Wayne R. Cohen, Phyllis August

Pregnant Women On Drugs Combating Stereotypes And Stigma:

Pregnant Women on Drugs Sheigla Murphy, Marsha Rosenbaum, 1999 From Library Journal Sociologists Murphy and Rosenbaum interviewed over 120 women who had children while using drugs Their interviews reveal how the women became addicted how they may or may not have modified their behavior to protect their children and how they have dealt with having children and losing them as a result of their addiction Not all the women interviewed were from abusive or poor families there is extensive information on how the study population was selected Also included are suggestions on how to deal with the problem including women centered drug treatment and training programs to help women learn trades as well as parenting skills Though the interviews are enlightening readers may wish for more answers to the question of how to deal with the root problem and less about the problems drug addicted mothers face For academic libraries especially those with women s studies and sociology collections Danna C Bell Russel Natl Equal Justice Lib Washington DC Review A powerful refutation of the media hype stereotypes of pregnant drug users as selfish and unfeeling *Pregnant Women on Drugs* shows the extent to which many drug using women develop the motivation to achieve their dual goals of improving their children s health and maintaining maternal custody Steven R Kandall M D F A A P and author *Substance and Shadow Women and Addiction in the United States* Research based but intensely personal You will be touched by the poignant descriptions about the real lives of pregnant women on drugs Pertinent reading for researchers clinicians and all Americans Loretta P Finnegan M D researcher and perinatal addiction specialist *Touching and Informative* Drug addicted women who have either been ignored or reviled are finally given voice to tell their own stories Their sad true and quintessentially human experiences provide persuasive arguments for compassion and supportive approaches to the problems of substance abuse and pregnancy Lynn Paltrow civil liberties and reproductive freedom attorney

Drug Misuse and Motherhood Marcia Jackson, Hilary Klee, Suzan Lewis, 2003-09-02 The inadequacy of drug treatment services for women is an international issue noted at all major conferences The needs of women have assumed an increasingly important part of the range of topics for further research and attention by service providers and policy makers There is a great lack of information in this field and this book will fill that gap

Complex Social Issues and the Perinatal Woman Laura Abbott, 2021-08-27 Pursuing a multidisciplinary approach this book demonstrates the best quality care for pregnant women and new mothers who may have complex social needs This book will benefit all health and social care professionals working in women s health while also providing a valuable reference guide for maternity departments The latest *Mothers and Babies Reducing Risk through Audits and Confidential Enquiries across the UK* MBRRACE UK demonstrates the consequences that having multiple complexities has and the need to ensure that susceptible groups receive personalised appropriate care and meeting the needs of all women is urgent and essential This book brings together a blend of health and social care professionals experts by experience and the charity third sector All have expertise in caring for and supporting perinatal women with issues that may

affect their health and the type of care they require Through our collective writing we provide a paradigm for partnership working and hope to have strengthened voices by highlighting women s experiences and the importance of third sector partnerships working in tandem with women who are experts by experiences and bringing health professionals together In combination with recommendations from specialists in the field we have offered a unique mix of compassion and evidence based guidance From substance abuse domestic violence and HIV to experiences of Black Asian and Ethnic Minorities homelessness women seeking asylum and women in prison we have addressed a range of current issues and provided essential information and opportunities to reflect Each chapter invites the reader to step into the shoes of the perinatal woman Through our collective writing we provide a paradigm for partnership working and hope to have strengthened voices by highlighting diverse experiences We have looked at how using a trauma informed approach can be applied universally to care for all women and learn from charities such as Birth Companions the 4M project and the Salamander Trust how different approaches may directly impact women s care in a positive and holistic way An overarching aim of our book has been to find ways to deliver multi agency continuity of care whilst being aware of bias professional responsibilities and an understanding how we can take a holistic approach crucial for attaining excellence in 21st century maternity care provision

