Preaching Through the Christian Year ,1971 *Preaching and Paul's Letter to the Romans* Ronald J. Allen,2025-07-10

Ronald J Allen argues that the apostle Paul wrote his letter to the Romans to address specifically the gentiles in the congregation in Rome Allen suggests that this was because the gentiles exhibited arrogant behavior towards Jewish members of the community thereby undermining a primary facet of the early church to witness to the community of love and mutual support that God seeks for all Allen shows readers how Paul points the gentiles to the faithfulness of God who invites them to

recognize and live according to the grace of God shown to them through Jesus Christ In this pastorally engaged work Allen not only provides historical commentary on Romans but also helps preachers and scholars make connections between arrogance and its destructiveness in communities today as well as inviting congregations to participate in the grace that makes possible a loving and mutually respectful community      **Preaching with Power** Michael Duduit, 2006-07-01 For twenty years Preaching magazine has observed encouraged and reported on the state of Christian proclamation Among the most important and popular features of the publication are the personal interviews with outstanding preachers and influencers of preaching Preaching with Power combines the best of the most recent interviews to build a resource that imparts valuable insight from many gifted communicators Editor Michael Duduit has skillfully combined interviews with such luminaries as Bryan Chapell T D Jakes Haddon Robinson Rick Warren and more Each tells his own story in his own words speaking about his passion to preach God s truth Better than any volume currently available this collection captures the rich diversity and power of preaching in America      **The Living Church** , 1995
