Preaching Apocalyptic Texts:

Apocalypse When? Leah D. Schade, Jerry L. Sumney, 2020-09-09 Apocalyptic texts are often seen as either frightening or irrelevant a tool for fearmongering and manipulation or for the lucrative doomsday industry But *Apocalypse When* Interpreting and Preaching Apocalyptic Texts equips readers to understand these texts as sources of encouragement and strength for the church As the world faces threats of war poverty climate and environmental crises and political upheaval churches can draw on the wisdom and courage of our biblical ancestors who faced their own calamities and persecutions Their struggles against powerful economic militaristic cultural and social forces drew them closer to God We have much to learn from their faith ethical integrity and dedication to the promises of God that engender hope in the midst of turmoil and terror With solid historical exegesis thought provoking ideas for preaching and examples of sermons that creatively and compellingly proclaim God's word this book provides much needed guidance for the church in tumultuous times

Preaching Apocalyptic Texts Larry Paul Jones, Jerry L. Sumney, 1999 Larry Paul Jones and Jerry L Sumney show how to preach the Bible's apocalyptic texts while avoiding the most common mistakes using texts that are metaphorical too literally to predict political events and using texts that are communal too individualistically to describe the experience of faith BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Preaching in the New Creation David Schnasa Jacobsen, 1999-01-01 Most preachers have little fondness for apocalyptic texts because of their scathing language surrealistic plots and enigmatic symbols David Jacobsen helps preachers move past these barriers with clear step by step directions and insightful analysis showing how to move from text to sermon for the apocalyptic texts included in the lectionary *Unmasking Apocalyptic Texts* Dorothy Jonaitis, 2005 In this original and insightful book Dorothy Jonaitis offers a refreshing alternative to the popular view of biblical apocalyptic writing as gloom and doom fire and brimstone literature Rather she presents it as literature of hope and its authors as people who knew how to use their creative imaginations to communicate their hope filled messages The reader will come to see the apocalyptic authors of both the Old and the New Testaments as dramatists and will learn to preach teach and imagine their writings as dramatic messages to be applied in contemporary times of crisis BOOK JACKET **Invasion of the Dead** Brian K. Blount, 2014-01-17 Our world and our churches are neither sinful nor lost they are dead This dead world is the one that God engages and into which Jesus invaded with a radically different vision of life In this groundbreaking work based on his 2011 Yale Beecher lectures Brian K Blount helps preachers effectively proclaim resurrection in a world consumed by death Recognizing that both popular culture and popular Christianity are mesmerized by death and dying Blount offers an alternative apocalyptic vision for our time one that starts with a clear vision of life that obliterates death and reveals life's essence Blount explores the portrait and meaning of resurrection through the New Testament the Book of Revelation the letters of Paul and the Gospel of Mark and explores how to biblically and theologically reconfigure apocalyptic preaching for today With three illustrative sermons this book is an

ideal resource to help preachers proclaim the power of resurrection *Preaching from Apocalyptic Literature* James Bratten Atwood,1982 **Reclaiming the Old Testament for Christian Preaching** Grenville J. R. Kent,Paul J. Kissling,Laurence A.

Turner,2013-04-06 2011 Preaching Today Magazine Book Award winner The Old Testament is filled with intriguing characters stories and themes But preaching from its remote historical context wrapped in sometimes unfamiliar literary genres and narrative devices can be daunting Based on the conviction that the Old Testament texts are a vital and dynamic part of the Christian canon and pertinent to Christian practice this stimulating volume offers guidance for expository preaching and practical suggestions for understanding the message of its diverse literature The chapters cover narrative plot characters genre and preaching from difficult texts The book concludes with a vital chapter on preaching Christ from the Old Testament which offers a theological account of biblical interpretation without unnaturally forcing the texts The contributors are internationally respected evangelical Old Testament scholars from a wide range of church traditions and global regions who are also active in preaching Daniel I Block David G Firth Grenville J R Kent Paul J Kissling Alison Lo Tremper Longman III Ernest C Lucas R W L Moberly Laurence A Turner Frederico G Villanueva Gordon Wenham H G M Williamson and Christopher J H Wright Here is a book that will help you use all of the Bible s rich resources in preaching the good news of the global kindgom of God Handbook of Contemporary Preaching Dr. Michael Duduit,1993-03-01 Contributors included

Preaching Through Time Casey C. Barton,2017-07-28 As preachers who come to the pulpit before God and before God s people each and every week how do we make sense of the text as we live a new moment of its ongoing story Most options available to the preacher necessitate a hermeneutical step that requires us to preach outside of time in timeless truths experiences or realities But the gospel is the drama of God appearing to and working with and loving God s people in time Preaching Through Time gives the preacher a timely homiletic for preaching together the times of God s gospel then and now while calling God s people to perform their own roles in today s moment of that gospel drama Anachronism preaching together the moments of God s drama is the language event that will get us from text to timely sermon week by week A