Obstetric Medicine Wayne R. Cohen,Phyllis August,2013-10-31 The sixth edition of this classic text now renamed Obstetric Medicine concentrates on practical issues of clinical management and addresses both common and uncommon medical and surgical problems encountered during pregnancy The name change acknowledges the evolution of an emerging special interest domain as physicians are increasingly caring for pregnant women with acute and chronic medical conditions that require complex assessment and sophisticated care The text will be invaluable to practitioners who need to clarify and manage the intricacies of such cases The editors are an obstetrician with a longstanding interest in the management of surgical and medical complications of pregnancy and an internist nephrologist with extensive experience in the management of medical diseases during gestation They have assembled a group of contributors with an exceptionally broad range of backgrounds and interests who in turn have emphasized clinical management approaches that are grounded in our understanding of pathophysiology and are functional in their attention to practical detail *The SAGE Handbook of Drug & Alcohol Studies* Torsten Kolind,Betsy Thom,Geoffrey Hunt,2016-10-20 With contributions from leading international academics across the social sciences this accessible handbook takes a critical look at the key theories disciplinary approaches contemporary issues and debates in the field Part I Central Social Science Theories Drug and Alcohol Studies Part II Pillars in Social Science Drug and Alcohol Studies Part III Controversies and New Approaches in Social Science Drug and Alcohol Studies This Handbook is an excellent reference text for the growing number of academics students scientists and practitioners in the drug and alcohol studies community **Women Behind Bars** Silja Talvi,2007-11-02 An award winning investigative journalist examines increasing rates of women imprisonment in today s America in a report that draws

on interviews with inmates correctional officers and administrators to offer insight into the societal impact of female incarceration Original *Culture, Bodies and the Sociology of Health* Elizabeth Ettorre, 2016-05-13 *Culture Bodies and the Sociology of Health* explores the boundaries between bodies and society with special reference to uncovering the cultural components of health and the ways in which bodies are categorized according to a form of culturally embedded health orthodoxy Illustrating the importance of contextualizing the body as a cultural entity this book demonstrates that the spaces and boundaries between healthy bodies are becoming more diverse than ever before The volumes international team of scholars engage with a range of issues surrounding the cultural construction of the body as a site of health and illness As such it will be of interest not only to sociologists especially sociologists of health but also to scholars of media and communication studies as well as cultural theorists **Charting Women's Journeys** Judith Grant, 2008-01-01 *Charting Women's Journeys* is about the meaning of addiction and recovery in the lives of twenty five Appalachian women who have been practicing abstinence from the use of alcohol and or drugs for eighteen months or more in a small rural community in the United States The empirical focus is on the ways in which these women's lives have been transformed through the processes of addiction to and abstinence from these substances **Mother Troubles** Julia Hanigberg, 1999-08-01 A marvelous collection unified by its determination to speak on behalf of mothers assailed by government policies social institutions and a culture of mother blaming These essays open the way for more direct compassionate respectful and constructive responses to the dilemmas facing families and mothers Alison M Jaggar author of *Feminist Politics and Human Nature* *The Political Geographies of Pregnancy* Laura R. Woliver, 2010-10-01 A searing study of how modern reproductive politics shapes women's bodily agency Pregnancy indisputably takes place within a woman's body But as reproductive power finds its way into the hands of medical professionals lobbyists and policymakers the geographies of pregnancy are shifting and the boundaries need to be redrawn argues Laura R Woliver *The Political Geographies of Pregnancy* is a vigorous analysis of the ways modern reproductive politics are shaped by long standing debates on abortion and adoption surrogacy arrangements new reproductive technologies medical surveillance and the mapping of the human genome Across a politically charged backdrop of reproductive issues Woliver exposes strategies that claim to uphold the best interests of children families and women but in reality complicate women's struggles to have control over their own bodies Utilizing feminist standpoint theory and promoting a feminist ethic of care Woliver looks at abortion politics modern adoption laws that cater to male headed families regulations that allow the state to monitor pregnant women but not always provide care for them and the power structures behind the seemingly benign world of egg selling and surrogate parenting She also considers the potentially staggering political implications of mapping the human genome and the exclusion of women's perspectives in discussions about legislation and advancements in reproductive technologies **Birth Behind Bars** Rebecca M. Rodriguez Carey, 2025-06-17 Pregnant women's experiences in prison Four percent of incarcerated women more than three thousand

are pregnant in US prisons each year yet little information is known about their pregnancy birth postpartum and motherhood experiences In *Birth Behind Bars* Rebecca M Rodriguez Carey draws on in depth interviews with women who were once pregnant in prisons in the heart of the Midwest to provide a rare intimate portrait into the intersection of motherhood and incarceration Using a reproductive justice framework and narrative accounts Rodriguez Carey shows how the prison system works alongside other carceral systems such as the medical system and the child welfare system to regulate and control women She reveals how their incarceration goes beyond the function of criminal punishment threatening both maternal and fetal health and the well being of families *Birth Behind Bars* offers an evocative account of how these powerful carceral systems collectively disrupt entire families and communities during pregnancy birth and the postpartum period including long after women are released from prison

