Prelude To Greatness Lincoln In The 1850s:

Prelude to Greatness Don Edward Fehrenbacher, 1962 The paperback edition of Professor Fehrenbacher's study first published in 1962 of Lincoln in the 1850s is a welcome reminder of what can be achieved by a fresh and searching investigation of often asked questions The book is lucidly and soberly written and full of carefully considered argument It is one more major contribution to the work of putting the slavery issue back where it has always belonged at the very centre of any discussion of the origins of the Civil War Journal of American Studies This is a brilliant book With thorough research and a fresh point of view we have a study that will shape Lincoln scholarship for many years The Journal of Southern History To say that e this is just another Lincoln book would be to demean a significant contribution with a well worn cliché This is an outstanding book we need more like it The American Historical Review American historians generally and Lincoln collectors and scholars particularly would do well to add to their own pleasure and knowledge by reading this book one of the finest pieces of Lincolniana yet written The Pennsylvania Magazine of History and Biography This fascinating volume deserves a wide audience Mid America Enjoyable reading for the general reader student and scholar of Lincoln literature The Booklist This is a Lincoln book which belongs in every library and Lincoln collection Lincoln Herald Masterly little book The Times Literary Supplement It is refreshing to discover once again that a book does not have to be ponderous to be significant Fehrenbacher has added quantitatively to our knowledge but more especially to our understanding of this exciting and fateful period in American history One of the finest contributions to Illinois history to appear in a long long time Journal of the Illinois State Historical Society Professor Fehrenbacher has demonstrated that subjects even as fully studied as the Lincoln theme can still benefit from diligent and judicious contemplation Civil War History

Prelude to Greatness Don Edward Fehrenbacher, 1964 **Prelude to Greatness** Don E. Fehrenbacher, 2022 **Prelude to Greatness** Don Edward Fehrenbacher, 1962 The paperback edition of Professor Fehrenbacher's study first published in 1962 of Lincoln in the 1850s is a welcome reminder of what can be achieved by a fresh and searching investigation of often asked questions The book is lucidly and soberly written and full of carefully considered argument It is one more major contribution to the work of putting the slavery issue back where it has always belonged at the very centre of any discussion of the origins of the Civil War Journal of American Studies This is a brilliant book With thorough research and a fresh point of view we have a study that will shape Lincoln scholarship for many years The Journal of Southern History

Prelude to Greatness; Lincoln in the 1850's, by Don E. Fehrenbacher Don Edward Fehrenbacher, *Lincoln's Rise to Eloquence* D. Leigh Henson, 2024-08-20 At turns eloquent and earthy Abraham Lincoln's rhetoric played a vital role in his success as a politician and statesman D Leigh Henson examines Lincoln's pre presidential development as a rhetorician the purposes and methods behind his speeches and writings and how the works contributed to his political rise Lincoln's close study of the rhetorical process drew on sources that ranged from classical writings to foundational American documents to the speeches of Daniel Webster As

Henson shows Lincoln applied his learning to combine arguments on historical legal and moral grounds with appeals to emotion and his own carefully curated credibility Henson also explores Lincoln's use of the elements of structural design to craft coherent arguments that whatever their varying purposes used direct and plain language to reach diverse audiences and laid the groundwork for his rise to the White House Insightful and revealing Lincoln's Rise to Eloquence follows Lincoln from his early career through the years long clashes with Stephen A Douglas to trace the future president's evolution as a communicator and politician

The Mary Lincoln Enigma Frank J. Williams, Michael Burkholder, 2012-07-05 Mary Lincoln is a lightning rod for controversy Stories reveal widely different interpretations and it is impossible to write a definitive version of her life that will suit everyone The thirteen engaging essays in this collection introduce Mary Lincoln's complex nature and show how she is viewed today The authors' explanations of her personal and private image stem from a variety of backgrounds and through these lenses history theater graphic arts and psychiatry they present their latest research and assessments Here they reveal the effects of familial culture and society on her life and give a broader assessment of Mary Lincoln as a woman wife and mother Topics include Mary's childhood in Kentucky the early years of her marriage to Abraham Mary's love of travel and fashion the presidential couple's political partnership and Mary's relationship with her son Robert The fascinating epilogue meditates on Mary Lincoln's universal appeal and her enigmatic personality showcasing the dramatic differences in interpretations With gripping prose and in depth documentation this anthology will capture the imagination of all readers Univeristy Press Books for Public and Secondary Schools 2013 edition

