Preludio a la Nueva Colombia Carlos Enrique Cavelier Lozano,1992 *The Politics of Clientelism* John Martz,2017-12-02 In Latin America the state is the prime regulator coordinator and pace setter of the entire national system the apex of the pyramid from which patronage wealth power and programs flow The state bears responsibility for the realization of civic needs providing goods and services to each citizen Doing so requires the exercise and maintenance of social and political control It is John Martz s contention that clientelism underlines the fundamental character of Latin American social and political life As the modernizing bureaucratic state has developed in Latin America there has been a concurrent shifting away from clientelistic relationships Yet in one form or another political clientelism still remains central Clientelism occurs when large numbers of low status individuals such as those in the slums of rural and underdeveloped areas are protected by a powerful patron who defends their interests in return for deference or material reward In Colombia the rural patron has become a member of the higher clientelistic system as well he is dependent on a patron who operates at the national level This enables urban elites to mobilize low status clients for such acts as mass demonstrations of political loyalty to the regime Thus traditional clientelism has been modified through the process of modernization Part One of The Politics of Clientelism examines Colombian politics focusing on the incarnation and traditional forms of clientelism Part Two explores the policies of Colombian governance from the administrations of Lleras Camargo through Julio Cesar Turbay Ayala Part Three discusses the modernization and restructuring of Colombia in recent decades under Belisario Betancur Virgilio Barco and Cesar Gaviria As the modernizing bureaucratic state has unfolded there has been a similar shift in many clientelistic relationships Martz argues that whether corporate clientelism remains or more democratic organization develops
