Preaching The Topical Sermon:

Topical Preaching in a Complex World Sam Chan, Malcolm Gill, 2021-12-07 Be Equipped to Prepare and Deliver Engaging Biblical and Effective Topical Sermons Sooner or later every preacher will come upon a situation where they need to preach a topical sermon Yet few are taught to preach topically Even preachers who are gifted in expositing the Scriptures may struggle to deliver a topical sermon that is engaging culturally relevant and true to the biblical text Worse many pastors worry these messages undermine confidence in the Bible or its authority leading to a human centered rather than a God focused sermon But that doesn't have to be the case In *Topical Preaching in a Complex World* Sam Chan and Malcolm Gill answer these objections and chart a path for how preachers can deliver faithful and effective topical messages First they address the biblical theological and cultural reasons pastors should add topical sermons to their preaching repertoire Then they introduce a straightforward four fold approach for preaching a topical message and answer important questions like these How do you approach a topic with the proper interpretative lens How can you speak to two or more audiences with the same sermon What should you consider theologically culturally and pastorally in your preparation How do you trace the topic back to Christ How can you better connect with your audience Best of all they help readers craft a message that says something people truly need and want to hear Filled with wit humor and wisdom from decades of preaching this book will equip preachers pastors ministry leaders and students to preach relevant biblical and engaging topical sermons Author Sam Chan says Just over a decade ago I was asked by an organization to speak at their end of year dinner They wanted me to address the topic of being a Christian single but I had no idea how to prepare and deliver a topical talk When the night arrived I preached an old three point expository sermon and merely changed the ending to include some application on singleness At best I got some polite comments afterwards At worst people's looks indicated that my biblical talk had little relevance for them They could not have been less fooled by my disingenuous workaround I went home vowing never to repeat that poor performance I felt like the unfaithful servant who had not adequately used what talents had been given to him As a result I have dedicated the last decade of my preaching ministry to overcoming and mastering the art of topical preaching This book is a product of that journey

Kent Edwards,2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming 52 Topical Sermons Barry L. Davis,2013-12 For most of us one of the most rewarding yet difficult tasks is preparing messages to preach and teach We are honored by God to stand before our congregations each week and we want to give them the very best but with the press of the many commitments of ministry sometimes that is difficult And if you re like me you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written In other words no one knows your people like you do But what if you could start with a prepared outline complete with solidly Scriptural points and a contemporary attention getting illustration and then add your own details and emphasis to it Would that help I think it would In fact I know it would Our Pulpit Outline Series features the following Each Volume contains 52 Sermons giving you a years worth of messages Each Sermon includes a relevant illustration you can use however you like Each of these outlines could easily be broken up into series of their own We are so honored that you re considering investing in this volume in the Pulpit Outline series 52 Topical Sermons Volume 1 there will be more to come May God Bless You as You Share His Word **Creative Styles of Preaching** Mark Barger Elliott,2000-01-01 Elliott describes several different styles of contemporary preaching A discussion about each style such as narrative evangelistic African American and topical is followed by two example sermons from such preachers as Tony Campolo Barbara Brown Taylor Sam Proctor Fred Craddock and William Willimon *The Preacher and His Preaching* J. Purple Zone Leah D. Schade, 2019-04-23 Preaching in the Purple Zone is a resource for helping the church understand the challenges facing parish pastors while encouraging and equipping preachers to address the vital justice issues of our time. This book provides practical instruction for navigating the hazards of prophetic preaching with tested strategies and prudent tactics grounded in biblical and theological foundations. Key to this endeavor is using a method of civil discourse called deliberative dialogue for finding common values among politically diverse parishioners. Unique to this book is instruction on using the sermon dialogue sermon process developed by the author that expands the pastor's level of engagement on justice issues with parishioners beyond the single sermon. This book equips clergy to help their congregations respectfully engage in deliberation about hot topics, find the values that bind them together, and respond faithfully to God's Word. **Thematic Preaching** David C. Green, 2013-06 Thematic Preaching is a system of homiletics that emphasizes developing a sermon around its theme. It uses a specific method and scientific approach to do so while stressing such principles as parallelism, simplicity, consistency, logic, and coherence. Its goal is to either create with respect to a topical sermon or ascertain with respect to textual and expository sermons the proper theme that is then steadfastly adhered to in each and every point of the sermon body. Its goal is to instruct the reader how to formulate an outline that is coherent, well organized, and that possesses purpose. Thematic Preaching is not an exhaustive treatise on all aspects of sermon preparation but concentrates instead on the primary goal of creating sermon outlines. It does, however, cover such important topics as the spiritual dynamic as well as the introduction and conclusion of a message. This author trusts that after the reader has studied Thematic Preaching that he will be equipped to deliver purposeful biblical messages that bring honor and glory to our Lord and Savior Jesus Christ. Lastly, this author takes no credit in formulating this system of homiletics but is simply rehearsing what he has been taught at the Practical Bible Training School, now Davis College. He is deeply indebted to that school and those men who passed their wisdom and experience down to him. *Thirty-Minute Sermons* Caleb Nathanael McIntosh, 2013-04-29 This book is birthed out of a desire to meet the need of the 21st-century pastor and church leader. He or she has such an intense demand on their time and attention. 24/7 This book is for you. It is designed to help you put your thoughts together around a theme and share God's word with your congregation and still keep all your various commitments in your busy lifestyle. The greater part of this book is a collection of sermons that I have preached for over three decades. This is the time that I have been in active ministry in the Lord's Church to date. Some of the sermons you may recognize; you or a family member may have been in the audience on those occasions, or you may have seen me on television. **That'll Preach!** Charley Reeb, 2017-05-02 Experienced preacher, teacher, and author Charley Reeb gives readers a 5-step plan for writing and delivering a sermon that can transform lives for Christ.
