

the event that would presage the arrival of Antichrist and the Second Coming. Later he saw apocalyptic movements as a danger to public order and no true impetus to reform. By the early 1400s he found the stars predicting that Antichrist would tarry until a later date (1796!) and that the Council of Constance came at a particularly propitious time for Christians to take their destiny into their own hands and reform the church.

D'Ailly dexterously negotiated dangerous theological issues related to determinism and divine sovereignty by appealing to Thomas Aquinas, who argued that the stars had no control over the soul's freedom but, nonetheless, could influence the body and those swayed by bodily passions. He was less successful in countering the scientific objections to astrology, which had received classic and authoritative expression in Augustine's *City of God*. These had been revived and refined, within d'Ailly's lifetime, by Nicholas Oresme and Henry of Langenstein. Smoller shows that d'Ailly was determined to make facts fit his theory. He claimed, when he could not correlate certain rare conjunctions of planets with major events in human history, that the effects of such astrological conjunctions could gestate for hundreds of years.

We have long known that the road to modernity was not smooth; it is increasingly obvious that neither was it straight. Smoller shows that astrology, for all its premodern sensibility, could encourage greater attention to the natural world as a source of divine revelation alongside Scripture. Instead of fostering fatalism, it could encourage making the best of opportunities. Christopher Columbus gained, by reading a volume of collected works by d'Ailly, the fortuitously incorrect information on the size of the earth that emboldened him to attempt a voyage from Spain to China. Just as significant, he gained from the same book his conviction that he had a divinely given mission to usher in the last days by converting peoples hitherto untouched by the gospel. Aftereffects of d'Ailly's obsessions continue to reverberate.

JOSEPH WILSON TRIGG

Preaching Friars and the Civic Ethos: Siena, 1380-1480. By BERNADETTE PATON. London: Centre for Medieval Studies, Queen Mary and Westfield College, University of London, 1992. 367 pp. £27.50.

Almost two decades ago Lester Little gave impetus to a new direction in medieval historical research when he suggested that "the unique achievements of the friars was their creation of new forms of religious expression for the urban sector of society and those people dominant within it." Since then a number of other important studies have appeared which consider the relationship of the religious ministry of the mendicants to the environment in which it evolved. To that list one must now add this carefully executed book by Bernadette Paton, which is devoted to the social message of the friars in late

Preaching Friars And The Civic Ethos

Frances Andrews, Agata Pincelli

Preaching Friars And The Civic Ethos:

Preaching Friars and the Civic Ethos Bernadette Paton,1992 **Medieval Monastic Preaching** Carolyn Muessig,1998 This book demonstrates that monastic preaching was a diverse activity which included preaching by monks nuns and heretics The study offers a preliminary step in understanding how preaching shaped monastic identity in the Middle Ages **Preaching Friars and the Civic Ethos in a Late Medieval Italian Commune, Siena, 1380-1480** Bernadette Paton,1986 **Preachers and People in the Reformations and Early Modern Period** Larissa Taylor,2021-10-01 Sermons are an invaluable source for our knowledge of religious history and sociology anthropology and the mental landscape of men and women in pre modern Europe of what they were taught and what they practiced But how did an individual process the preached message from the pulpit How exactly do written sermons duplicate the preached Word Do they at all The 11 leading scholars who have contributed to this book do not offer uniform answers or an all encompassing study of preaching in the Reformations and early modern period in Europe They do however provide new insights on Catholic Lutheran and Reformed preaching in Western and Central Europe Part One examines changes in sermon structure style and content in Christian sermons from the thematic sermon typical of the Middle Ages to the wide variety of later preaching styles Catholic preaching after Trent proves not to be monolithic and intolerant but a hybrid of forms past and present applied as needed to particular situations Lutheran homiletic theory is traced from Luther and through Melanchthon the intention of the sermon being to transform the worship service based on exegesis of Scripture In Reformed worship the expository sermon often given on a daily basis with a continuing exegesis was designed to communicate the tenets of the faith in terms that the laity could understand plain style Part Two deals with the social history of preaching in France where preachers often incited their hearers to attack human beings or holy objects or were themselves attacked in Italy where preaching became a collective and home grown product in early modern Germany where the authorities strove for uniformity of preaching practice and the preacher was seen as a moral guardian in Switzerland where leaders from Zwingli on sought to bring religious practice conduct and government in line with biblical teaching and propagated a pastoral vision of preaching in England where after the Reformation preachers became the indispensable agents of salvation but clergy and congregations were often ill prepared for the task in Scandinavia where post Reformation sermons have a clear didactic aim teaching obedience to the authorities and in the Low Countries characterized by its numerous denominations all with their own churches and particular practices in terms of preaching The volume ends with a consideration of the influence of late medieval preaching on the Reformation concluding that the diversity of emphasis on how the practice of penance was preached and received very likely affected the appeal or not of the Lutheran Reformed message in a given country **The Imagery and Politics of Sexual Violence in Early Renaissance Italy** Péter Bokody,2023-01-26 This book is the first comprehensive study of images of rape in Italian painting at the dawn of the Renaissance Drawing on a wide range of

