Brueggemann, 2016-09-01 The Bible is rich with complex and diverse material on the topic of money and possessions Indeed a close look at many scriptural texts reveals that economics is a core preoccupation of the biblical tradition In this new work highly regarded preacher and scholar Walter Brueggemann explores the recurring theme of money and possessions in the Old and New Testaments He proposes six theses concerning money and possessions in the Bible observing their contradictory nature to the conventional wisdom and practice of both the ancient world and today's society Brueggemann

*Preaching the Scriptures* Joel K. T. Biwul, 2018-01-31. The African church needs preachers who preach the Scriptures to bring people to Christ and nurture them in the faith. Yet many are failing at this task. Some use their sermons to promote themselves rather than Christ, while others do not know how to preach from the Scriptures. In *Preaching the Scriptures*, Dr. Joel Biwul addresses these problems. Using African stories and illustrations, he clearly sets out the process of preparing and delivering a sermon that is rooted in the Scriptures. He also provides sample sermons and outlines that will help preachers apply these principles in their own preaching preparation. *Monthly Bulletin, New Series*. St. Louis Public Library, 1909.
