It led her to West Africa where she explored the Yor b roots of the Pentecostal faith and was once again swept up by the promises and power of the church After a terrifying car crash she finally began the difficult work of forgiving herself for leaving the church and her family and finding her own path When I Spoke in Tongues is a story of the painful and complicated process of losing one s faith and moving across class divides And in the end it s a story of how a family splintered by dogmatic faith can eventually be knit together again through love *The Buddha at My Table: A Memoir* Tammy Letherer,2025-07-30 Can you come sit at the table Tammy Letherer s husband of twelve years spoke these words on a Tuesday night just before Christmas after he had put their three children in bed He had a piece of paper and two fingers of scotch in front of him As he read from the list in his hand his next words would shatter her world and destroy every assumption she d ever made about love friendship and faithfulness In *The Buddha at My Table* Letherer describes in honest sometimes painful detail the dismantling of a marriage that encompasses the ordinary and the surreal including the night she finds a silent smiling Thai monk sitting at the same dining room table It s this unexpected visitation this personification of peace that sticks with her as she listens to her husband reveal hurtful shocking things that he never loved her he doesn t believe in monogamy and he wants to wrap things up with her in four weeks and allows her to find the blessing in her husband s betrayal Ultimately it s when she realizes that she is participating in her life not at its mercy that she discovers the path to freedom *Facing Tomorrow* Phyllis Cadc McElwain, PhD,Phyllis McElwain,2010-07 *The Hope You Need Today* Scott Swan,2024-10-24 The hope you need today is not found in the things of this world Money and fame can disappear quickly The hope you need is found in the One who created the world Jesus died on the cross and rose from the grave He conquered death and now is alive in Heaven This book is designed to draw you closer to the One who created you has seen your every breath and knows you better than anyone God pursues a relationship with you through His Son Jesus When you spend each day reading this book you will discover hundreds of qualities about God and find endless promises that He has given you A few minutes each day learning about God and reading a few verses will increase your faith in Jesus and provide you the reassurance that He is with you right now His Word will provide the hope you need today to thrive and overcome obstacles in life When you learn the attributes of God and remember what He s done for you in the past you quickly realize the hope you need today is found in Jesus [Bible Promises for Mom](#) Karen Moore,2014 A perfect gift for Mother s Day and throughout the year Bible Promises for Mom gathers inspiring devotional thoughts with helpful passages from the HCSB translation providing quick and easy topically arranged access to God s direction for a mother s every need **Sharing My Faith in God and His Promise of a Miracle Before It Happens** Kathy Puder,2024-07-22 Kathy Puder shares some of the incredible ways she has experienced God s presence through events in nature and in life in this book A few times she has audibly heard God calling out to her to give her guidance assurance and direction during some very difficult times It was during one of those moments that she heard God share His promise of healing her In this book she will share a little about
