Preaching To Skeptics And Seekers:

Preaching to Skeptics and Seekers Frank G. Honeycutt, 2001 Offering the reader helpful guidance in how to craft a sermon so that seekers might best grasp its message he also reminds them that the work of transforming human hearts is finally God's business and that when God's word is spread abroad it will not return empty **BOOK JACKET** *The Sermon Maker* Calvin Miller, 2009-09-01 Three contemporary humorous parables of a preacher who struggles with his need to change Sam the preacher wonders what has gone wrong with his sermons Are people still listening Well known storyteller and communications professor Calvin Miller combines his fiction writing with his insight into preaching to address the changes faced by today's preachers especially the fact that contemporary congregations have shifted to a different way of listening How can Sam recover his passion for preaching In this short entertaining story driven book church leaders will see honest reflections of themselves But the narrative humor also provides a clever way to stimulate thought and discussion on how preachers and preaching are changing Some places in the story will lead to laughter others will cause readers to pause and reflect But whatever the reaction *The Sermon Maker* leaves the reader encouraged and changed Extensive commentary on the stories provides insight from the author into the best ways to communicate Just as the story in the tremendously popular *Who Moved My Cheese* impacted readers in the business world who were facing change so this book is designed as a quick but stimulating story for any church leader who preaches or is concerned about the state of preaching today

Miller Professor of Preaching and New Testament Christian Theological Seminary **Pulpit Apologist** Thomas J. Gentry II, 2020-01-14 Do preaching and apologetics go together If so why and how In a post everything age where doubt is enshrined as a hallmark of truth and any claims to truth are highly suspect how is a preacher to reach those with questions about the reliability of the Bible the goodness of God or the resurrection of Jesus These questions and more are answered here and a practical workable method is provided for preachers who seek to bring together the pulpit and apologetics for both evangelism and discipleship Ways of the Word Sally A. Brown, Luke A. Powery, 2016-05-19 Preaching and the discipline of preaching is at a crossroads The changing realities of church and theological education the diversity of our classrooms and our increasingly complex community contexts leave us in search of tools to help train a rising generation of preachers for a future whose contours are far from clear The questions are immense How to support preachers in contexts that are diverse religiously culturally and ethnically both inside and outside the church How to help students take varied contexts seriously as they are formed as leaders In Ways of the Word a dynamic team of master preachers brings much needed help Different in race gender age and tradition both Sally A Brown and Luke A Powery speak with one voice their belief that preaching is Spirit empowered event an embodied vocalized actively received here and now witness to the ongoing work of God in the world They aspire to help students and preachers alike to reflect on a journey of learning by doing They aim to help preachers to become more attuned to the Spirit more adept in preaching s component skills and more self aware about all that is at stake in proclaiming the redemptive work of God in specific contexts **Leadership Handbook of Preaching and Worship** James D. Berkley, 1997-08-01 This is what pastors reach for when planning worship services including baptisms weddings funerals and the Lord s Supper Over 200 articles by well known ministry leaders That'll Preach! College Chaplain: Stephen L. Fields, 2023-03-16 In an age divided and skeptical when the true Christian story is often unknown or deeply misunderstood how do we even begin to share the news of Jesus And how might preaching in a local church both equip God s people for their missional task and speak in a way that a weary world can hear and even rejoice in The answer begins with seeing the Bible as a document developed in a missionary context for a missionary purpose This book starts there It begins by examining the Bible as a document of mission that needs to be interpreted through a missional lens It then moves to offer a mission shaped vision for preaching and the needed tools for contextualizing the gospel in our post Christendom setting You ll find short accessible chapters with personal reflection questions as well as three group discussion sections ideal for either a classroom setting a preaching team in a local church or a preacher s guild **Death by Baptism** Frank G. Honeycutt, 2021-08-24 Our days are filled with a variety of known and lurking fears Christians who name Jesus as Lord on Sundays are inundated with stories real and imagined inducing fear and caution throughout the week random violence health concerns the perceived threat of people different from us and economic worries to name a few News sources

and national political leaders manipulate these fears in a fashion that threatens and sometimes usurps the church's ultimate trust in Christ. A pastoral assumption at the core of this national anxiety is the looming fear of death spawning various supplemental protections that have little to do with the promises of Christ. This fear of death and the false promises claiming to shield us from such may prompt us to nudge the One we call Lord to the margins of daily life or even solely to the afterlife, a savior we'll all meet in heaven one day but whose quaint teachings have little to do with problems we're now facing. In this book, gifted storyteller Frank G. Honeycutt calls on his many years of pastoral experience to examine one of the most stunning and overlooked theological claims of the New Testament: how baptism radically unites followers of Christ in his death and resurrection. In baptism, we have already died. Romans 6: Disciples commence life in the kingdom on this side of the grave. Believing this with theological rigor and trust relieves personal and corporate anxiety about any day in the future when a believer stops breathing.

Letters to a Young Pastor Calvin Miller, 2011-09-01 Much has changed over Calvin Miller's decades of pastoral ministry, but he believes two things remain the same: God is love and people are broken. Now God is calling young pastors to stand in that gap. And in this honest, warm, and humorous series of letters, Miller shares his wisdom and experience so you can flourish in your future ministry without ever wanting to resign on Monday.

Ministry in the New Marriage Culture Jeff Iorg, 2015-10-01 Same-sex marriage is here. So what do pastors and church leaders do now? Churches are now faced with ministry dilemmas unknown to any previous generation. Hoping the problem goes away isn't a reasonable strategy. Christians must answer difficult questions about ministering both to couples in same-sex marriages and all the people impacted by those unions. Jeff Iorg, a seminary president and experienced pastor, has assembled some of the leading voices on a range of topics from children's ministry to preaching to legal issues in the new marriage culture. Readers will be equipped, perhaps for the first time, with practical answers to some of these complex
