Ray Sette,2014-09-30 A sequel to books one and two of poems and things I left unsaid and undone Heartfelt poems in reflections of time and memories of persons and places reminiscent of the past present and future She Who Walks Alone... with One Shalisa Anthony,2012-05-30 **The brothers Karamazov** Fyodor Dostoyevsky,1912 *Thruway Diaries* Sam Kelley,2012-10 Thruway Diaries Summary In Thruway Diaries the Cadillac that Black American symbol of achievement and success having made it provides no immunity to Big T and his family as they travel from Chicago to his native Mississippi in the early sixties and find themselves the target of police officers hell bent on making sure they know their place It is even more unfortunate for Big T and his family that they are making the trip only a few years after Rosa Parks has refused to give up her seat to a white man on a bus in Montgomery Alabama sparking a bus boycott that fuels the Civil Rights Movement Even a car representing success can be seen as an affront to the status quo God forbid one should display an ounce of visible pride which could easily be interpreted as an act of defiance an action that could land the unwary in a shallow grave There are other places to vacation New York and Chicago to show off the Cadillac as Big T knows and hears in no uncertain terms from his children But home is where the heart is and millions of African Americans returned home each year to visit family and display their new found status Some like my Uncle Albert and Uncle John Dew escaped Mississippi under the cover of darkness to avoid the penury system that held blacks in a state of economic servitude that was little better than slavery So returning home in a modern car sometimes a Cadillac as my Uncle Albert did displaying the latest fashions was an act of liberation of financial independence if not outright defiance But Big T learns a harsh lesson that compels him to put his Cadillac on the blocks Family comes first Big T s wife Naomi while willing to share in her husband s wishes to see his Mother harbors a disturbing secret of her own from her days as a maid in a white household when the white master still took advantage of young black women without fear of being charged with sexual abuse She has fled to Chicago to escape in the arms of Big T Her experience leaves her on an emotional edge that is soothed only by the comfort of family the distance from her native home and her hope for the future of her family But what happens almost forty years later when a retired Big T

pulls his Cadillac off the blocks and travels with his family to the Southeast this time through Pennsylvania Washington D C and to Virginia There are three generations instead of two in his Cadillac setting out to enjoy that dream vacation that includes a visit to the Washington D C Vietnam Veterans Memorial to see a family member and to walk his granddaughter down the aisle They could not be happier and they are very comfortable The Cadillac Eldorado after all has been modernized and updated by grandson Tyrone known also as Little T himself an automotive design student at a prestigious Midwestern university The past the present and the future are represented in Big T s Cadillac As with the typical family they are not perfect there is laughter and joking stories from the past and some tension between mother and son about relationships in this case an interracial one But for Big T and Naomi the golden years have been good to them Naomi has hand stitched her granddaughter s wedding dress The dream wedding that she never had will be lived through her granddaughter as she walks down the aisle in the perfect dress one that is without blemish The wholesome family of law abiding God fearing Americans heading on a vacation in their modernized Cadillac is driving into a very different world than the early sixties It is world at the mercy of America s War on Drugs into which they are driving In the security of their home and local community in which Big T travels it mattered little to them that the United States Supreme Court has validated stop and frisk by police that the Court has further ruled that any traffic offense committed by a driver no matter how minor is a legitimate legal basis *My Story: Pain Is a Private Matter* Tony Valentine,2013-05-02 This life story will pique the interest of its readers with the breadth of knowledge facts and candid disclosure of life events that are articulated and illuminated in this writing Readers will be compelled to read this book through to the end as each chapter leads the reader on a journey to the next The book is filled with life lessons that can serve to encourage motivate and direct anyone who desires to admonish the voice of experience and wisdom in charting a course for his or her own life **Country Doctor 54 Years** Robert B Chambliss MD,2018 Memories Stories and Lessons Learned from Five Decades of Family Medicine Dr Robert Chambliss knows how important it is to set a good example When he was just nine years old he attended an Honors Day ceremony given for the beloved country doctor who helped his family and community and he knew then and there that he was called to that same profession Raised with a superb work ethic and high standards instilled in him by his steadfast dedicated father and loving brilliant mother Robert broke away from the family farm to pursue his dream He began his practice in 1964 in the Appalachian foothills as Kentucky s youngest practicing physician After a few years he returned home to follow in the footsteps of his inspiration Dr Kincheloe also a native of Breckenridge County Kentucky
