

## Preface

the Lord's consecrated people in their foreheads (intellectually) with the Present Truth. We are therefore to expect that when these winds of war shall be let loose, it will mean a cataclysm of warfare which shall divide Kingdoms (mountains)—prefigured by the mighty wind shown to Elijah (1 Kings 18:11), which rent the rocks. But God's Kingdom will not follow the epoch of war; the world will not thus be made ready for the Reign of Immanuel. No; a further lesson will be needed and will be given. It is represented in

“(3) An earthquake. Throughout the Scriptures an earthquake seems always to represent revolution; and it is not unreasonable to expect that an era of general warfare would so arouse the lower classes of Europe and so discontent them with their lot (and especially with the conditions which would follow such a war) that revolution would be the next thing in order. (Rev. 16:18.) But severe though these revolutionary experiences will be to the world, they are not sufficient to prepare men to hear the voice of God. It will require

“(2) The Era from Heaven—an epoch of Divine judgments and chastisements upon a maddened but unconverted world, wild in anarchy, as other Scriptures show us. The results of their wars, revolutions and anarchy, in the failure of their schemes, will have a humbling effect, and will prepare mankind for God's revelation of Himself in

“(4) The still small voice. Yes; He who spoke to the winds and the waves of the Sea of Galilee will, in due time, “speak peace to the peoples.” He will speak with authority, commanding the observance of His long neglected Law of Love. “And whosoever will not hear that Prophet shall be cut off from among His people.” (Acts 3:23.)—THE WATCH TOWER, July 1, 1884, p. 584.

“Looking back to the prophetic testimony respecting the Times of the Gentiles, we perceive that our Lord's words, ‘Jerusalem shall be trodden down of the Gentiles until the Times of the Gentiles be filled full,’ give the intimation that the determined times, or years, in which the empire of earth would be in the hands of Gentile governments was a fixed one from the Divine standpoint. And if, as we believe the Scriptures to teach, Gentile domination was provided for up to October, 1814, it would seem but a reasonable interpretation that Divine power would not be exercised to their dethronement until after the time allotted for their reign had ended—October, 1814.—THE WATCH TOWER, July 1, 1884, p. 124.

In 1879 Charles Taze Russell began the publication of THE WATCH TOWER, of which he was the sole editor as long as he remained on earth. THE WATCH TOWER was, and is, the first and only journal declaring the presence of the Lord Jesus. Pastor Russell being the messenger to the Laodicean Church, and occupying the position of the Lord's special servant to give the Household of Faith meat in due season, it was to be expected that he would bring forth from the Lord's great “Storehouse” the needed spiritual food for the Church, in harmony with

## **Preface Of The Mystery Finished:**

The Watchtower's Coming Crisis Daniel Rodriguez,2011 A devastating crisis has the Jehovah s Witness religion facing extinction Chances are that you have never met a real Jehovah s Witness While those at your door may claim to be one of Jehovah s Witnesses their own publications plainly teach otherwise So who are the real Jehovah s Witnesses The Watchtower Society teaches that they are members of the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the centuries others have been added but the Watchtower declared that the number was completed in 1935 Anyone who claims to be one of Jehovah s Witnesses has to be one of the 144 000 and must be very old now However the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership Because these people are dying the Watchtower is facing a credibility crisis So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive And now just last year Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000 But this only adds further opportunity for you to show the JW who comes to your door that he cannot trust the Watchtower with his precious eternal life The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven In fact they are the only ones allowed to take communion He does not believe he can understand Bible truths without the Watchtower He is dependent on a publication that one day soon will be left without writers to reveal God s truths Who are those writers Those who remain of the original 144 000 and they are dying Oddly enough their founder Charles Taze Russell never taught the doctrine of the 144 000 In this book you will learn the true history of this false Watchtower doctrine You will be surprised to discover that this doctrine is not just a Bible issue It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive With the information and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers Time is the enemy of this teaching and they know it

**Finishing the Mysteries of Gods and Symbols** Seven Star Hand,2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts canons and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools Consequently here is proof beyond disproof that all three so called Faiths of Abraham are purposeful deceptions Accordingly related esoterica mystery schools and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders Throughout this book I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them

*Unless the Threat of Death is Behind Them* John T. Irwin,2006-10-25 The noted literary critic delves into the psychology and significance of American hardboiled crime fiction and film noir of the 1930s and 40s Early in the twentieth century American crime novelists like Dashiell Hammett and Raymond Chandler put forward a new kind of character the hard boiled detective as exemplified by Sam Spade in *The Maltese Falcon* Unlike the analytical detectives of nineteenth century fiction these new detectives encountered cases not as intricate logical puzzles but as stark challenges of manhood John T Irwin explores how the stories of these characters grapple with ideas of American masculinity Professional codes are pitted against personal desires resulting in either ruinous relationships or solitary integrity In thematic conflicts between independence and subordination all notions of manly independence prove subordinate to the hand of fate Tracing the stylistic development of the genre Irwin demonstrates the particular influence of the novel of manners especially the writing of F Scott Fitzgerald He also shows that as hard boiled fiction began to appear on the screen in film noir it took on themes of female empowerment just as women entered the workforce in large numbers Finally he discusses how these themes persist in contemporary dramatic series on television representing the conflicted lives of Americans into the twenty first century     *The Poetical Works of Lord Byron Complete in One Volume Collected and Arranged with Illustrative Notes by Thomas Moore ...