Lincoln's Pathfinder John Bicknell, 2017-06-01 The 1856 presidential race was the most violent peacetime election in American history War between proslavery and antislavery settlers raged in Kansas a congressman shot an Irish immigrant at a Washington hotel and another congressman beat a US senator senseless on the floor of the Senate But amid all the violence the campaign of the new Republican Party headed by famed explorer John C Fr mont offered a ray of hope a major party dedicated to limiting the spread of slavery For the first time women and African Americans actively engaged in a presidential contest and the candidate's wife Jessie Benton Fr mont played a central role in both planning and executing strategy and was a public face of the campaign Even enslaved blacks in the South took hope from Fr mont's crusade The 1856 campaign was also run against the backdrop of a country on the move with settlers continuing to spread westward facing unimagined horrors a terrible natural disaster that took hundreds of lives in the South and one of the most famous Supreme Court cases in history which set the stage for the Civil War Fr mont lost but his strong showing in the North proved that a sectional party could win a national election blazing the trail for Abraham Lincoln's victory four years later

Lincoln and the Power of the Press Harold Holzer, 2014-10-14 Lincoln believed that with public sentiment nothing can fail without it nothing can succeed Harold Holzer makes a significant contribution to our understanding of Lincoln's leadership by showing us how deftly he managed his relations with the press of his day to move public opinion forward to preserve the Union and abolish slavery Doris Kearns

Goodwin From his earliest days Lincoln devoured newspapers As he started out in politics he wrote editorials and letters to argue his case He spoke to the public directly through the press He even bought a German language newspaper to appeal to that growing electorate in his state Lincoln alternately pampered battled and manipulated the three most powerful publishers of the day Horace Greeley of the New York Tribune James Gordon Bennett of the New York Herald and Henry Raymond of the New York Times When war broke out and the nation was tearing itself apart Lincoln authorized the most widespread censorship in the nation s history closing down papers that were disloyal and even jailing or exiling editors who opposed enlistment or sympathized with secession The telegraph the new invention that made instant reporting possible was moved to the office of Secretary of War Stanton to deny it to unfriendly newsmen Holzer shows us an activist Lincoln through journalists who covered him from his start through to the night of his assassination when one reporter ran to the box where Lincoln was shot and emerged to write the story covered with blood In a wholly original way Holzer shows us politicized newspaper editors battling for power and a masterly president using the press to speak directly to the people and shape the nation **Lincoln at Peoria** Lewis E. Lehrman,2008-06-13 The pivotal speech that changed the course of Lincoln s career and America s history Complete examination of the speech including the full text delivered in 1854 in Peoria Illinois

Lincoln's Boys Joshua Zeitz,2014-12-30 From the author of the forthcoming Building the Great Society February 2018 an intimate look into Lincoln s White House and the aftermath of his death via the lives of his two closest aides In this timely look into Abraham Lincoln s White House and the aftermath of his death noted historian and political advisor Joshua Zeitz presents a fresh perspective on the sixteenth U S president as seen through the eyes of Lincoln s two closest aides and confidants John Hay and John Nicolay Lincoln s official secretaries Hay and Nicolay enjoyed more access witnessed more history and knew Lincoln better than anyone outside of the president s immediate family They were the gatekeepers of Lincoln s legacy Drawing on letters diaries and memoirs Lincoln s Boys is part political drama and part coming of age tale a fascinating story of friendship politics war and the contest over history and remembrance **Lincoln and the Election of 1860** Michael S. Green,2011-08-26 Abraham Lincoln looms large in American memory He is admired for his many accomplishments including his skills as an orator and writer his Emancipation Proclamation and his unswerving leadership during the strife ridden years of the Civil War Now Michael S Green unveils another side to the sixteenth president of the United States that of the astute political operator Lincoln and the Election of 1860 examines how through a combination of political intrigue and deep commitment to the principle of freedom Lincoln journeyed from Republican underdog to an improbable victor who changed the course of American history Although Lincoln rose to national prominence in 1858 during his debates with Stephen Douglas he was unable to publicly stump for the presidency in a time when personal campaigning for the office was traditionally rejected This limitation did nothing to check Lincoln s ambitions however as he consistently endeavored to place himself in the public eye while stealthily pulling political strings behind the scenes Green demonstrates

