*Lionel Trilling* Daniel T. O'Hara,1988 Daniel T O Hara reads the career of Trilling as a single completely comprehensive work of self fashioning The intention of such work says O Hara from the beginning and throughout Trilling s intellectual life was to create a self that when confronted with the great achievement of another mind was capable of imaginative sympathy and not solely resentful critique In order to reach that goal however Trilling had to adopt one of the conventional masks available to the intellectual in modern culture and adapt it to his needs and to those of his liberal time

**A Preface to Jane Austen** Christopher Gillie,2014-06-17 Jane Austen s satirical classical novels have made a lasting contribution to English literature and first gave the novel its distinctly modern character with the treatment of ordinary people in everyday life Her works such as *Pride and Prejudice* *Emma* and *Mansfield Park* remain as popular today as they ever have been both in book form and a screen adaptations The Preface Books series approaches the

work of Jane Austen from a particular perspective which by introducing the writer via a biographical sketch and a survey of her cultural and social context encourages readers to understand her work in the period and style it was written Christopher Gillie's *A Preface to Austen* looks at Austen's life and literary background and their effect on her work Using biographical information it clearly sets her writing firmly in the context of her times and will be essential reading for anyone interested in the works of Austen

*Parapositions: Prefacing American Literature in Bulgarian Translation 1948-1998* Milena Katsarska, 2021-07-07 This study analyzes the social significance of prefaces with reference to Bulgarian editions of American literature published between 1948 and 1998 Such prefaces present a diverse body of texts in different voices involving numerous actors in the cultural sphere These raise a range of interesting questions How do prefaces in Bulgaria structure American literary and cultural studies What ideological dimensions are found in them through the communist period and immediately afterwards How are questions about race mediated What do they indicate about Bulgaria's relations to the USA the former USSR and other European countries How aware are American Studies scholars of the underlying presumptions of their professional field These and other important questions are carefully considered in this book while exploring a large body of fascinating source material which has received little systematic attention so far
