Preaching The Epistles:

Preaching the Epistles Raymond F. Collins, 1996 Most Sunday homilists have shied away from preaching the epistles because Paul seems too difficult for them Raymond Collins explores the reasons for this lack of familiarity and the reluctance to use the New Testament epistles as topics for the Sunday homily He shows us just how important it is for the richness of the epistles to be incorporated into the Sunday sermon Using the Sunday Lectionary as a basis Preaching the Epistles unlocks the richness in the epistles of Paul James and John Peter and Jude and the book of Revelation Collins shows us how to present these scriptures in a meaningful and challenging way for people today by offering reflections and practical suggestions on sharing God's word within their communities BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Apostolic Preaching Considered in an Examination of St. Paul's Epistles* John Bird Sumner, 1830 **Apostolic Preaching Considered** John Bird Sumner, 1826 **Apostolic Preaching considered, in an examination of St. Paul's Epistles. Epistles Walter John TROWER (successively Bishop of Glasgow and Galloway, and of Gibraltar.),1852 **Preaching the Pastoral Epistles** Robert W. Wall,2024 Since the second century 1 2 Timothy and Titus often referred to as the Pastoral Epistles have been read and practiced together to help order a Christian congregation s life and mission These three letters were likely recognized early on as divinely inspired scripture and were added to the Pauline collection to help train the spiritual leaders of earliest Christianity However they are rarely taught in most congregations and seminaries today Admittedly the genre of these letters paraenesis is hard to preach The primary reason for their neglect however is modern criticism s silencing of them because most scholars think they were not written by Paul and are not aligned with either his gospel or mission Moreover they include instructions that are widely received today as out of sync with our modern social worlds This Proclamation Commentary on these Pauline letters presumes both their apostolic authority as divinely inspired and human inspiring scripture and their contemporary relevance in encouraging clergy and teachers to reimagine their roles as ministers of the gospel and spiritual leaders for today s global church **Exploring the Pastoral Epistles** John Phillips,2003-04 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine *The Epistles of Paul to the Philippians and to Philemon* Jac J. Muller,1955 This trusted commentary by Jac J M ller provides careful expositions of Philippians and Philemon that are characterized by a desire to balance the requirements of exacting scholarship and the need to relate Scripture to personal faith In treating insightfully and comprehensively these Pauline epistles M ller first provides essential historical and critical background to each text including its date and place of origin its occasion and purpose and its style structure and general themes The commentaries themselves then proceed through the texts section by section making clear Paul s message both to his original audiences and to readers today Long included in the widely acclaimed New International Commentary on the New Testament series and now available as an independent work this volume continues to hold extraordinary value for scholars pastors students and general readers alike This is a painstaking and helpful commentary The British Weekly Jac J M ller was professor of New Testament at the University of Stellenbosch South Africa His other books explored themes in New Testament studies and church ministry Love Letters Helen M. Moss,2015-08-29 What is a Love Letter Merriam Webster s online dictionary defines love as an unselfish loyal and benevolent concern for the good of another as 1 the fatherly concern of God for humankind 2 brotherly concern for others b a person s adoration of God Love Letters Paul s Epistles and Ministry to the Early Church is the epitome of this type of love For Paul s letters to the early church illuminated his love for God manifested in the life death and resurrection of Jesus Christ as well as his true affection for the Jews and Gentiles who were establishing the early Bodies of Christ the church This book chronicles the Apostle Paul s missionary journeys through the Roman Empire teaching and preaching the Gospel of Jesus Christ to both Jewish Christians and Gentiles The epistles letters written to the early churches served several purposes They contained heartfelt greetings praise thanksgiving words of

encouragement and when necessary chastisements But more importantly the Love Letters conveyed the unconditional love of Jesus Christ for the believer The epistles to the early churches also helped to form doctrine church order conduct and traditions plus accepted leadership qualities along with responsibilities The tone of the letters was infused with Paul's genuine benevolent concern for and loyalty to the early Christians establishing churches in a hostile environment Love Letters Paul's Epistles and Ministry to the Early Church while serving as an examination of the early church and its formation it also can be a template for the church today as it meets the challenges of the contemporary world The Pastoral Epistles with Philemon & Jude Risto Saarinen, 2008-10 Pastors and leaders of the classical church such as Augustine Calvin Luther and Wesley interpreted the Bible theologically believing Scripture as a whole witnessed to the gospel of Jesus Christ Modern interpreters of the Bible questioned this premise But in recent decades a critical mass of theologians and biblical scholars has begun to reassert the priority of a theological reading of Scripture The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret Scripture for the twenty first century just as the church fathers the Reformers and other orthodox Christians did for their times and places This addition to the Brazos Theological Commentary on the Bible offers a new interpretation of the theology and the narrative context of 1st and 2nd Timothy Titus Philemon and Jude Risto Saarinen makes three unique claims 1 the Pastoral Epistles need to be understood in terms of character formation and diagnostic language 2 the treatment of gifts and giving is a prominent feature of the epistles and 3 a theological exegesis of these books results in a new view regarding the nature of doctrine This commentary like each in the series is designed to serve the church through aid in preaching teaching study groups and so forth and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible Commentary on the Epistles of Paul the Apostle to the Corinthians Jean Calvin, 1849 **The Moody Handbook of Preaching** John Koessler, 2008-05-01 Unnatural Supernatural A gift Hard work Exhilarating Terrifying These words only begin to describe the challenge and reward each pastor experiences A rich resource The Moody Handbook of Preaching encompasses the philosophy formation and delivery of preaching Whether you're a seminary student or a seasoned pastor this book will prove invaluable in your call by God to preach

Commentaries on the Epistles of Paul to the Galatians and Ephesians Jean Calvin, 1854 The Eternal Epistle Lutheran Librarian, Simon Peter Long, 2019-09-26 Simon Peter Long writes My dear friends just notice how a man lives after his death if he is true to his God I am satisfied if the Apostle Peter were living today he would have reported every sermon that he preached and he would preach in such a way that he would not need to be ashamed of his sermons Every minister of the Gospel should so preach that he need never be ashamed of the words he has spoken Do you suppose that if I were ashamed of my sermons I would have them put in cold print to speak long after I am dead A man has no business to preach from the pulpit what he cannot back up and when he can back it up as the truth he ought to be willing to have it go in cold print and stand for thousands of years after his voice is silent Simon Peter Long 1860-1929 studied at Capital University and

the Evangelical Lutheran Theological Seminary in Columbus and at the Lutheran Theological Seminary at Philadelphia He was a student of Matthias Loy Rev Long served as a pastor from 1886 to 1929 as President of Lima College from 1898 1903 and as Professor and President in the Chicago Lutheran Bible School His sermons are among the treasures of the Church The Lutheran Library Publishing Ministry finds restores and republishes good readable books from Lutheran authors and those of other sound Christian traditions All titles are available at little to no cost in proofread and freshly typeset editions Many free ebooks are available at our website LutheranLibrary.org Please enjoy this book and let others know about this completely volunteer service to God's people May the Lord bless you and bring you peace *Handbook of Contemporary Preaching, 2nd Edition* Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching
