Evangelism in a Skeptical World Sam Chan, 2018-03-13 Many of the old methods of evangelism no longer work effectively today We need new methods to communicate the timeless message of the gospel in culturally relevant ways In a post Christian post church post reached world most Christians have been poorly equipped to tell their friends about Jesus Dr Chan combines the theological and biblical insights of classic evangelistic training with his own and hard won insights from missiology on contextualization cultural hermeneutics and storytelling Every chapter is illustrated with real world examples drawn from over fifteen years of evangelistic ministry across the globe These are methods that really work with university students urban workers and professionals getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ Field tested and filled with unique fresh and creative insights this book will equip you to share the gospel in today's world and help as many people as possible hear the good news about Jesus

**Relational Evangelism** Kofi Peter Effa, 2021-08-23 For God so love the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life John 3:16 How then can they call on the one they have not believed in And how can they believe in the one of whom they have not heard And how can they hear without someone preaching to them or sharing their faith Romans 10:14 Relational evangelism therefore focuses on cultivating and building relationships with non Christians and unbelieving neighbors with the intent of winning them to Christ Different types of evangelistic methods have been used in past generations However in today's culture of individualism and isolationism relational evangelism provides the best approach to bring people to Christ The truth of the matter is that people normally pay no attention to strangers however they open up once they become comfortable with you through a relationship that has developed over time The clock is fast ticking Christ Jesus is on his way Soldiers of Christ let's get the world saved and be ready for him appearing

**Concentric Circles of Concern** Carolyn T. Ritzman, W. Oscar Thompson, 1999-09-01 In this stylish re issue of W Oscar Thompson's classic book on evangelism Thompson shows Christians how to spread the love and good news of Christ by building and repairing personal relationships Too often the only kind of evangelism encouraged is the preaching to strangers anonymous crowds and foreign countries This book hits readers where they live teaching them that the most effective way to witness is through a simple plan of meeting the needs of close family first then friends and then all others Published posthumously this book is a living testament of the brilliance of Oscar Thompson and his innovative method It will be a perfect

guide to lifestyle evangelism for church study groups conferences and the classroom      **The Word on the Street: How to Share The Gospel In The Open Air** Ray Comfort,2020-10 In the midst of a godless culture Paul did what was necessary to reach the masses with the message of everlasting life he reasoned about Jesus in the marketplace daily with those who happened to be there Acts 17 17 and he found a hill to preach on We too are living in the midst of a godless society and those in the streets desperately need to hear God s Word If we are serious about reaching this dying world let us emulate Jesus and the apostles and preach where sinners gather In thirty minutes a good open air preacher can reach more unsaved people than the average church does in a year If you re ready for something more exhilarating than skydiving arguably more scary and infinitely more productive try preaching the gospel in public For nearly fifty years Ray Comfort has preached the gospel in the open air and witnessed one to one to thousands During those years he has learned certain biblical principles that make reaching the lost so much easier In this publication you will find everything he learned and everything you need to know Who should do it Where should you go How do you get started What do you say With this helpful guide you too can follow in the footsteps of the Savior and preach the Word on the street There is no higher calling      Relational Evangelism Dr. Kofi Peter Effa,2021-11-19 For God so love the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life John 3 16 How then can they call on the one they have not believed in And how can they believe in the one of whom they have not heard And how can they hear without someone preaching to them or sharing their faith Romans 10 14 Relational evangelism therefore focuses on cultivating and building relationships with non Christians and unbelieving neighbors with the intent of winning them to Christ Different types of evangelistic methods have been used in past generations However in today s culture of individualism and isolationism relational evangelism provides the best approach to bring people to Christ The truth of the matter is that people normally pay no attention to strangers however they open up once they become comfortable with you through a relationship that has developed over time The clock is fast ticking Christ Jesus is on his way Soldiers of Christ let s get the world saved and be ready for him appearing      *The Simplicity of Sharing the Gospel* Daniel Kolenda,2021-06-23 Fear comes in many forms fear of the unknown fear of man fear of failure fear of rejection and fear of confrontation to name a few Fears like these imprison and silence too many Christians It seems we have subconsciously allowed fear to masquerade as a legitimate reason for silence But Jesus rejects this excuse His parable of the talents explains how one servant actually buried his talent because of fear Matt 25 14 30 When the master returned he rebuked him severely calling him wicked and lazy We must overcome our fears to share the gospel So the next question is how To answer that here are four principles for overcoming fear followed by five tips for communicating the gospel Putting these points to practice will make us fearless and effective soul winners      Our Witness to the World Tony Evans,2020-02-04 Concise Wisdom from a Pastoral Veteran The Kingdom Pastor s Library is a new series that brings you a succinct complete pastoral philosophy and training from Tony Evans Our Witness to the World teaches you how to equip every member of your

church to go out into their neighborhoods for effective outreach It also demonstrates how important social impact is for spreading the gospel Faithful Powerful Practical Become a Kingdom Pastor Today      **Evangelism as Exiles** Elliot Clark,2019-04 Suffering and exclusion are normal in a believer s life At least they should be This was certainly Jesus s experience And it s the experience of countless Christians around the world today No matter your social location or set of experiences the biblical letter of 1 Peter wants to redefine your expectations and reinvigorate your hope Drawing on years of ministry in a Muslim majority nation Elliot Clark guides us through Peter s letter with striking insights for today Whether we re in positions of power or weakness influence or marginalization all of us are called to live and witness as exiles in a world that s not our home This is our job description This is our mission This is our opportunity A church in exile doesn t have to be a church in retreat      **Tell Someone** Greg Laurie,2016-02-01 Understand this book is not written to make you feel bad or condemn you if you have not engaged others with the gospel message This book is written to encourage and inspire you Even though pastor and author Greg Laurie is a gospel presenting professional in this book he tells stories of his own failure and success The most important things you will find here are biblical principles that you can apply yourself Taken from the life and witness of Jesus and tested over Greg s forty years of ministry in both one on one experiences and large scale evangelistic arena and stadium events these ideas are intended to mobilize every person in the church to Tell Someone about Jesus Christ      **Evangelistic Preaching** Ozora Stearns Davis,1921      Rising Up to Preach the Gospel Witness Lee,2003-11

**Preaching the Gospel in the Way of Life** Witness Lee,2002      **Influencing Your World for Christ** Matthew Robert Payne,2017-10-05 The mention of the word evangelism can produce any number of responses from people Many Christians know that they should be sharing Jesus with their friends and family members but fear of rejection stops them Other factors also keep them from sharing One of the most common reasons that people don t win their friends to Christ is not so much fear as the fact that they don t know how to evangelize people However you can influence your world for Christ without overwhelming your friends without embarrassing yourself or without even being rejected One day I sat down and decided to record this book on video so that people could see how I live my life and how I influence those that come in contact with me This process is not scary and you won t be rejected if you live out the keys in this book Instead the contents will actually free you up to be who you are with everyone that you know Gone will be the masks that you wear for some people as they get to know the authentic Christian that you are I am no theologian and have never had formal training at a school yet I have shared my personal faith in Jesus with thousands of people as well as shared personal messages from Jesus with many people through prophetic evangelism If you want to learn how to influence your world with the message of the Gospel with confidence take a look inside Your world and the lives of those around you will be impacted for God s glory and the Kingdom
