monthly sermons. Plain preaching to poor people [ed. by E. Fowle]. Plain preaching to poor people, 1874 **Sermons for the People** Frederic Dan Huntington, 1858 The Preacher and the People Francis John McConnell, 1922 Pastoral Preaching Conrad Mbewe, 2017-03-03 More and more pulpits are occupied by motivational speakers rather than preachers Church congregations are not being given a comprehensive biblical understanding of the faith Drawing on his own experience as a pastor in Zambia Conrad Mbewe tackles issues such as the content of pastoral preaching how pastoral preaching relates to church life finding the time to prepare pastoral sermons and dealing with discouragement Throughout the book it is clear that the author's conviction is to see preachers grow strong churches to build a people for God

Inductive Preaching Ralph L. Lewis, Gregg Lewis, 1983-08-01 I spend hours in my study and on my knees preparing sermons but when I preach them no one listens What's wrong Why aren't I getting through Why do I see blank stares daydream reveries nodding heads as soon as I open my mouth to preach I know my messages are biblically sound I'm sure I'm preaching what God has laid on my heart But it's not being received What's wrong What can I do Sound familiar If you're a preacher you probably know the feeling But it doesn't have to be that way You can learn to preach in a way that will be readily even eagerly received by your congregation It's all here what inductive preaching is how it works why it's effective who's used it including Jesus Peter Paul Augustine St Francis Wesley Edwards and Moody to name only a few Also included are Step by step guidelines for constructing an inductive sermon Two sample inductive sermons A list of 96 inductive preachers from 20 centuries A strategy for making traditional sermon structures inductive A checklist of inductive characteristics The principles in this book can dramatically increase your sermon effectiveness turn apathy into involvement make listeners out of the listless Inductive preaching is preaching that works Preaching Grace Kennon L. Callahan, 1999-06-02 Preaching today says Kennon Callahan is less about law and more about grace It is about inviting people to discover God's grace perhaps for the first time and touching their lives in a powerful personal helpful way Callahan who has helped tens of thousands of church leaders and pastors through his dynamic workshops and seminars sees the sermon as a shared event for the pastor and the congregation who are gathered to discover the good news for this day and

the week to come He sees preaching as a sign of grace compassion community and hope Preaching Grace encourages pastors to develop the approach to preaching that matches with their unique gifts and strengths Through focusing on these strengths pastors will discover more fully their own personal preaching style and advance the sermons that will stir and inspire their congregations to discover the grace of God the compassion of Christ and the healing hope of the Holy Spirit

Encountering God through Expository Preaching Ryan Fullerton,Jim Orrick,Brian Payne,2017-06-15 Preaching occurs when a holy man of God opens the Word of God and says to the people of God Come and experience God with me in this text Encountering God through Expository Preaching ushers preachers of all levels of experience through the practical steps necessary to preach with power The authors not only cover the exegetical skills and homiletical techniques necessary for sound preaching but they also dive deeper to emphasize how a pastor s character and reliance upon the Holy Spirit are essential to preaching God s word effectively As the preacher encounters God in preaching he will preach with spiritual power and see lives transformed and churches strengthened

The Preacher's Charge and People's Duty John Brinsley,C. Matthew McMahon,2016-10-05 In this work Brinsley not only focuses on the preacher but also on the hearer From 2 Tim 4 2 Preach the word be instant in season and out of season he shows that if God has ordained the office of the preacher to herald his message to people in season and out of season then in fact there must also be people to do the hearing This work then not only applies to the preacher s charge but the people s duty to hear earnestly and diligently what the preacher has said He shows that the minister s charge is a duty to preach the Gospel of Christ which is in turn preaching Christ to preach the Word The preacher is the herald of God whose office is discharged by speaking this Word to all people in all cases in the name of Christ boldly faithfully and plainly In discharging their duty preachers are to be instant in season and out of season or earnest and diligent in its performance at all times By way of contrast but compliment the hearer of the word should always strive to hear also diligently and earnestly They ought never to be offended at hearing the word preached in its simplicity and they must excite themselves to this duty entertaining the word of God with gladness Not only are they to hear it but they are to wholeheartedly receive it in order to practice it faithfully This work is not a scan or facsimile has been

carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions

The Gospel People Don't Want to Hear Lisa Cressman, 2020-05-05 Lisa Cressman founder of Backstory Preaching offers preachers tools to craft difficult sermon messages that can be heard The gospel changes lives but to do that it must first be heard For it to be heard people have to trust they are seen and their concerns and fears are acknowledged They have to feel their perspectives are real valid and respected Preachers have a difficult message to preach a message many will not want to hear new life always emerges from death Cressman shows preachers how to craft sermons with the right tone and how to have the courage to say what you're called to say Part 1 of the book provides the preparatory work needed before crafting those difficult sermon messages Here the focus is on how preachers prepare themselves build relationships of mutual trust with listeners and understand and appropriately use authority and leadership to proclaim the gospel Part 2 focuses on the sermon itself with suggestions on what to say and how to say it The preacher will find new tools and sharpen existing ones to preach difficult messages with empathy compassion and skill

Sermons to the People Augustine of Hippo, 2002-10-15 A superb new translation brings the words of Augustine the preacher stirringly to life When the great Saint Augustine was called from his country home to become Bishop of Hippo in the fourth century his new responsibilities took him away from the solitude of his writing and into the glare of the public eye The author of two of the greatest works of religious literature *Confessions* and *City of God* Augustine became a shepherd to the people inspiring and enlightening them with his sermons His skills as a speaker were as great if not greater than his skills as a writer According to his friend Possidius Those who read what Augustine wrote on the divine topics do get something out of them But those who saw and heard him in person they were the ones who got heaven and Earth *Sermons to the People* collects the homilies on the liturgical seasons of the Church Saint Augustine delivered over the course of his lifetime This Image edition includes the first sermons in that vast collection from Advent Christmas New Year's and the Epiphany Newly translated by William Griffin they address timeless concerns including the problems of materialism and the intellectual difficulties of faith Griffin renders
