Preaching Through Holy Days And Holidays:

Preaching Through Holy Days and Holidays Roger Alling, David J. Schlafer, 2003 Each volume would follow the pattern of 1 a brief opening introductory essay that would shape the context for that volume 2 a selection of sermons from preachers active in the pulpit organized under headings appropriate to the topic of the volume as well as sub topics within the volume 3 several complementary and reflective essays from professionals of distinction in the field of homiletics 4 sermons from the annual Preaching Excellence Conference as exemplified in the previous Preaching Through the Year of Matthew Mark and Luke

Holidays, Holy Days, and Special Days William Powell Tuck, 2015-11-13 What is a preacher to do with holidays Some seem to almost preach themselves especially those in the church calendar Others are more secular or may seem to conflict with the church calendar Some are even controversial and require a gentle but firm touch of the preacher's art William Powell Tuck is a master preacher and in this book he demonstrates his sensitivity to the issues raised by some of the holidays and special days of the year along with his grounding in biblical studies theology and homiletics You can read these sermons as essays if you want but they are not light devotionals They are serious efforts to grapple honestly with issues and to guide a church community in learning and growing as they celebrate their lives their families and their communities For the preacher these sermons can serve as models for how to approach these days as well as providing insight into the various issues involved

Preaching the Calendar J. Ellsworth Kalas, 2004-01-01 Pastors face a perennial challenge in deciding how to treat special days in the calendar For days marked in the church year the challenge is how to speak a fresh word about a familiar theme or story For days marked in the civil calendar the challenge is to discern within secular celebrations appropriate connections with the Christian gospel In Preaching the Calendar masterful preacher J Ellsworth Kalas discusses the importance of embracing holidays and special days as occasions when sermons can enlarge and deepen spiritual yearnings His words of wisdom demonstrate how this type of preaching can be done well and serve as valuable sources of stories and sermon illustrations for pastors eager to help people find new and renewed relationships with God

Holidays Are Holy Days Alex A Gondola Jr, Alex A. Gondola, 2004 Almost every month in the year has a secular holiday and on those special Sundays preachers need to balance honoring the occasion with maintaining their focus on the proclamation of God's Word It can be a challenging task but it also presents a great opportunity to uncover the religious significance of our civic celebrations In this extensive volume of inspiring messages Alex Gondola draws on the rich variety of American culture and scriptural insight to remind us that holidays truly are holy days Great for personal reading adult study groups or fresh sermon ideas Holidays Are Holy Days is a versatile resource that you'll draw on throughout the year Sermons are included for New Year's Day Martin Luther King Day Super Bowl Sunday Valentine's Day Presidents Day St Patrick's Day April Fool's

Day Earth Day Mother's Day Memorial Day Father's Day Independence Day Labor Day Grandparent's Day Columbus Day Indigenous Peoples Day Halloween All Saints Reformation Sunday Veterans Day Thanksgiving Christmas How does one avoid simplistic even overly sentimental preaching and yet address themes that are important to many American churchgoers In this book Alex Gondola masterfully navigates his way into insightful sermons on themes which often tax the imagination of excellent preachers Novice and seasoned preachers will benefit from this book and all persons who read it will be inspired Benjamin Griffin President Emeritus Andover Newton Theological School This is biblical preaching in the best sense informative creatively theological challenging invitational occasionally wry always participatory and faithful to the God whose interests inform every page In these sermons Gondola weaves hard data history and practical theology in the service of challenging Christians to live faithfully in the 21st century Nancy S Taylor Minister and President Massachusetts Conference United Church of Christ Designed for those special days in our civil religion that preachers often find challenging these expertly crafted sermons make an intelligent creative use of scripture that demonstrates the relevance of those ancient texts to the present day Filled with stories from everyday life they reach both the head and the heart and they have a social conscience Kenneth Cauthen John Price Crozer Griffith Professor of Theology Emeritus Colgate Rochester Crozer Divinity School Author of *Rejoicing in Life's Moments* Alex A Gondola Jr is senior pastor of St Paul United Church of Christ in Wapakoneta Ohio He previously served Dennis Union Church in Dennis Massachusetts A graduate of Allegheny College B A Andover Newton Theological School M Div and Colgate Rochester Divinity School D Min Gondola has also studied at Hartford Seminary and the New College of Divinity of the University of Edinburgh Scotland He is the author of *Come As You Are Pray Like This* and *Don't Forget The Child* CSS and also contributed several stewardship sermons to the CSS anthology *From Every Angle* **The Living Church**, 2003 Holy-days and Holidays Edward Mark Deems, 1902 *Preaching as Prophetic Calling*, 2004-03-01 *Preaching as Prophetic Calling* is the twelfth in a series of books devoted to presenting examples of preaching excellence from parishes throughout the Episcopal Church This volume addresses the difficult and essential area of preaching a prophetic word What does a prophetic sermon look like without being shrill and without being filled with musts oughts and shoulds This collection of sermons includes examples of prophetic preaching that are visionary and that speak in ways that offer radical comfort as well as radical challenge **Preaching What We Practice**, From major issues such as the threat of terrorism or the war in Iraq through to social issues such as abortion or euthanasia contemporary Christians are faced with almost daily quandaries Often the first person a Christian will turn to in times of trouble or uncertainty is their local priest In this day and age priests need to be able to address any number of problems and questions that parishioners have often with little in the way of counseling training This book written by two respected authors one a preacher the other an ethicist will go a long way to not only helping priests to provide moral discernment but to actively welcome helping people through difficult times **The Holy Days of God, The Holidays of Man** Holly M.

