Preaching With Relevance:

Preaching with Relevance Keith Willhite, Clear communication of the relevance of the biblical text to contemporary culture is the responsibility of the pastor Keith Willhite offers strategies for exegetically solid and culturally apt sermon preparation **Unleashing the Word** Adam Hamilton, 2011-12-01 Imagine announcing a new series of sermons and seeing worship attendance increase by 1 000 people on the first Sunday of the new series Or consider a pastor developing sermon plans two to three years out What kind of pastor sits in a bar with a notepad just looking for ideas for sermons Or has as his aim to preach the best prepared best researched sermons his congregation has ever heard All of these and more explain part of the reason the United Methodist Church of the Resurrection has grown from four people to over 10 000 in just thirteen years In *Unleashing the Word* Adam Hamilton helps pastors and church leaders consider the purpose planning and execution of excellent preaching He offers detailed descriptions of the sermon planning writing and preaching process behind one of the fastest growing churches in the United States He includes numerous personal anecdotes and enough sermon ideas to keep the average pastor busy for years Finally after you have read how sermons are planned and prepared at the Church of the Resurrection you can watch the included DVD which features four full length sermons and other resources to help you apply what you ve read in the book If you only buy one book on preaching this year this is the book you must buy

Preaching with Relevance in the Twenty-First Century Church Paul A. Hylton, 2011-09-02 Phillips Brooks said Preaching is the communication of truth by man to men It has in it two essential elements truth and personality This book challenges the preacher of the gospel to seek to develop his or her preaching skills while understanding the nature of the audience It is not a textbook on preaching but a practical guide to effective preaching **Preaching to a Post-Everything World** Zack Eswine, 2008-04-01 Zack Eswine starts this unique pastoral resource with a captivating question Could I now reach who I once was Challenging the idea that today s preachers must do away with biblical or expository preaching if they are to reach non Christian people Eswine offers a way of preaching that embraces biblical exposition in missional terms Recognizing all of the different cultural situations in which the gospel must be preached he gives preachers practical advice on preaching in a global context while remaining faithful to the Bible Pastors seminarians and church and ministry leaders who speak in various contexts will welcome this fresh thoughtful examination of bringing the Word to today s multi everything post everything world *Topical Preaching in a Complex World* Sam Chan, Malcolm Gill, 2021-12-07 Be Equipped to Prepare and Deliver Engaging Biblical and Effective Topical Sermons Sooner or later every preacher will come upon a situation where they need to preach a topical sermon Yet few are taught to preach topically Even preachers who are gifted in expositing the Scriptures may struggle to deliver a topical sermon that is engaging culturally relevant and true to the biblical text Worse many pastors worry these messages undermine confidence in the Bible or its authority leading to a human centered rather than a God focused sermon But that doesn t have to be the case In *Topical Preaching in a Complex World* Sam Chan and

Malcolm Gill answer these objections and chart a path for how preachers can deliver faithful and effective topical messages. First they address the biblical theological and cultural reasons pastors should add topical sermons to their preaching repertoire. Then they introduce a straightforward four fold approach for preaching a topical message and answer important questions like these: How do you approach a topic with the proper interpretative lens? How can you speak to two or more audiences with the same sermon? What should you consider theologically, culturally and pastorally in your preparation? How do you trace the topic back to Christ? How can you better connect with your audience? Best of all they help readers craft a message that says something people truly need and want to hear. Filled with wit, humor and wisdom from decades of preaching, this book will equip preachers, pastors, ministry leaders and students to preach relevant biblical and engaging topical sermons. Author Sam Chan says: Just over a decade ago I was asked by an organization to speak at their end of year dinner. They wanted me to address the topic of being a Christian single but I had no idea how to prepare and deliver a topical talk. When the night arrived I preached an old three point expository sermon and merely changed the ending to include some application on singleness. At best I got some polite comments afterwards. At worst people's looks indicated that my biblical talk had little relevance for them. They could not have been less fooled by my disingenuous workaround. I went home vowing never to repeat that poor performance. I felt like the unfaithful servant who had not adequately used what talents had been given to him. As a result I have dedicated the last decade of my preaching ministry to overcoming and mastering the art of topical preaching. This book is a product of that journey.