primary sources Peter Bokody examines depictions of sexual violence in religion law medicine literature politics and history writing produced in kingdoms Sicily and Naples and city republics Florence Siena Lucca Bologna and Padua Whilst misogynistic endorsement characterized many of these visual discourses some urban communities condemned rape in their propaganda against tyranny Such representations of rape often link gender and aggression to war abduction sodomy prostitution pregnancy and suicide Bokody also traces how the new naturalism in painting introduced by Giotto increased verisimilitude but also fostered imagery that coupled eroticism and violation Exploring images and texts that have long been overlooked Bokody's study provides new insights at the intersection of gender policy and visual culture with evident relevance to our contemporary condition

Venice's Most Loyal City Stephen D. Bowd, 2010-11-15 This innovative microhistory of a fascinating yet neglected city shows how its loyalty to Venice was tested by military attack economic downturn and demographic collapse Despite these trials Brescia experienced cultural revival and political transformation which Bowd uses to explain state formation in a powerful region of Renaissance Italy

The Cult of St Clare of Assisi in Early Modern Italy Nirit Ben-Aryeh Debby, 2017-07-05 Notwithstanding the wealth of material published about St Clare of Assisi 1193-1253 in the context of medieval scholarship and the wealth of visual material regarding her there is a dearth of published scholarship concerning her cult in the early modern period This work examines the representations of St Clare in the Italian visual tradition from the thirteenth century on but especially between the fifteenth and the mid-seventeenth centuries in the context of mendicant activity Through an examination of such diverse visual images as prints drawings panels sculptures minor arts and frescoes in relation to sermons of Franciscan preachers starting in the thirteenth century but focusing primarily on the later tradition of early modernity the book highlights the cult of women saints and its role in the reform movements of the Osservanza and the Catholic Reformation and in the face of Muslim-Christian encounter of the early modern era Debby's analyses of the preaching of the times and iconographic examination of neglected artistic sources makes the book a significant contribution to research in art history sermon studies gender studies and theology

Preaching Friars and the Civic Ethos in a Late Medieval Italian Commune Siena, 1380-1480 Bernadette Theresa Paton, 1986

Siena Jane Tylus, 2015-05-15 Jane Tylus's *Siena* is a compelling and intimate portrait of this most secretive of cities often overlooked by travelers to Italy Cultural history intellectual memoir travelogue and guidebook it takes the reader on a quest of discovery through the well and not so well traveled roads and alleys of a town both medieval and modern As Tylus leads us through the city she shares her passion for Siena in novelistic prose while never losing sight of the historical complexities that have made Siena one of the most fascinating and beautiful towns in Europe Today Siena can appear on the surface standoffish and old-fashioned especially when compared to its larger flashier cousins Rome and Florence But first impressions wear away as we learn from Tylus that Siena was an innovator among the cities of Italy the first to legislate the building and maintenance of its streets the first to publicly fund its university the first to institute a municipal bank and even

the first to ban automobile traffic from its city center We learn about Siena's great artistic and architectural past hidden behind centuries of painting and rebuilding and about the distinctive characters of its different neighborhoods exemplified in the Palio the highly competitive horserace that takes place twice a year in the city's main piazza and that serves as both a dividing and a uniting force for the Sienese Throughout we are guided by the assured voice of a seasoned scholar with a gift for spinning a good story and an eye for the telling detail whether we are traveling Siena's modern highways exploring its underground tunnels tracking the city's financial history or celebrating giants of painting like Simone Martini or giants of the arena Siena's former Serie A soccer team A practical and engaging guide for tourists and armchair travelers alike Siena is a testament to the powers of community and resilience in a place that is not quite as timeless and serene as it may at first appear

