 Hoffmann *Arthur of Britain* Jennifer Sault,2018-08-28 Myths are our collective dreams our inspiration and our aspiration
 they are the sacred stories that guide us in living a conscious life One of the most beloved myths of the West is that of King
 Arthur and his Companions of the Round Table and we find in this work that the spiritual teachings embodied in this myth
 are the same as those of the chakra system of the East Both map the development of human consciousness from conception
 to self realization Arthur of Britain transports us to the landscape and the time of King Arthur while opening our hearts to the
 power of myth to transcend time and space A retelling of some of the legends correlates the events of Arthur s life with the
 physical emotional mental and spiritual challenges that he and we encounter at each chakra Guided meditations use the
 archetypal symbols in the myth to help us negotiate those challenges and bring into consciousness the wisdom and self
 healing power that we all carry within This work is a valuable contribution to both the spiritual and mythological literature as
 it provides a bridge between the two and highlights the similarities rather than the differences of diverse traditions Also this
 book is available on Amazon and Barnes Noble **A Moment in Time** Carol Pierce-Davis PhD,2025-06-30 With clear vision
 scripture driven insight and a down to earth style Dr Carol Pierce Davis presents a collection of meditations titled A Moment
 in Time Meditations on the Seasons of Faith Loosely based on the church calendar to which she added a few new seasons of
 her own she leads you into a Biblical journey as contemporary as today touching on the realities of life and death love and
 division war and peace She showcases her love of scripture and her intimate relationship with the players in Biblical history
 In her meditation My Man Moses she writes I have always said that when I die and go to heaven presumptuous I know I am
 going to hang out with the cool guys Isaiah David and Jesus After reading today s scripture I have added another candidate
 Moses With his outrageous relationship with God he took down the walls of power and mystery between human and God to
 cajole annoy and get his way when it came to protecting God s people With her psychological awareness and grasp of
 scripture she offers a spiritual look into communication relationships and life transitions Add in her sense of humor and
 fearless theology and you have A Moment in Time Meditations on the Seasons of Faith *How Much the Body* Linda Lee
 McDonald,2019-07-29 These poems speak to the contemporary struggle to hold onto faith in a turbulent world Within the
 collection is a thread of narrative semi autobiographical poems that document the author s journey from her initial Christian
 conversion through the trauma of domestic violence and into her healing and reclamation of faith This is not a grim saga
 however it is intimate emotional and seeks out elements of beauty hope and generosity of spirit With subjects ranging from
 butter sculptures to grape harvesting to internet hoaxes these poems are sometimes whimsical often funny always thoughtful
 presenting God as a loving dynamic Savior who ushers his children into unexpected joy **A Frosty Day** Andrea
 Posner,2000 Stewart Snowman decides to have a super colorful party during an all white winter *The Publishers Weekly*
