Kent Edwards, 2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed

by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming

Missional Preaching Stephen Stallard,2025-09-01 Missional Preaching provides overwhelmed pastors with a step by step

guide to preaching in today's post Christian culture blending practical experience with missional expertise The Challenge of Preaching John Stott, 2011-04-27 This book strongly challenges the notion that there is no place for preaching in the contemporary world. It sets out the theological case for preaching and then goes on to describe what constitutes good preaching. It does not focus on techniques to be used but on the nature of the task and the character of the one who preaches. The good preacher works to build a bridge between the listeners and the truth being proclaimed. To be able to do this the preacher must study both the Scriptures and the today's world. The book offers some suggestions on how to go about preparing a sermon and calls for preaching delivered with sincerity, earnestness, courage, and humility. John Stott's thoughtful and practical advice given at some length in *I Believe in Preaching* has here been abridged by eliminating quotations and examples that spoke more directly to readers in the UK and the US in the 1980s. Greg Scharf has retained the core of the original book but made it more accessible to contemporary readers. Growing the Church Gary Vickery, 2021-05-03 My mother made sure that all of us were in church on Sunday and that we went to all the Revivals and to vacation Bible schools every summer and after I was married I continued that practice with my family. In the 50s, 60s, and part of the 70s all churches were always full with people, sometimes having to stand up in the back. But then near the end of the 70s I noticed a decline in church attendance and fewer people were being baptized and this has continued to be a trend today. I noticed this and I'm sure others have also and yet nothing was done. I decided to start writing down my ideas about this several years ago and I kept them in a notebook. After I retired I had more time so I decided to put together a plan to not only stop this but also to turn it around and long before I wrote this book I put this plan into action. The first church had between fifty and sixty people when this started and in just about three years this church had grown to almost three hundred members. So I tried it again with another church in another state and basically the same thing happened. So being retired I decided to put this plan together in a book that has taken me almost ten years to implement and write. It does work, however, you just can't wish it to happen. It takes work and work from everyone but if we are to follow Christ's commandments it should be a work that is enjoyable and a blessing both for you and to the souls you win and the blessings will continue as you watch your church grow. May God bless you in your endeavor. Don't give up.
