Precious Moments by Enesco Collectors Publishing Co, Joe T. Nguyen, David TenEyck, Scott Sierakowski, Lance Doyle, 1997 **A Stolen Life** Jaycee Dugard, 2012-07-03 A revelatory memoir about a young woman whose life was stolen when she was kidnapped in 1991 and remained an object of captivity for 18 years [Melissa F. L. Murnahan, Jr.](#), 2010-03-12 Listening to his voice and having him sitting across from me I fought the urge to rush to him and into his lap to smother him with kisses and to tell him how much I loved and wanted to be with him Why was I being such a chicken His eyes were saying everything and it was more than I could possibly have hoped or ever dreamed for I didn't care about the wife just as I didn't care about Terry I wanted to be with Tom and Bonnie already knowing the kids would feel the same way All I had to do was say something anything Why wasn't Tom saying anything I could see it in his eyes how he felt about me Was he scared of offending me or afraid I'd react badly Did he think it better just to let things remain as they were The questions kept popping into my mind and I was going crazy trying to find a way to let him know exactly what I felt Tom gently moved forward on the couch looking me straight in the eyes his eyes showing so much love and perhaps even hope I did see you that day in Coal Grove *Divine Fury* Darrin M. McMahon, 2013-10-22 Genius With hints of madness and mystery moral license and visionary force the word suggests an almost otherworldly power the power to create to divine the secrets of the universe even to destroy Yet the notion of genius has been diluted in recent times Today rock stars football coaches and entrepreneurs are labeled geniuses and the word is applied so widely that it has obscured the sense of special election and superhuman authority that long accompanied it As acclaimed historian Darrin M McMahon explains the concept of genius has roots in antiquity when men of prodigious insight were thought to possess or to be possessed by demons and gods Adapted in the centuries that followed and applied to a variety of religious figures including prophets apostles sorcerers and saints abiding notions of transcendent human power were invoked at the time of the Renaissance to explain the miraculous creativity of

men like Leonardo and Michelangelo Yet it was only in the eighteenth century that the genius was truly born idolized as a new model of the highest human type Assuming prominence in figures as varied as Newton and Napoleon the modern genius emerged in tension with a growing belief in human equality Contesting the notion that all are created equal geniuses served to dramatize the exception of extraordinary individuals not governed by ordinary laws The phenomenon of genius drew scientific scrutiny and extensive public commentary into the 20th century but it also drew religious and political longings that could be abused In the genius cult of the Nazis and the outpouring of reverence for the redemptive figure of Einstein genius achieved both its apotheosis and its Armageddon The first comprehensive history of this elusive concept Divine Fury follows the fortunes of genius and geniuses through the ages down to the present day showing how despite its many permutations and recent democratization genius remains a potent force in our lives reflecting modern needs hopes and fears

Allen and Jennifer B. Sturgeon,2014-05 Life and death struggles a common thread that

connects us as human beings are vividly revealed in this inspirational and unforgettable true story as told by a mother and her daughter of their babies born with life threatening birth defects Swept away on an uncharted and treacherous journey one thing clearly emerges God the ultimate thread that held them together through their darkest hours was waiting for them there He gave them beauty for ashes the oil of joy for mourning and the garment of praise for the spirit of heaviness so He might be glorified through their babies life and death struggles Isaiah 61 3b At every bend in the road lives were forever changed The baby boy unable to ever speak a word about what he endured in his fight for life went to his grave never knowing what a giant impression his tiny handprint had left on every heart he touched leaving this world a better place than he found it For the little girl the veil separating Heaven and Earth was lifted Mommy I see an angel Hoping to get a glimpse her mommy searched the hospital room eagerly Where do you see an angel her mommy asked She pointed overhead Up there in the corner of my room one angel with big pink wings Although her mommy didn't see the Heavenly being together they felt the comfort of its presence On their timeless journey of faith hope and love their loving God went with them through it all healing hearts changing lives sharing their deepest sorrows and sending his angels to comfort and help them Their stories formed in the crucible of life and death struggles were transformed by the grace of God into a thing of beauty He hath made every thing beautiful in his time Ecclesiastes 3 11a KJV
