Pregnancy Journal Organizer:

Pregnancy Journal Moito Publishing, 2018-05-11 Few experiences are more magical than creating a new life and watching it grow in your body. Pregnancy is also a time of many physical and emotional transformations. A pregnant woman's life can be very exciting, disturbing, and powerful. After pregnancy, nothing is ever the same. Celebrate and commemorate this special time before your baby is born by keeping a journal. We created our Pregnancy Journal to be VERSATILE AND PERSONAL. A pregnancy journal is a place to collect your thoughts, feelings, and experiences during pregnancy. Record the moments that take your breath away: the first kick, listening to your child's heartbeat, or finding out the baby's gender. It will also serve as your checklist for things you have to prepare before the baby comes out. The best part? This planner becomes a memory book to look back on long after your baby is grown. It's the perfect journal to capture your pregnancy journey and a place to record your bump and scan photos. USEFUL CONVENIENT. Keeping a diary while you're expecting can also assist you in focusing on the pregnancy. Putting pen to paper after meticulously collecting your thoughts is extremely rewarding during pregnancy. The best part about it is that you will always have a personal record of your pregnancy that you can later gift to your kids as well. Simple and easy to use: the pages are ready and waiting to be filled. It contains 80 pages for 40 weeks (2 pages per week). Extra pages: 1 name page, 1 journal page, 1 baby name ideas page, 4 to-do lists, 2 Things I have to prepare. A NOTEBOOK BUILT TO LAST. We want your journal to last a long time so you can always look back on your previous entries without the worry that it will fall apart. The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. A perfect keepsake that you can always look back into when your baby is all grown up. WELL CRAFTED INTERIOR. We only used thick white paper to avoid ink bleed-through. The columns are clearly marked to make it easy to fill out and to cross-reference. PERFECT SIZE. With its 20.3 x 24.4 cm (8 x 11 inches) dimensions, almost the same width as A4 but shorter in height, you can squeeze it into a bag with ease. It's the perfect size, easy to carry. COOL COVERS. To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. We stand for quality and aim to provide the best writing experience with our notebooks. Use our Pregnancy Journal to write down your thoughts. By writing in a diary, you can get rid of all your negative thoughts during your pregnancy and focus on creating memories that you will cherish forever.