Neither Villain nor Victim Tammy Anderson,2008-01-22 Female drug addicts are often stereotyped either as promiscuous lazy and selfish or as weak scared and trapped into addiction These depictions typify the pathology and powerlessness narrative that has historically characterized popular and academic conversations about female substance abusers *Neither Villain Nor Victim* attempts to correct these polarizing perspectives by presenting a critical feminist analysis of the drug world By shifting the discussion to one centered on women s agency and empowerment this book reveals the complex experiences and social relationships of women addicts Essays explore a range of topics including the many ways that women negotiate the illicit drug world how former drug addicts manage the more intimate aspects of their lives as they try to achieve abstinence how women tend to use intervention resources more positively than their male counterparts and how society can improve its response to female substance abusers by moving away from social controls such as the criminalization of prostitution and rehabilitative programs that have been shown to fail women in the long term Advancing important new perspectives about the position of women in the drug world this book is essential reading in courses on women and crime feminist theory and criminal justice

Drugs and Popular Culture Paul Manning,2013-01-11 The use of illegal drugs is so common that a number of commentators now refer to the normalisation of drug consumption It is surprising then that to date very little academic work has explored drug use as part of contemporary popular culture This collection of readings will apply an innovatory multi disciplinary approach to this theme combining some of the most recent research on the normalisation thesis with fresh work on the relationship between drug use and popular culture In drawing upon criminological sociological and cultural studies approaches this book will make an important contribution to the newly emerging field positioned at the intersection of these disciplines The particular focus of the book is upon drug consumption as popular culture It aims to provide an accessible collection of chapters and readings that will explore drug use in popular culture in a way that is relevant to undergraduates and postgraduates studying a variety of courses including criminology sociology media studies health care and social work

Innovative Approaches to Supporting Families of Young Children Cheri J. Shapiro,Charlyn Harper Browne,2016-08-02 This invaluable reference introduces

successful strengths based programs for aiding families of young children in critical social contexts family school community and policy The wide range of systems contextual approaches described here are based in current understanding of children s development stress and resilience in families cultural competence and the two generational approach to intervention Research based examples across early care and early learning platforms illustrate the links between parental protective factors and children s academic and social outcomes and between family stability and larger social goals By supporting parents and children equally the contributors assert these interventions more fully address developmental and family issues than programs that mainly serve one generation or the other Included in the coverage Parent and community focused approaches to supporting parents of young children the Family Networks Project div Honoring parenting values expectations and approaches across cultures Building young children s executive functions at home and in early care and education settings Promoting early childhood development in the pediatric medical home Neighborhood approaches to supporting families of young children Public policy strategies to promote the well being of families with young children Innovative Approaches for Supporting Parents of Young Children benefits professionals and practitioners working to support families of young children particularly those interested in social work psychology public policy and public health

Drugs and the American Dream Patricia A. Adler, Peter Adler, Patrick K. O'Brien, 2012-02-28 *Drugs and the American Dream* presents an up to date anthology of chiefly contemporary readings that explore the myriad sociological correlates of licit and illicit drug use in the United States Unique approach to the topic that offers an organizing theme of sociological concepts age social class ethnicity gender as well as societal response to drug use including drug education treatment and policy The book is interdisciplinary in terms of approach making it useful in a variety of contexts Includes a wide array of ethnographic articles that place reader directly into the perspectives of drug users through their own voices Brief framing introductions to each article provide interconnective tissue guiding the student to the heart of what s important in the piece that follows Offers a balanced approach to various substances tobacco alcohol prescription drugs and illegal drugs Provides students with a realistic perspective on the extent of substance use in American society as well as a critical appreciation of the real versus imagined harms associated with use of various substances

