Children, Love One Another Kathleen B. Polo MD, 2021-05-05 Let us draw near to God Hebrews 10 19 There is no separation from God apart from our own sin which causes us to move away Baptism in the Spirit has washed and purified us to stand in his presence Draw near each day by daily inviting the Holy Spirit to open our hearts and minds Norman Lawson was a United Methodist pastor who served from 1956 to 2012 While cleaning her parents storage unit ten years ago his daughter Dr Kathleen Polo unearthed a box filled with more than fifty years of his sermons rich with spiritual insight that paralleled the current events of several decades in American history After pulling thirty meditations from the sermons and presenting them to her father on his eightieth birthday Kathleen eventually decided to create a compilation of these inspirational writings for every day of the year Within a daily devotional inspired by the work of the Holy Spirit Kathleen shares insight into faith current world struggles and biblical truths intended to enrich the faith journey and stimulate the mind Throughout the writings Kathleen offers encouragement to believers to be bearers of Christ s light to show love for others while following the path of Jesus to let God s truth find us and much more Children Love One Another is a collection of daily devotionals that invites spiritual seekers to open their souls to a heartfelt interpretation of God s love **Precious**

Moments by Enesco Collectors Publishing Co, Joe T. Nguyen, David TenEyck, Scott Sierakowski, Lance Doyle, 1997 **Love is a Desire That Becomes an Appetite** MonaLisa Covington, 2014-09-17 Have you ever wondered what your appetite for love would be Have you ever questioned your internal desires or even vocalized them Have you placed God at the center of it all We as humans have appetites just as unique as we are It is one of the things that can separate us from each other or bring

us together Several appetites are brought to light from abusive love to rejected love MonaLisa says Refusing to forgive smothers my freedom in Christ and stunts my spiritual growth In this book that is very clear This is an excellent read for those who are searching for love or wanting to love The underlying theme seems to focus on keeping God first in our lives and in our quest for love MonaLisa tells her story as Tiara often called a mentor minister coach and counselor She is a woman of great wisdom when it comes to helping her family and friends figure out why they love the way they love and why they love who they love She is an essential voice to all of them and honest in her responses to their questions She helps them to see themselves and those they are in love with Whether right or wrong her voice is heard As I read Love is a Desire that Becomes an Appetite I saw myself in several scenarios and even took a moment to reflect just how far I had come in my quest for love Each chapter in this book outlines the different appetites that we as people have Some appetites are learned behavior that was passed down from our parents and some are other behaviors that we ourselves created in an effort to protect and provide Although some scenarios such as the relationship between Darrius and Alexis highlight just how precious love can be when the two put Christ first there are other scenarios like the relationship between Jada and Darnell that can leave you questioning your own desire to love An Appetite is an excellent depiction of how love can help us when used the correct way and with the right person or hurt us when we ourselves are hurting For the most part Love is a Desire that Becomes an Appetite brings out the best and worst in human relationships when it comes to love and even gives you a view into the author's own desire to love and be loved In her own words love is not love until it is shared with someone else