Invitation to Biblical Preaching, Written in a conversational style with profuse examples to illustrate all concepts, *Invitation to Biblical Preaching* takes the reader step by step through the entire process of preparing a biblical message from studying a passage with skill and integrity to delivering a message with persuasion, accuracy, passion and relevance. An experienced pastor and homiletics professor, Donald Sunukjian, provides budding pastors with wise counsel that is sure to stay with them throughout their ministries.

Biblical Preaching Haddon W. Robinson, 2025-02-11. This bestselling textbook on biblical preaching is a contemporary classic in the field. It offers students, pastors and Bible teachers expert guidance in the development and delivery of expository sermons. This new edition provides resources, methods and advice for new generations of students and pastors. It has been revised and updated throughout by Scott Wenig, professor emeritus of applied theology and Haddon W. Robinson Chair of Biblical Preaching at Denver Seminary. Wenig adds a step to the preaching method that has been widely accepted and utilized by Robinson's former students. The book also includes a foreword by Torrey Robinson. An outstanding introduction to the task of preparing and presenting biblical sermons, Robinson's Big Idea preaching has shaped the thinking of thousands of expository preachers and been the major influence on many of those who teach preaching in today's classrooms.

Preaching that Shows Margaret Cooling, 2022-04-25. For many years the resolution plot has dominated homiletical theory, made most famous by the Lowry Loop, a staple of preaching theory for today's ministry student. Whilst the approach is important, some have

accused resolution plot of leaving little room for ambiguity and failing to reflect the messy reality of life Offering a ground breaking approach as a counter to well worn preaching strategies Preaching That Shows explores the revelatory plot focused more on the gradual revelation of relevant truths within the biblical text through character and embodied insight and through imaginative and sensory detail rather than through answering the questions how and why It will prove an invaluable resource for students homiletics and preachers alike

A Manual for Preaching Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's A Vision for Preaching offered an integrated biblical and theological vision for preaching A Manual for Preaching addresses the practical and perennial issue of how to move from the biblical text to an effective sermon The author a well respected teacher of preachers shows how to discern the text's theological meaning and let that meaning shape the development of the sermon Clearly written and illustrated with Old Testament and New Testament examples the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla

Enduring Truth Aaron E. Lavender, 2016-09-15 Enduring Truth argues that faithfulness to Scripture is the solution to a crisis among African American preaching Though misinterpreting God's Word is not restricted to one race or culture author Aaron Lavender identifies three factors that have precipitated the decline of black preaching specifically racial segregation black liberation theology and prosperity theology The book's first chapter recounts the history of the crisis noting how discrimination in theological education led black ministers to liberal colleges and seminaries that prophetically confronted Jim Crow but taught the social gospel and other forms of theological error Such schools ultimately were harmful to the spiritual health of black churches Subsequent chapters discuss the role of biblical exegesis in preaching develop a theology of preaching and suggest preaching methods for the postmodern world Every biblical text has one meaning according to Lavender The preacher's job is to determine and communicate that meaning then show its relevance in the cultural context of his hearers Proof texting and relativism Lavender writes are two great enemies of biblical preaching While focused on the African American context this volume addresses topics relevant to all preachers Enduring Truth is suited both for ministry practitioners and preaching courses It will help readers elevate the Word of God over the worldly allures of any ministry setting

The Big Idea of Biblical Preaching Keith Willhite, Scott M. Gibson, 2003-02-01 Since 1980 Haddon Robinson has influenced generations of students and preachers through his widely used classic text Biblical Preaching in which he shows preachers how to communicate the Bible's big ideas with precision But does Robinson's big idea approach to expository preaching still work in today's diverse cultures and fast paced world The Big Idea of Biblical Preaching now in paperback presents a strong defense of the ongoing relevance of this approach to expository preaching An experienced and skilled group of contributors to this volume includes Paul Borden Scott M Gibson Duane Litfin Terry Mattingly John Reed Bruce L Shelley Donald R Sunukjian Joseph M Stowell III Bruce K Waltke Scott Wenig and Keith Willhite This volume is written not only for the current generation of students but also for today's preachers who will find in the pages of this book a

powerful approach to expository preaching *The Relevance of Preaching* Pierre Ch. Marcel, 2019-08-15 Because he believed in the importance of preaching in our age the author wrote this book to be read by every Protestant desirous of deepening his acquaintance with the goal power and relevance of preaching to permit him to profit as much as possible from this preaching to help him layman or preacher become conscious of his own personal responsibility in the preaching as a means of grace and the content relevance and characteristics of good preaching Preaching to a Shifting Culture Scott M. Gibson, 2004-08 A challenge to preachers to proclaim the Scriptures with authority and power in a post Christian world