The Handbook of Drugs and Society Henry H. Brownstein, 2015-09-25 This handbook provides a comprehensive examination of the past and present roles of drugs in society with a focus on theory research policy and practice Includes 28 original chapters with multi disciplinary and international perspectives by top social and behavioral scientists Reviews current knowledge in the field including key research findings theoretical developments and methodological debates Identifies ongoing controversies in the field emergent topics and areas in need of further inquiry Discusses individual drugs as well as topics like physiological theories of drug use and abuse public health implications of drugs patterns of drugs and crime international drug trade and trafficking and designer drugs

Drugs, Crime, and Justice Larry K. Gaines, Janine Kremling, 2013-12-11 The twenty six articles in this

edited volume provide perspective on the interrelated issues surrounding the use of drugs in society Although drugs have long been a social problem the importance of the issue and the involvement of the criminal justice system have varied across time Public concern has typically centered on illegal drugs but the drug issue today is even more complex given the impact of prescription drugs Exaggeration has been a constant theme in the history of public policy on drugs usually playing on public fear to demonize specific drugs and users Some drugs are more dangerous than others The variations in effects impact enforcement prevention and treatment If we are going to criminalize drugs and drug usage policies and penalties should be based on the relative dangerousness of a drug or class of drugs Policies can reduce harm create harm or both Our current drug policies attempt to reduce harm through law enforcement We arrest anyone involved in drug activities under the premise of protecting society These same policies however result in the incarceration of large numbers of people they are expensive they overburden the criminal justice system and they have lasting consequences for those caught up in the drug war no matter how minor their offenses Drug policies should be weighed carefully implementing those that result in the least amount of harm to society The editors have collected timely articles that provide perspective and a foundation for an informed approach to addressing problems associated with drug use

Harm Reduction James A. Inciardi, Lana D. Harrison, 1999-10-11 Harm reduction programmes accept the reality of drug use while attempting to reduce its harmful consequences to individuals and society Here contributors discuss the philosophical basis and history of such policies and examine their outcomes

The Handbook of Addiction Treatment for Women Shulamith Lala Ashenberg Straussner, Stephanie Brown, 2001-01-18 Providing essential theoretical and practical guidelines for clinicians educators policymakers and public health professionals The Handbook of Addiction Treatment for Women is a comprehensive resource of the most current research and knowledge from recognized experts in the field of addiction and treatment This much needed guide offers an historical context on the issue of women and addiction examines the myriad challenges of the female addict and includes recommendations for choosing a course of treatment that will meet the specific needs of an individual woman addict

Women Under the Influence Columbia University. National Center on Addiction and Substance Abuse, 2006 Substance abuse is the primary preventable factor in the 3 leading causes of death in women heart disease stroke and cancer This book documents the physical and emotional effects of substance abuse in girls and women discussing the way America responds to this enormous health problem

Pregnant Women On Drugs Combating Stereotypes And Stigma Introduction

In today's digital age, the availability of Pregnant Women On Drugs Combating Stereotypes And Stigma books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pregnant Women On Drugs Combating Stereotypes And Stigma books and manuals for download, along with some popular platforms that offer these resources. One of the

significant advantages of Pregnant Women On Drugs Combating Stereotypes And Stigma books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pregnant Women On Drugs Combating Stereotypes And Stigma versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pregnant Women On Drugs Combating Stereotypes And Stigma books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pregnant Women On Drugs Combating Stereotypes And Stigma books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pregnant Women On Drugs Combating Stereotypes And Stigma books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pregnant Women On Drugs Combating Stereotypes And Stigma books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital

resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pregnant Women On Drugs Combating Stereotypes And Stigma books and manuals for download and embark on your journey of knowledge?

FAQs About Pregnant Women On Drugs Combating Stereotypes And Stigma Books

What is a Pregnant Women On Drugs Combating Stereotypes And Stigma PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Pregnant Women On Drugs Combating Stereotypes And Stigma PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Pregnant Women On Drugs Combating Stereotypes And Stigma PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Pregnant Women On Drugs Combating Stereotypes And Stigma PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Pregnant Women On Drugs Combating Stereotypes And Stigma PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not

be legal depending on the circumstances and local laws.