Angels and Earthly Creatures Claire M. Waters, 2013-06-15 Texts by and about preachers from the twelfth to the fourteenth centuries reveal an intense interest in the preacher's human nature and its intersection with his angelic role Far from simply denigrating embodiment or excluding it from consideration these works recognize its centrality to the office of preacher and the ways in which preachers like Christ needed humanness to make their performance of doctrine effective for their audiences At the same time the texts warned of the preacher's susceptibility to the fleshly failings of lust vainglory deception and greed Preaching's problematic juxtaposition of the earthly and the spiritual made images of women preachers real and fictional key to understanding and exploiting the power as well as the dangers of the feminized flesh Addressing the underexamined bodies of the clergy in light of both medieval and modern discussions of female authority and the body of Christ in medieval culture *Angels and Earthly Creatures* reinserts women into the history of preaching and brings together discourses that would have been intertwined in the Middle Ages but are often treated separately by scholars The examination of handbooks for preachers as literary texts also demonstrates their extensive interaction with secular literary traditions explored here with particular reference to Chaucer's *Canterbury Tales* Through a close and insightful reading of a wide variety of texts and figures including Hildegard of Bingen Birgitta of Sweden and Catherine of Siena Waters offers an original examination of the preacher's unique role as an intermediary standing between heaven and earth between God and people participating in and responsible to both sides of that divide

Misera Hispania Rosa Vidal Doval, 2013-12-01 *Fortalitium fidei* is one of the central texts in the controversy surrounding the religious and social status of conversos in fifteenth century Castile This monograph provides a close analysis of the text itself and contextualizes this study through comparison with pro converso texts and with reference to Alonso de Espina's career as an Observant Franciscan After an outline of the development of the converso problem it offers a biography of Espina and a discussion of the context of production of *Fortalitium fidei* There is then a discussion of three works of theology in defence of conversos Alonso de Cartagena's *Defensorium unitatis christianae* Juan de Torquemada's *Tractatus contra madianitas et ismaelitas* and Alonso de Oropesa's *Lumen ad revelationem gentium* The rest of the work is detailed reading of *Fortalitium fidei* with chapters on the image of

the fortress the treatment of Jews and Judaism and of conversos This volume addresses the extent and nature of the debate about conversos the development of models of genealogical exclusion and the role of Espina and his text in the ending of religious plurality in Spain The Saintly Politics of Catherine of Siena F. Thomas Luongo,2018-07-05 Saint Catherine of Siena 1347 1380 has become a defining figure in the history of medieval religion and one of the main exemplars of the feminine turn in late medieval religious culture Despite a hagiographical tradition and historiography that has placed Catherine at a mystic remove from the politics of her day Catherine s public authority was shaped by politics both locally in Siena and broadly within late fourteenth century contests between the papacy and the Republic of Florence for hegemony in central Italy In The Saintly Politics of Catherine of Siena F Thomas Luongo combines literary critical readings of Catherine s letters she was the author of one of the largest collections of medieval letters with political and social analysis Drawing on a wide range of archival sources Luongo investigates how Catherine s spiritual authority and sanctity were linked with contemporary political and cultural developments He shows how the political situation of the church in Italy and a culture that privileged female spirituality and prophetic speech facilitated Catherine s emergence into a public role The Catherine who emerges from Luongo s well written pages is a splendid example of what can result when a historian asks fresh questions about a familiar figure s life and brings new materials and methods to bear in formulating answers The Saintly Politics of Catherine of Siena offers a woman more complex and interesting than the figure portrayed in most contemporary scholarship