how Lincoln drew upon his considerable communication abilities and political acumen to adroitly manage allies and enemies alike ultimately uniting the Republican Party and catapulting himself from his status as one of the most unlikely of candidates to his party's nominee at the national convention. As the general election campaign progressed, Lincoln continued to draw upon his experience from three decades in Illinois politics to unite and invigorate the Republican Party. Democrats fell to divisions between North and South, setting the stage for a Republican victory in November and for the most turbulent times in U.S. history. Moving well beyond a study of the man to provide astute insight into the era's fiery political scene and its key players, Green offers perceptive analysis of the evolution of American politics and Lincoln's political career: the processes of the national and state conventions; how political parties selected their candidates; national developments of the time and their effects on Lincoln and his candidacy; and Lincoln's own sharp and often surprising assessments of his opponents and colleagues. Green frequently employs Lincoln's own words to afford an intimate view into the political savvy of the future president. The pivotal election of 1860 previewed the intelligence, patience, and shrewdness that would enable Lincoln to lead the United States through its greatest upheaval. This exciting new book brings to vivid life the cunning and strength of one of America's most intriguing presidents during his journey to the White House.

Lincoln and Native Americans Michael S. Green, 2021-09-03 This book traces Lincoln's family history, his early years, and how they shaped and may have shaped his attitudes toward Native Americans.

Franklin D. Roosevelt and Abraham Lincoln William D. Pederson, Michael R. Williams, 2016-07-08 Abraham Lincoln and Franklin D. Roosevelt are widely considered the two greatest presidents of the past two centuries. How did these two very different men rise to power, run their administrations, and achieve greatness? How did they set their policies, rally public opinion, and transform the nation? Were they ultimately more different or alike? This anthology compares these two presidents and presidencies, examining their legacies, leadership styles, and places in history.

Lincoln's Forgotten Friend, Leonard Swett Robert S. Eckley, 2012-11-13 In 1849, while traveling as an attorney on the Eighth Judicial Circuit in Illinois, Abraham Lincoln befriended Leonard Swett, 1825-89, a fellow attorney sixteen years his junior. Despite this age difference, the two men built an enduring friendship that continued until Lincoln's assassination in 1865. Until now, no historian has explored Swett's life or his remarkable relationship with the sixteenth president. In this welcome volume, Robert S. Eckley provides the first biography of Swett, crafting an intimate portrait of his experiences as a loyal member of Lincoln's inner circle. Eckley chronicles Swett's early life and the part he played in Lincoln's political campaigns, including his role as an essential member of the team behind Lincoln's two nominations and elections for the presidency. Swett counseled Lincoln during the formation of his cabinet and served as an unofficial advisor and sounding board during Lincoln's time in office. Throughout his life, Swett wrote a great deal on Lincoln and planned to write a biography about him, but Swett's death preempted the project. His eloquent and interesting writings about Lincoln are described and reproduced in this volume, some for the first time. With *Lincoln's Forgotten Friend*, Eckley removes Swett from

the shadows of history and sheds new light on Lincoln's personal relationships and their valuable contributions to his career
 Superior Achievement from the Illinois State Historical Society 2013 **Lincoln's Defense of Politics** Thomas E. Schneider, 2006 Examines six of Lincoln's key opponents: states rights constitutionalists Alexander H. Stephens, John C. Calhoun and George Fitzhugh and abolitionists Henry David Thoreau, William Lloyd Garrison and Frederick Douglass to illustrate the broad significance of the slavery question and to highlight the importance of political considerations in public decision making. Provided by publisher *Abraham Lincoln's Path to Reelection in 1864* Fred J. Martin Jr., 2013-12-20
PRAISE FOR ABRAHAM LINCOLN'S PATH TO REELECTION IN 1864 OUR GREATEST VICTORY Political polls consistently record a substantial lack of confidence in national political leaders of both major parties and a disturbing sentiment that the United States is on the wrong track in current policy developments. These sentiments lead to unfortunate summaries of alleged failures of our democratic institutions and proposals. Fortunately at this moment in our history, Fred J. Martin Jr. has stepped forward with a comprehensive analysis of politics in the 1860s and most importantly the political genius Abraham Lincoln as he led our country through a series of perilous crises into new paths of confidence and greatness. I admire especially Fred Martin's mastery of political detail and the large variety of motivations, strategies and actions of a wide assortment of political players. Former Senator Richard Lugar. Arguably the most consequential election in American history, the presidential contest of 1864 has cried out for a more sophisticated analysis than it has heretofore received. Fortunately, Fred Martin's background in political journalism and in banking has enabled him to provide such an analysis in this book, which is a welcome addition to the Lincoln literature. Michael Burlingame, Author, *Abraham Lincoln: A Life*. Distinguished Chair in Lincoln Studies, History Department, College of Liberal Arts and Sciences, University of Illinois, Springfield, IL. Fred Martin has written an illuminating account of the roots of Lincoln's success as president, culminating in his victory in the critical election of 1864. Effectively using Lincoln's words as well as those of his contemporaries, Martin demonstrates how it became possible for Lincoln to overcome his early background and become a skillful and ethical political leader who saved the Union and ended slavery. The book clearly is a labor of love for Martin, a long-time student of Abraham Lincoln. Every person interested in Lincoln and his presidency should have this well-researched and well-written book in his or her library. William C. Harris, author of *Lincoln and the Border States: Preserving the Union* 2011 and *Lincoln and the Union: Governors* 2013.

