Clinton McCann, James C. Howell, 2001 This book is designed to help preachers find and use the riches of the Psalms for preaching The authors address the perception that the Psalms often go neglected in preparing for one of the central acts of worship preaching McCann and Howell demonstrate that the Psalms offer the preacher broad rich possibilities for the congregation's engagement with the Scripture Each chapter concludes with a brief sample Psalms for Preaching and Worship Roger E. Van Harn, Brent A. Strawn, 2009-04-10 Psalms for Preaching and Worship a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to

their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet s concluding section I know of no work that combines practice and substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of *Preaching Christ from the Old Testament* and *Preaching Christ from Genesis* Here is something even better than a simple completion of *The Lectionary Commentary* which would be cause enough for gratitude Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship Marguerite Shuster Fuller Theological Seminary Contributors Nancy R Bowen William P Brown Walter Brueggemann Richard J Clifford Nancy L deClaiss Walford Jennifer S Green Karl N Jacobson Rolf A Jacobson Melody D Knowles Eunni P Lee Joel M LeMon James Limburg J Clinton McCann James K Mead Carol A Miles Luke A Powery Stephen Breck Reid Sandra L Richter Cynthia L Rigby Kathryn L Roberts Brent A Strawn Beth LaNeel Tanner Roger E Van Harn Raymond C Van Leeuwen J Ross Wagner Gerald H Wilson John Witvliet Christine Roy Yoder

Preaching Through the Psalms C. H. Spurgeon, Barry L. Davis, 2013-04-16 In the estimation of many preachers down through the years Charles H Spurgeon is the greatest preacher to ever stand behind a pulpit in the post New Testament era The massive volume of his sermon material is itself astounding and without compare but when you consider the content of his messages he stands head and shoulders above the rest Spurgeon was a preacher s preacher and those of us who stand behind the sacred desk would do well to learn from him Spurgeon would join the Apostle Paul in exhorting us to Preach the word be instant in season out of season reprove rebuke exhort with all longsuffering and doctrine For the time

will come when they will not endure sound doctrine but after their own lusts shall they heap to themselves teachers having itching ears And they shall turn away their ears from the truth and shall be turned unto fables 2 Timothy 4 2 4 KJV We have compiled this wonderful collection of sermon outlines and preaching tips on the Psalms to help you do exactly that Contained in the following pages you will find the sermon material that Spurgeon himself found most useful to those in ministry It was originally a part of Spurgeon s vast commentary on the Psalms The Treasury of David We have taken all of the sections specifically designed to help preachers and put it in this one extremely practical volume If you are preaching on one Psalm doing a series through the Psalms or merely wanting to learn more about the Psalms this will become your most valuable resource There is more material here for preaching on the Psalms than any other book that I am aware of Please free to use any of the following material in your preaching or teaching ministry Use it as is or feel free to adapt it to your own style

It's OK to Be Not OK Federico G. Villanueva, 2017-09-30 How often have you seen a friend and been greeted with How are you Almost always our automatic response is Fine thank you regardless of whether it s true We proclaim in church services that God is good all the time All the time God is good but there are often times when we feel that life is just unfair and ask God Why The uplifting songs and victorious testimonies of our church gatherings are frequently difficult to identify within the midst of the suffering and hardship of people s daily lives yet there is all too often no room for our not OK experiences in our Christian communities This is especially true for pastors and leaders who are required to always be strong and OK all the time But the songs of lament in the Psalms paint a very different picture of understanding life and how human beings express themselves to God Dr Rico Villanueva uses these Scriptures to teach us that in the presence of God there is room to be not OK and that our negative experiences don t have to be ignored This book challenges us to confront our struggles and questions instead of denying them Most importantly the author invites us to bring all of ourselves into the presence of God and the community of faith For it is through our experiences and sharing them with God and his church that we grow in intimacy with God and our relationships with one another