Snead,2012-12 For two thousand years the Church Universal has celebrated the life of our Lord At Christmas we remember and celebrate his birth in a stable in Bethlehem We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel After his three years of ministry we prepare for his suffering and death and grieve at the foolishness of the people who could not believe We stand at his cross and watch as his disciples who followed him fled in fear for their lives but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord To their wonder and ours we rejoice in his resurrection and celebrate the life he has given us through his suffering death and resurrection We celebrate his ascension to Heaven with his promise that he would be with his disciples in the Presence of the Spirit to teach and prepare them for his return Ten days after his Ascension we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church We hear the words of Peter and sit in wonder of all the Spirit promised Then suddenly the Church stops its celebration There is silence for six months until in December we return to the stable in Bethlehem and start our celebration again What have we forgotten what do we neglect What are we missing Why has the celebration stopped at Pentecost Where is the mature Church the victorious Church Where is the promised Return of our Lord in His Father s Glory Where is the Bridegroom How much longer must the Bride wait Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost God calls us to celebrate the entire story from beginning to end He promised his faithful remnant that he would return to them and they would dwell with him in His Presence He promised the rejoicing would have no end Come with us as we learn and celebrate the Rest of the Story A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israel s Feast Days The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israel s festal calendar but God s faithfulness in bringing all those feast days to final fulfillment in Christ s Parousia What she brings to the reader is tremendous and exciting insight into how the NT writers applied Israel s feast days to the work of Christ If you have never considered Israel s New Moons feast days and sabbaths as they relate to the End Times you owe it to yourself to read this book Whatever you do read the Appendices These special studies are more than worth the price of the book all by themselves Don K Preston D Div President Preterist Research Institute www.eschatology.org **Holy Day, Holiday** Alexis McCrossen,2018-08-06 The mass protests that greeted attempts to open the 1893 Chicago World s Fair on a Sunday seem almost comical today in an era of seven day convenience and twenty four hour shopping But the issue of the meaning of Sunday is one that has historically given rise to a wide range of strong emotions and pitted a surprising variety of social religious and class interests against one another Whether observed as a day for rest or time and a half Sunday has always been a day apart in the American week

Supplementing wide ranging historical research with the reflections and experiences of ordinary individuals Alexis McCrossen traces conflicts over the meaning of Sunday that have shaped the day in the United States since 1800 She investigates cultural phenomena such as blue laws and the Sunday newspaper alongside representations of Sunday in the popular arts Holy Day Holiday attends to the history of religion as well as the histories of labor leisure and domesticity

For Every Matter under Heaven Beverly Zink-Sawyer, Donna Giver-Johnston, 2022-12-08 For everything there is a season as the writer of Ecclesiastes reminds us and that includes preaching Beyond ordinary Sunday morning worship many other seasons special occasions arise for preaching in the life of the church whether by virtue of the secular calendar or celebrations or circumstances in the congregation or community For Every Matter under Heaven Preaching on Special Occasions offers preachers a process for creating sermons that are biblically grounded and relevant to the occasion Two obvious occasions of this sort are weddings and funerals however church anniversaries dedications of new buildings or furnishings commitment of pledges in stewardship season and ordination and installation services also call for preaching on a special theme or topic In addition some congregations acknowledge secular holidays such as the Fourth of July and Thanksgiving Day in worship Pastors are often called on to preach at events outside the church And all congregations face local or national tragedies and crises that call for a word from the Lord These occasions require a different kind of sermon or at least a different process of preparation Most preachers have been taught that sermons begin with a biblical text usually a text prescribed by a standard lectionary Beverly Zink Sawyer and Donna Giver Johnston offer preachers a process for finding appropriate sermon texts for special occasions by considering the occasion itself the listeners who might be gathered and the ways God is at work in that time and place Through this process preachers can offer a word for every matter under heaven

Only a Fool Would Have Believed It in the First Place Faith Hartmann, 2012-11 Sometimes comical or bizarre and at other times pathetic and tragic this cautionary story is for persons wanting and needing to find an ally as they struggle with breaking away from a destructive religious environment Buoyant and hopeful overtones often battle with discordant angry and bitter undertones as this book consistently lays bare the detrimental dark core at the heart of one woman's lengthy Christian experience Since far too many other persons have fallen into similarly laid traps by con artist leaders of the institutional church this book provides possible psychological rescue tools **Handbook of Contemporary Preaching, 2nd Edition** Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching **A Set of Holiday Sermons**, 1926

Performance in Preaching (Engaging Worship) Jana Childers, Clayton J. Schmit, 2008-11-01 This volume which launches the Engaging Worship series from Fuller Theological Seminary's Brehm Center for Worship Theology and the Arts offers a unique study of sermon delivery While many books offer advice on how to prepare write and preach a sermon this volume is

distinctive in approaching the subject from the perspective of performance The authors who teach at a variety of seminaries and divinity schools across the nation examine how the sermon can bring God's word to life for the congregation In that sense they consider the idea of performance from a wide range of theological artistic and musical viewpoints These thoughtful essays will engage clergy and students with new ways of looking at the art of preaching
