Kim, 2017-10-17 To preach effectively in today's world preachers need cultural intelligence They must build bridges between listeners who come from various denominations ethnicities genders locations religious backgrounds and more Experienced preacher and teacher Matthew Kim provides a step by step template for cross cultural hermeneutics and homiletics equipping preachers to reach their varied listeners in the church and beyond Each chapter includes questions for individual thought or group discussion The book also includes helpful diagrams and images a sample sermon and appendixes for exegesis listeners and for exploring cultural differences *Religion and Migration* Andrea Bieler, Isolde Karle, HyeRan Kim-Cragg, Ilona Nord, 2019-10-31 This volume explores religious discourses and practices of hospitality in the context of migration It articulates the implied ambivalences and even contradictions as well as the potential to contribute to a more just world through social interconnection with others The book features contributors from diverse national denominational cultural and racial backgrounds Their essays reveal a dichotomy of hospitality between guest and host while tackling the meaning of home or the loss of it interrogating both the peril and promise of the relationship between religion chiefly Christianity and hospitality and focusing on the role of migrants vulnerability and agency by drawing from empirical theological sociological and anthropological insights emerged from postcolonial migration contexts With contributions by Andrea Bieler Jione Havea Claudia Hoffmann HyeRan Kim Cragg Claudia Jahnel Isolde Karle Buhle Mpofu Armin Nassehi Ilona Nord Henrietta Nyamnjoh Regina Polak Ludger Pries Thomas Reynolds Harsha Walia Julia Well and Birgit Weyel *Religion und Migration* Dieser Band beschäftigt sich mit religiösen Diskursen und religiöser Praxis die Gastfreundschaft im Kontext von Migration thematisieren Dabei werden sowohl Potenziale identifiziert die in Richtung größerer Gerechtigkeit und sozialer Verbundenheit weisen als auch Ambivalenzen und Widersprüche Das Buch präsentiert Beiträge die verschiedene nationale konfessionelle kulturelle und ethnische Kontexte reflektieren Dabei kommen die problematischen sowie die verheißungsvollen Dimensionen der Dichotomie von Gast und Gastgebersein in den Blick die der Fokus auf Gastfreundschaft insbesondere im Christentum impliziert Die Frage nach dem Zusammenhang von Verletzbarkeit und Handlungsmacht von Migrantinnen und Migranten wird aus empirischer theologischer soziologischer sowie

anthropologischer Perspektive beleuchtet **Stumbling over the Cross** Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world **One Gospel Many Ears** Ronald J. Allen, Joseph R. Jeter, Every time a congregation gathers for worship many different people from different points in life with different needs and perspectives come together each refracting messages through their own lenses Each person processes communication in ways that are influenced by age gender race personality type ethnicity education and social and economic background Jeter and Allen explore how these factors affect the ways in which members of the congregation receive and process sermons and how the preacher can optimize the opportunity for each to hear and understand the gospel and one another *Crossover Preaching* Jared E. Alcántara, 2015-10-08 In our increasingly pluralistic and multicultural society there is a need for preaching that is capable of crossing cultural boundaries and engaging multiple contexts Jared Alcántara's exciting new work proposes an intercultural and improvisational account of preaching in conversation with the legacy of Gardner C Taylor *The Witness of Preaching* Thomas G. Long, 2005-01-01 This thorough revision of this classic text is even clearer and more helpful than the first edition Long has updated the language expanded the key chapter on biblical exegesis and has included more examples of sermon forms illustrations and conclusions **Preaching from Inside the Story** Jeffrey W. Frymire, 2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle's foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of

how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching

Sermon Listening

Enoh Šeba, 2021-06-30 Preaching is an integral part of every church service and its purpose has always been to edify encourage and to emphasize the positive effects of coming together as a people of God Yet there remains an inconsistency between the intended goals of preaching and the subjective perception of the listeners In this homiletical study Dr Enoh eba provides fresh insight into the turn to the listener model and offers a theologically sustainable warrant mandate for the transformation of the preaching practice through a stronger involvement of the congregation While grounding the research in the experience of Croatian Baptists Dr eba highlights practical suggestions for both listeners and preachers that are transferrable across contexts This important work reveals that preaching can and should be transformed into a truly congregational practice that will affirmatively affect the dynamics of ecclesial life This book will spark conversations and induce small scale changes on a variety of levels while bridging the gap between preachers and their listeners

Preaching in an Age of Globalization Eunjoo Mary Kim, 2010-01-01 There are many books on the market that address how culture race gender or economic status affect the way preachers preach and congregations hear sermons This is the first book to address preaching that promotes solidarity across these differences Preaching needs to be targeted to specific contexts But how can a preacher handle specific contexts when we live in a globalized world What does local context mean and who defines it Kim develops the concept of trans contextual preaching to show how preachers can respect diversity and global connections She develops a new theology of preaching examines the modes of biblical interpretation appropriate for trans contextual preaching and explores designs for sermons Sample sermons from the author provide excellent illustrations
