Precaution. A Novel. by J. Fenimore Cooper James Fenimore Cooper, 2004-01-01 **Precaution, a novel. By J. Fenimore Cooper** James Fenimore Cooper, 1821 *Precaution (Annotated)* James Fenimore Cooper, 2016-06-28 *Precaution* 1820 is the first novel written by American author James Fenimore Cooper. It was written in imitation of contemporary English domestic novels like those of Jane Austen and Amelia Opie and it did not meet with contemporary success. Cooper went on to have great success with works such as *The Pathfinder* 1841 and *The Deerslayer* 1840. The American reading public responded most to *The Last of the Mohicans* 1826. *Precaution* James Fenimore Cooper, 2017-11-04 Though he would later rise to prominence as one of the most important American writers of his generation, James Fenimore Cooper's first literary effort was inspired by a wager with his wife to whom he had offhandedly remarked that he could probably write a more exciting book than the English domestic novels that were the bestsellers of the day. Strongly influenced by Jane Austen, *Precaution* was initially published under a female pseudonym. *Precaution* James Fenimore Cooper, 2016-06-22 James Fenimore Cooper was born in Burlington, New Jersey, in 1789 to William Cooper and Elizabeth Fenimore Cooper, the eleventh of 12 children, most of whom died during infancy or childhood. He was descended from James Cooper of Stratford-upon-Avon, Warwickshire, England, who emigrated to the American colonies in 1679. James and his wife were Quakers who purchased plots of land in New Jersey and Pennsylvania. Seventy-five years after his arrival in America, his great grandson William was born on December 2, 1754. Shortly after James' first birthday, his family moved to Cooperstown, New York, a community founded by his father on a large piece of land which he had bought for development. Later, his father was elected as a United States Congressman from Otsego County. Their town was in a central area of New York that had previously been occupied by the Iroquois of the Six Nations. The Iroquois were forced to cede their territory after British defeat in the Revolutionary War, as they had been allies. Shortly after the American Revolutionary War, the state opened up these former Iroquois lands for sale and development. Cooper's father purchased several thousand acres of land in upstate New York along the headwaters of the Susquehanna River. By 1788, William Cooper had selected and surveyed the site where Cooperstown would be established. He erected a home on the shore of Otsego Lake and moved his family there in the autumn of 1790. He soon began construction of the mansion that would be known as Otsego Hall. It was completed in 1799 when James was ten. At age 13, Cooper was enrolled at Yale but he incited a dangerous prank that involved blowing up another student's door after having already locked a donkey in a recitation room. Cooper was expelled in his third year without completing his degree. Disenchanted with college, he obtained work in 1806 as a sailor and at age 17 joined the crew of a merchant vessel. By 1811, he obtained the rank of midshipman in the fledgling United States Navy conferred upon him on an officer's warrant signed by Thomas Jefferson. At 20, Cooper inherited a fortune from his father. He married Susan Augusta de Lancey at Mamaroneck, Westchester County, New York, on January 1, 1811, at age 21. She was the daughter of a wealthy family who

remained loyal to Great Britain during the American Revolution They had seven children five of whom lived to adulthood Their daughter Susan Fenimore Cooper was a writer on nature female suffrage and other topics She and her father often edited each other s work Among his descendants was Paul Fenimore Cooper 1899 1970 who also became a writer
