testament are written by authors who do not actually preach or preach only occasionally. Pastors and budding preachers need a book written by someone who knows what it is like to be a pastor and has prepared sermons every week for years. Preaching and Teaching from the Old Testament Walter C. Kaiser Jr., Walter C. Kaiser, 2003-03. The Old Testament should not be ignored. Advocating its importance, this book examines the various ways to preach and teach from it. The Majesty of God in the Old Testament Walter C. Kaiser, 2014-05-14. Trusted Old Testament scholar Walter Kaiser provides practical help for preaching and teaching the God of the Old Testament. **Preaching and Teaching the Last Things** Walter C. Kaiser, 2014-05-14. A distinguished evangelical Old Testament scholar offers students, teachers, and pastors his signature guidance for expositing Old Testament eschatological texts. **Preaching Christ from the Old Testament** Sidney Greidanus, 1999-07-13. Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament, Sidney Greidanus develops a Christ-centric method that will help preachers do both simultaneously. Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament. Suggesting specific steps and providing concrete examples, this volume provides a practical guide for preaching Christ from the Old Testament. Preaching the Old Testament Scott M. Gibson, 2006-10-01. Many pastors find it easier to preach on the New Testament than the Old Testament with its powerful and often shocking narrative, prophetic warnings, and calls to holiness. For many preachers seeking to make the Bible relevant, it's far easier and safer to stay out of the woods and plow the well-worn fields of the newer canon. *Preaching the Old Testament* equips pastors to journey into the forest and find a passion and confidence for preaching on the Old Testament. This book helps them keep up on their Hebrew, understand the themes of the Old Testament, and unpack Jesus' foundational text to take their congregations to a deeper understanding of Christ himself. *Wondrous Depth* Ellen F.
