The Significance of Interpersonal Forgiveness in the Gospel of Matthew Isaac Kahwa Mbabazi, 2013-10-21 Isaac Mbabazi makes a major contribution to the field of New Testament by arguing that the relevant Matthean theme of interpersonal forgiveness is quite central to the first Gospel. In *The Significance of Interpersonal Forgiveness in the Gospel of Matthew* he delineates five sets of evidence in support of his argument. Beginning with a survey of all Matthean forgiveness and forgiveness related texts he then carries out an in depth exegesis of two key Matthean texts in which the idea of interpersonal forgiveness is explicit. Discourse analysis informs his discussion offering valuable insight into Matthew's point of view. Mbabazi notes that the forgiveness pattern that emerges from contemporary Greco Roman literature differs remarkably from the pattern found in Matthew where granting forgiveness appears not only as a reasonable act but reluctance or failure to grant it makes the unforgiving person accountable to God.

Praxis of Retelling Parables and Miracles Beschi Jeyaraj, 2023-02-09 A bible theological didactic is not principally reduced to learning and teaching Bible alone but rather extended to understanding and interpreting Bible in one's own religious and pedagogical context. Bible didactic moreover does not circumscribe itself only to biblical knowledge in virtue of deducing some abstract and moral principles but it rather prospects to strengthen and reconstruct one's identity within the choices offered by culture and context. This book aims to engage in an intercultural interpretation of the parables and the miracles of Jesus by dialoging with the culture of Tamils. This comparative study subsequently proposes an alternative synchronic hermeneutic in biblical didactics replacing a deep seated diachronic model in Tamil land. It also develops a model of synculturation superseding fossilised model of inculturation. This book capitalises Tamils texts and narratives of masses reflected in the archives of Tamil literatures and legends in the process of theologisation. Bearing on the aesthetics of parables and miracles and contextual reading of them this study brings forward the world in front of the text leaving behind the conventional exegesis of the world behind the text

In the face of digital technology social media cultural pluralism and pastoral burnout how can Christian preachers proclaim the gospel faithfully and effectively?
