

## **Start Where You Stand**

**By Berton Braley**

**The past won't help you in beginning new,  
If you have left it all behind at last  
Why, that's enough, you're done with it, you're through;  
This is another chapter in the book,  
This is another race that you have planned,  
Don't give the vanished days a backward look,  
Start where you stand.**

**The world won't care about your old defeats  
If you can start anew and win success;  
The future is your time, and time is fleet  
And there is much of work and strain and stress;  
Forget the buried woes and dead despairs,  
Here is a brand-new trial right at hand,  
The future is for him who does and dares,  
Start where you stand.**
