Precious Memories How They Linger:

Precious Memories How They Linger Dustin Lynn, 2014-11-13 Precious Memories How They Linger is an addictive read The tone of the poems idle between adoration and the macabre at times and without warning become socially aggressive without reservation This is the first published volume of poetry from an author who respects his readers enough to momentarily disregard their identity and this fresh approach to composition results in the powder keg of words found in this thought provoking collection of moody poems

Randall Bradley, 2012-09-21 The relatively recent worship wars over styles of worship traditional contemporary or blended have calmed down and many churches have now reached decisions about which worship style defines them At a more fundamental level however change has yet to begin In From Memory to Imagination Randall Bradley argues that fallout from the worship wars needs to be cleaned up and that fundamental cultural changes namely the effects of postmodernism call for new approaches to worship Outlining imaginative ways for the church to move forward this book is a must read for church leaders and anyone interested in worship music

The Feats of an Unsung American Heroine John H. Davis, 2016-03-01 The book commemorates my mother Millie B Davis for her achievements and contributions as a virtuous woman and mother devoted Christian outstanding member of the community and loyal citizen of

the United States Mothers play an indispensable role in the existence of the human race without them the United States or any other nation would not exist Therefore when a mother conscientiously performs her inherent duties and responsibilities notwithstanding prevailing adversities she is justifiably an unequivocal heroine of the universe Many More Funny Things B.