Preaching in HD Dr. Michael O. Oyedokun , 2023-12-22 In *Preaching in HD* High Definition Dr Michael O Oyedokun II invites preachers on an enlightening journey to unlock the true potential of their preaching Drawing from his extensive experience and advanced studies in Expository Preaching Dr Oyedokun presents a comprehensive guide that will revolutionize the way you approach the pulpit As proclaimers of the Gospel our mission is to expose the Word of God with utmost clarity relevance and truth In this thought provoking book Dr Oyedokun reveals the key to achieving this goal embracing the power of high definition preaching With meticulous attention to detail and a deep understanding of the components of Hermeneutics and Homiletics Dr Oyedokun equips preachers with practical tools for effective sermon preparation and delivery Through his insightful teachings you will learn how to infuse your sermons with depth precision and biblical truth capturing the hearts and minds of your audience Challenging the notion that previous generations of preachers lacked the capacity to convey detailed and relevant messages Dr Oyedokun highlights the timeless anointing that has been bestowed upon proclaimers throughout history Are you ready to unleash the power of high definition preaching Step into the pulpit with confidence embrace the Word of God as your high definition source and become the monitor through which His message resounds **Preaching Like the Prophets** Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets

How Effective Sermons End Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual

topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light **Spirit Empowered Preaching** Mozart Dor PhD,2020-11-24

Although there are several preaching books today there are only handfuls if any that address the centrality of the Holy Spirit in preaching A hindrance to preaching in the twenty first century is over intellectualization of the Gospel After receiving a Doctor of Philosophy Degree in Preaching I thought I was now ready to prepare and preach an effective sermon that will draw any audience to Christ I told myself I am ready I have attained and I can double the size of any given church with my vast knowledge on preaching Little did I know that my degrees from the best schools around the world were not sufficient to preach the whole counsel of God s Word I have come to realize that clever persuasions of men do not change lives The name of Jesus through the power of the Holy Ghost does The secret ingredient in preparing and preaching Spirit empowered messages is the power of the Holy Spirit Ministers of the Gospel must not depend upon natural means to produce supernatural results but must use supernatural means to produce supernatural results Paul said to the Thessalonians Our gospel did not come to you in word only but also in power and in the Holy Spirit and in much assurance 1 Thess 1 5 The church is in desperate need of revival Sinners are urgently in need of the Savior and only the Spirit of God can convict sinners of their sins and bring revival to the nations Consequently the goal of this book is not to produce another great preaching book but to help students and ministers prepare and present effective Holy Spirit empowered sermons to their audience The book seeks to instruct readers on the importance of the Holy Spirit in preaching the Word of God while laying the foundational building blocks of effective preaching This book is for both beginning ministers who are just starting ministry and for veteran ministers who would like to brush up on their preaching and teaching skills in order to become better Spirit empowered ministers of the Gospel May God bless you and speak mightily through you with clarity urgency fervency and power as you endeavor to preach Spirit empowered messages to a dying generation *A Philosophy of Pastoral Preaching* David A. Christensen,2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional

preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place **How Effective Sermons Advance** Ben Awbrey,2010-12-20 Sermon structure has been deemed an important component of preaching throughout the history of preaching by preaching instructors and practitioners alike Many have made a case for the bearing that sermon structure has for the effective preaching of Scripture However sermon structure when incorporated in a sermon often is not as serviceable as it could and should be This book provides instruction for how sermon structure can serve to principlize Scripture by using statements of theological principle in the sermon outline Therefore the timelessness and the timeliness of Scripture are prioritized through statements of theological principle providing doctrinal accuracy and personal relevance which are apparent in the outline of the sermon How Effective Sermons Advance provides a thorough and comprehensive treatment on the highly significant matter of sermon structure **The Modern Preacher and the Ancient Text** Sidney Greidanus,1989-01-19 A fusion of biblical hermeneutics and homiletics this thorough and well researched book offers a holistic contemporary approach to the interpretation and preaching of biblical texts using all the scholarly tools available and focusing especially on literary features Greidanus develops hermeneutical and homiletical principles and then applies them to four specific genres Hebrew narratives prophetic literature the Gospels and the Epistles
