Preaching Moment:

The Preaching Moment Charles L. Bartow, 1980 In a balanced blending of the practical the theoretical and the theological Charles L Bartow explores the basic techniques of preaching **A Theology of Preaching and Dialectic** Aaron P. Edwards, 2018-07-12 How does the preacher know what God might say now based upon the many things God said then Preachers and theologians throughout Christian history have grappled with Scripture s diverse emphases alongside the urgent task of declaring the authoritative Word of God in the contemporary pulpit Aaron Edwards offers a new way of engaging with this problem by exploring the theological relationship between biblical dialectics and heraldic proclamation Edwards highlights the theological necessity of dialectical variety without forfeiting assertiveness in the prophetic moment of preaching A vast array of key voices from the theological tradition are drawn upon including Augustine Aquinas Eckhart Luther Calvin Hegel Kierkegaard Chesterton Barth Bultmann Tillich Ebeling and others to navigate the connection between Scriptural unity clarity and paradoxical plurivocality leading to a nuanced account of dialectic Applying this to the homiletically neglected concept of heraldic confidence in preaching Edwards examines the theological possibility of preaching in light of dialectical complexity via its prophetic dimension He shows how the uniquely revelatory relationship of Word and Spirit enables Scriptural illumination prophetic discernment and dialectical decisiveness in the momentary encounter which undergirds all Christian proclamation **On Preaching** H B Charles Jr, 2014-04-15 Preaching Magazine s 2015 Book of the Year On Preaching is a masterful resource that will refresh your soul and revitalize your preaching ministry Drawing upon Scripture and years of experience as a preacher H B Charles offers a practical resource for pastors seminarians church planters and Bible teachers that is full of energy and wonderfully enjoyable He gives tips like Avoid indecent exposure get your wife s permission before using your family in the message and Illustrate A good illustration is like a window on a house It helps your listeners see in or out Written in a very clear and concise manner this resource is formatted into 30 short chapters that can easily be read as a devotional On Preaching will encourage seasoned preachers to dig deeper into the basics as they pause and reflect on the effectiveness of their ministry It will also serve as a spring board for those who are just beginning a preaching ministry Delivering the Sermon Teresa L. Fry Brown, 2008-10-01 In Delivering the Sermon Teresa Fry Brown introduces preachers to the effective use of voice and body in the animation of the word in the preaching moment Combining the latest research in communications speech pathology and homiletics with her own experience as a speech language pathologist Fry Brown creatively empowers preachers to improve their effectiveness in proclamation Practical suggestions and exercises for enhancing voice diction and nonverbal engagement of the listener useable by groups or individuals are included in each chapter **What's Right with Preaching Today?** Mike Graves, Andre Resner, 2021-03-09 In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in Harpers Magazine What s the Matter with Preaching Today he did not know that one response to that question had just

entered the world in Humboldt Tennessee Fred B Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive often called the preaching as storytelling revolution and in so doing brought renewed interest and impact to the practice of preaching effectively rescuing it from an often tedious and moralizing fate With Fred preaching was anything but boring Rather it was an exciting and enlightening ride that led to the renewal of faith To honor Craddock s legacy Mike Graves and Andr Resner invited ten leading voices in homiletics to identify something that is right about preaching today In addition they issued a call to a wide variety of people to contribute stories about Fred s impact on their lives and ministries Twenty seven remembrances of Fred are included here throughout the book If you appreciate effective and engaging preaching as either a preacher or listener the essays and remembrances here will speak to you and provide encouragement about preaching s present and future With contributions from Ronald J Allen Barbara K Lundblad Alyce McKenzie Debra J Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni Wilhelm Paul Scott Wilson

Hardin, 2020-03-17 A collection of provocative inspiring and thoughtful essays about the place of politics in the pulpit This book is the first collection of essays to explore the question is there room for politics from the pulpit In response to an increasingly polarized society preachers grapple with the call to witness a unifying Truth in a world where truth appears subjective While many congregations respond positively to social and political themes in sermons others do not Episcopalians in the conservative minority may be uncomfortable with political themed preaching while liberal Episcopalians demand a political message from the pulpit What is a preacher to do when the Episcopal Church is no more immune to the temptation of polarization than the secular world Contributors to this volume serve in a variety of contexts and bring with them their own distinct styles and visions Anyone with an interest in the practical implications addressing the current political climate from the pulpit will find these essays provocative inspiring and thoughtful Contributors Samuel G Chandler Sarah T Condon Alex Dyer Crystal J Hardin Ruthanna Hooke Mark Jefferson Russell J Levenson Jr Ian Markham Phoebe Roaf Stephanie Spellers Samuel Wells