Society and Individual in Renaissance Florence William J. Connell,2002-09-10 Essays illustrate the ways Renaissance Florentines expressed or shaped their identities as they interacted with their society **Churchmen and Urban Government in Late Medieval Italy, c.1200-c.1450** Frances Andrews,Agata Pincelli,2013-11-28 Major new study of secular religious boundaries and the role of the clergy in the administration of Italy s late medieval city states *The Challenges of Capitalism for Virtue Ethics and the Common Good* Kleio Akrivou,Alejo José G. Sison,2016-08-26 The evolution of modern capitalist society is increasingly being marked by an undeniable and consistent tension between pure economic and ethical ways of valuing and acting This book is a collaborative and cross disciplinary contribution that challenges the assumptions of capitalist business and society It ultimately reflects on how to restore benevolence collaboration wisdom and various forms of virtuous deliberation amongst all those who take part in the common good drawing inspiration from European history and continental philosophical traditions on virtue Defining Nature's Limits Neil Tarrant,2022-11-18 A look at the history of censorship science and magic from the Middle Ages to the post Reformation era Neil Tarrant challenges conventional thinking by looking at the longer history of censorship considering a five hundred year continuity of goals and methods stretching from the late eleventh century to well into the sixteenth Unlike earlier studies Defining Nature's Limits engages the history of both learned and popular magic Tarrant explains how the church developed a program that sought to codify what was proper belief through confession inquisition and punishment and prosecuted what they considered

superstition or heresy that stretched beyond the boundaries of religion These efforts were continued by the Roman Inquisition established in 1542 Although it was designed primarily to combat Protestantism from the outset the new institution investigated both practitioners of illicit magic and inquiries into natural philosophy delegitimizing certain practices and thus shaping the development of early modern science Describing the dynamics of censorship that continued well into the post Reformation era *Defining Nature's Limits* is revisionist history that will interest scholars of the history of science the history of magic and the history of the church alike Medieval Futures John Anthony Burrow, Ian P. Wei, 2000 Studies of varied ways in which medieval people imagined the future reasons behind such representations and the implications for an understanding of medieval society as a whole *Marriage in Italy, 1300-1650* Trevor Dean, K. J. P. Lowe, 2002-05-09 A collection of essays about marriage and the role of women in Renaissance Italy *Observant Reforms and Cultural Production in Europe* Pietro Delcorno, Bert Roest, 2023-08-09 The impetus of religious reform between ca 1380-1520 which expressed itself in a variety of Observant initiatives in many religious orders all over Europe and also brought forth the *Devotio moderna* movement in the late medieval Low Countries had considerable repercussions for the production of a wide range of religious texts and the embrace of other forms of cultural production scribal activities liturgical innovations art music religious architecture At the same time the very impetus of reform within late medieval religious orders and the wish to return to a more modest religious lifestyle in accordance with monastic and mendicant rules and ultimately with the commands of Christ in the Gospel made it difficult to wholeheartedly embrace the material consequences of learning literary and artistic prowess as the very pursuit of such pursuits ran against basic demands of evangelical poverty and humility This volume explores how this tension was negotiated in various Observant and *Devotio moderna* contexts and how communities connected with these movements instrumentalized various types of writing learning and other forms of cultural expression to further the cause of religious reform defend it against order internal and external criticism to shape recognizable reform identities for themselves and to transform religious life in society as a whole **The Cambridge History of Medieval English Literature** David Wallace, 2002-04-25 This was the first full scale history of medieval English literature for nearly a century Thirty three distinguished contributors offer a collaborative account of literature composed or transmitted in England Wales Ireland and Scotland between the Norman conquest and the death of Henry VIII in 1547 The volume has five sections After the Norman Conquest Writing in the British Isles Institutional Productions After the Black Death and Before the Reformation It provides information on a vast range of literary texts and the conditions of their production and reception which will serve both specialists and general readers and also contains a chronology full bibliography and a detailed index This book offers an extensive and vibrant account of the medieval literatures so drastically reconfigured in Tudor England It will thus prove essential reading for scholars of the Renaissance as well as medievalists and for historians as well as literary specialists

Preaching Friars And The Civic Ethos Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Preaching Friars And The Civic Ethos free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Preaching Friars And The Civic Ethos free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Preaching Friars And The Civic Ethos free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Preaching Friars And The Civic Ethos. In conclusion,

the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Preaching Friars And The Civic Ethos any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Preaching Friars And The Civic Ethos Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Preaching Friars And The Civic Ethos is one of the best book in our library for free trial. We provide copy of Preaching Friars And The Civic Ethos in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Preaching Friars And The Civic Ethos. Where to download Preaching Friars And The Civic Ethos online for free? Are you looking for Preaching Friars And The Civic Ethos PDF? This is definitely going to save you time and cash in something you should think about.
