Beyond Caring Daniel F. Chambliss, 2024-05-31 Vividly documenting the real world of the contemporary hospital its nurses and their moral and ethical crises Dan Chambliss offers a sobering revelation of the forces shaping moral decisions in our hospitals Based on more than ten years field research *Beyond Caring* is filled with eyewitness accounts and personal stories demonstrating how nurses turn the awesome into the routine It shows how patients many weak and helpless too often become objects of the bureaucratic machinery of the health care system and how ethics decisions once the dilemmas of troubled individuals become the setting for political turf battles between occupational interest groups The result is a compelling combination of realism and a powerful theoretical argument about moral life in large organizations **Notes on Duels and Duelling, Alphabetically Arranged, with a Preliminary Historical Essay** Lorenzo Sabine, 1855 *Spon's Architects' and Builders' Price Book 2018* AECOM, 2017-09-22 Construction prices rose over the last year by 5% according to AECOM's tender price index with construction price inflation continuing to run above the long run average The main drivers are rising input costs Producer price indices have moved up at a clip in recent quarters with sharp increases in prices for materials and fuels consumed by UK manufacturers Demand and supply side factors make the probability of short term price falls very slim SPON S ARCHITECTS AND BUILDERS PRICE BOOK 2018 compiled by AECOM still provides the most accurate detailed and professionally relevant construction price information for the UK Its unique Tender Index updated through the year gives an ongoing reality check and allows you to adjust for changing market conditions Although it suits a wide range of project sizes this is the only price book which sets out a detailed cost base for contracts exceeding 4 000 000 in value Use the access code inside the front cover of the book to get set up with a VitalSource ebook of this 2018 edition This versatile and powerful online data viewing package is available for use until the end of December 2018 Major changes have been made to this 143rd edition New Cost Models for a retail distribution unit a palliative care unit and a cinema As well as an overhaul of prices several new items have been added including An expanded range of beam block flooring Rainwater harvesting with a precast concrete tank A precast concrete flow attenuation system Precast concrete communication boxes along with the standard features you have come to expect from SPON S ARCHITECTS AND BUILDERS PRICE BOOK 20 000 prices for the most frequently specified items the majority with labour constants and detailed build ups Hundreds of alternative materials prices for the more unusual items Detailed guidance on wage rates daywork cost limits and allowances property insurance and professional fees plus useful formulae design criteria and trade association addresses Updates free of charge two or three times a year see inside for registration details Updates are available online at [www.pricebooks.co.uk](http://www.pricebooks.co.uk)

**Spon's Architects' and Builders' Price Book 2022** AECOM, 2021-09-23 A range of factors are all combining to propel input cost inflation Higher international logistics costs returning demand from industry workload and higher global metals prices are some of the ingredients to quicker building cost inflation Whilst some EU materials exporters to the UK are

adjusting to Brexit other EU exporters initially smaller or specialist firms hit proportionally harder are now deciding not to supply the UK at all because the additional red tape involved makes it not commercially viable If this trend replicates across the whole EU to UK supply chain visible disruption and higher prices are likely until other sources of supply begin to increase in volume and step in to address these supply issues Among other exporters continuing to supply the UK significant price increases are being applied to cover the permanent Brexit non tariff barriers and additional administrative processes SPON S ARCHITECTS AND BUILDERS PRICE BOOK 2022 compiled by AECOM still provides the most accurate detailed and professionally relevant construction price information for the UK Its unique Tender Index updated through the year 2015 100 gives an ongoing reality check and allows you to adjust for changing market conditions Although it suits a wide range of project sizes this is the only price book which sets out a detailed cost base for contracts exceeding 4 000 000 in value Use the access code inside the front cover of the book to get set up with an ebook of this 2022 edition on the VitalSource Bookshelf platform available for access and use until the end of December 2022 As well as an overhaul of prices 145 new items have been added including Two new Cost Models for school refurbishment Primary Healthcare Fit Out Plus expanded range of cast iron rainwater goods expanded range of matwells expanded range of vinyl floor finishes Ecotherm insulation Along with the standard features you have come to expect from SPON S ARCHITECTS AND BUILDERS PRICE BOOK 20 000 prices for the most frequently specified items the majority with labour constants and detailed build ups Hundreds of alternative materials prices for the more unusual items Detailed guidance on wage rates daywork cost limits and allowances property insurance and professional fees plus useful formulae design criteria and trade association addresses Updates free of charge twice a year see inside for registration details Updates are available online at [www.pricebooks.co.uk](http://www.pricebooks.co.uk) Spon's Architects' and Builders' Price Book 2024 AECOM,2023-09-27 Compiled by AECOM the 2024 edition has been updated with the latest pricing information to help you manage your projects over the next 12 months through this challenging period of high inflation and financial uncertainty It includes 20 000 prices for the most frequently specified construction items the majority with labour constants and detailed build ups All prices have been updated via comprehensive supplier engagement combined with AECOM s market intelligence and a short term inflationary forecast to ensure you have the most accurate cost data available Activity descriptions and build ups have been updated to reflect changes to standard specifications Building Regulation changes emerging practices and changing outputs Although it suits a wide range of project sizes this is the only price book which sets out a detailed cost base for contracts exceeding 4 000 000 in value All the standard features you have come to expect from SPON s are also included Hundreds of alternative materials prices for the more unusual items Detailed guidance on wage rates daywork cost limits and allowances property insurance and professional fees plus useful formulae design criteria and trade association addresses Included within the inside front cover of every book is a VitalSource eBook redemption code giving one user access to the content digitally until the end of December 2024 Spon's Architects' and
