*Pre-Columbian Discoveries of America ...* James Lawrence Onderdonk, 1876      *The Pre-Columbian Discovery of America, by the Northmen* B. F. de Costa, 2017-09-10 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates      **The**

**Pre-Columbian Discovery of America** Benjamin Franklin 1831-190 de Costa, 2025-05-22 The Pre Columbian Discovery of America explores the theories and evidence surrounding the possibility that America was discovered prior to Christopher Columbus s voyage in 1492 The book delves into historical accounts legends and archaeological findings that suggest earlier contact between the Old World and the Americas particularly focusing on Norse exploration and the voyages of the Vikings Benjamin Franklin De Costa examines a range of sources and arguments to challenge the traditional narrative of Columbus as the sole discoverer offering a nuanced perspective on the complex history of transatlantic contact The book invites readers to reconsider conventional historical understandings and explore the compelling evidence for pre Columbian voyages to the Americas This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important