Why the Civil War Came Gabor S. Boritt, 1997-05-29 In the early morning of April 12, 1861, Captain George S. James ordered the bombardment of Fort Sumter, beginning a war that would last four horrific years and claim a staggering number of lives. Since that fateful day, the debate over the causes of the American Civil War has never ceased. What events were instrumental in bringing it about? How did individuals and institutions function? What did Northerners and Southerners believe in the decades of strife preceding the war? What steps did they take to avoid war? Indeed, was the great armed conflict avoidable at all? *Why the Civil War Came* brings a talented chorus of voices together to recapture the feel of a very different

time and place helping the reader to grasp more fully the commencement of our bloodiest war From William W Freehling s discussion of the peculiarities of North American slavery to Charles Royster s disturbing piece on the combatants savage readiness to fight the contributors bring to life the climate of a country on the brink of disaster Mark Summers for instance depicts the tragically jubilant first weeks of Northern recruitment when Americans on both sides were as yet unaware of the hellish slaughter that awaited them Glenna Matthews underscores the important war catalyzing role played by extraordinary public women who proved that neither side of the Mason Dixon line was as patriarchal as is thought David Blight reveals an African American world that knew what time it was and welcomed war And Gabor Boritt examines the struggle s central figure Lincoln himself illuminating in the years leading up to the war a blindness on the future president s part an unwillingness to confront the looming calamity that was about to smash the nation asunder William E Gienapp notes perhaps the most unsettling fact about the Civil War that democratic institutions could not resolve the slavery issue without resorting to violence on an epic scale With gripping detail Why the Civil War Came takes readers back to a country fraught with bitterness confusion and hatred a country ripe for a war of unprecedented bloodshed to show why democracy failed and violence reigned Freedom, Racism, and Reconstruction LaWanda C. Fenlason Cox,1997 LaWanda Cox is widely regarded as one of the most influential historians of Reconstruction and nineteenth century race relations Imaginative in conception forcefully argued and elegantly written her work helped reshape historians understanding of the age of emancipation Freedom Racism and Reconstruction brings together Cox s most important writings spanning more than forty years including previously published essays excerpts from her books and an unpublished essay Now retired from Hunter College and the Graduate Center of the City University of New York Cox gave Donald G Nieman her full cooperation on this project The result is a cohesive book of refreshing and sophisticated analysis that illuminates a pivotal era in American history It not only serves as a lasting testament to a highly original scholar but also makes available to readers a remarkable body of scholarship that remains required reading for anyone who wishes to understand the age of emancipation and the historian s craft

Lincoln's Constitution Daniel A. Farber,2011-04-08 In Lincoln s Constitution Daniel Farber leads the reader to understand exactly how Abraham Lincoln faced the inevitable constitutional issues brought on by the Civil War Examining what arguments Lincoln made in defense of his actions and how his words and deeds fit into the context of the times Farber illuminates Lincoln s actions by placing them squarely within their historical moment The answers here are crucial not only for a better understanding of the Civil War but also for shedding light on issues state sovereignty presidential power and limitations on civil liberties in the name of national security that continue to test the limits of constitutional law even today
