The Mystical Marriage C. S. Warner,2020-07-27 Have you ever wondered if a Near Death

Experience NDE can actually happen The answer to that is No unless you consider the physical body to be the essence of who you are What you will find during one of these experiences is that your Spirit is your essence and your physical body is simply the vehicle that your Spirit rides in Try picturing it this way your body is like a car When the car goes kaput you get a different car That s the way it is with death Your Spirit gets out of the dead body and gets into a different one The first book in this series explains what an NDE looks like feels like and what in our body triggers the visions and silent voices that we hear It also explains why someone who has experienced this sometimes becomes intuitive a psychic or perhaps a savant The author takes you on a journey that shows you how this ancient ability and understanding of the other side and how to communicate with it has existed since the beginning of time Sometimes that understanding is shown to us in mythological or biblical stories or in some type of art form Regardless of how those stories come down to us they are irrevocably intertwined using numbers letters symbols God angels gods goddesses alchemy or astrological astronomical symbols In today s world people use religion and science to explain the same things that our Ancient ancestors knew and that is that there is no such thing as death This book is the stepping stone in learning how to read the writing in the sky and why it is of utmost importance to learn what Enlightenment is and where to find it Highland Heat Mary Wine,2011-03-01 Praise for To Conquer a Highlander Not to be missed Lora Leigh New York Times bestselling author of Lion s Heat Ruined Betrayed and banished As brave as she is impulsive Deirdre Chattan s tendency to follow her heart and not her head has finally tarnished her reputation beyond repair But when powerful Highland Laird Quinton Cameron finds her he doesn t care about her past it s her future he s about to change But it s never too late for redemption From the moment Quinton sets eyes on Deirdre Chattan rational thought vanishes For in her eyes he sees a fiery spirit that matches his own and he ll be damned if he ll let such a wild Scottish rose wither under the weight of a nun s habit With nothing to lose Deirdre and Quinton band together to protect king and country But what they can accomplish alone is nothing compared to what they can build with their passion for each other What readers say about Mary Wine s Scottish romance Simply extraordinary Scottish Highlands rugged and virile warriors there is nothing like it Plenty of romance action intrigue and danger **Murder at the Cat Show** Marian Babson,2003-12-31 Catty Murder Doug Perkins doesn t dislike cats he just isn t especially interested in them But the struggling young London public relations firm of Perkins and Tate can t afford to be choosy about the jobs they take So when Doug is asked to do the PR for a glorified feline extravaganza called Cats Through the Ages he doesn t hesitate But it isn t long before he wishes he had hesitated There are some very valuable cats on exhibit even a few feline celebrities Then the robbery of a gold statue of Dick Whittington s cat sets nerves on edge The theft is not exactly a PR man s dream but this disaster pales in comparison to the gruesome murder that follows Someone has knocked unconscious the show s organizer the universally despised Rose Chesne Malverne and pushed her into the cage with a pair of feral tigers fancifully named Pyramus and Thisbe with predictably fatal results Now it s up to Doug to find an elusive killer who appears to have nine lives
