**Negotiations in the Indigenous World** Ciaran O'Faircheallaigh, 2015-09-16 Negotiated agreements play a critical role in setting the conditions under which resource development occurs on Indigenous land Our understanding of what determines the outcomes of negotiations between Indigenous peoples and commercial interests is very limited With over two decades experience with Indigenous organisations and communities Ciaran O'Faircheallaigh's book offers the first systematic analysis of agreement outcomes and the factors that shape them based on evaluative criteria developed especially for this study on an analysis of 45 negotiations between Aboriginal peoples and mining companies across all of Australia's major resource producing regions and on detailed case studies of four negotiations in Australia and Canada

**Conspiracy of Brothers** Mick Lowe, 2013-04-30 To coincide with Random House Canada's publication of the groundbreaking book *Unrepentant* by Peter Edwards and biker Lorne Campbell Vintage Canada updates and reissues the award winning true crime classic that tells the complete and scandalous story in the most gut wrenching chapter of Campbell's life You can't read one without wanting to read the other On the night of October 18 1978 small town biker Bill Matiyek was having a drink in a Port Hope bar A gunman suddenly walked up and fired 3 bullets into his head Members of the rival bike club Satan's Choice who were in the bar quickly vanished Was it a cold blooded gangland style execution as the Crown Attorney and police would argue or the compulsive act of a single gunman Was the trial that followed driven by persistent police work or a police frame up Did the bikers conspire to murder or did the law conspire to convict them Guilt by association unreliable eyewitness testimony suppression of evidence botched police procedures call the results justice or call them revenge the question remains Who really killed Bill Matiyek and why

**The Inuit World** Pamela Stern, 2021-11-23 The Inuit World is a robust and holistic reference source to contemporary Inuit life from the intimate world of the household to the global stage Organized around the themes of physical worlds moral spiritual and intellectual worlds intimate and everyday worlds and social and political worlds this book includes ethnographically rich contributions from a range of scholars including Inuit and other Indigenous authors The book considers regional social and cultural differences as well as the shared histories and common cultural practices that allow us to recognize Inuit as a single distinct Indigenous people The chapters demonstrate both the historical continuity of Inuit culture and the dynamic ways that Inuit people have responded to changing social environmental political and economic conditions Chapter topics include ancestral landscapes tourism and archaeology resource extraction and climate change environmental activism and women's leadership This book is an invaluable resource for students and researchers in anthropology Indigenous studies and Arctic studies and those in related fields including geography history sociology political science and education

**Premature Bonanza** Mick Lowe, 1998 Premature Bonanza is the story of Bay Street's greatest running drama the struggle by Inco Ltd the world's largest nickel producer to bring the Voisey's Bay nickel deposit in Northern Labrador into production for the most part against the wishes of the Aboriginal

People Will this 4 3 billion gamble ensure Inco's and Labrador's role as a low cost nickel producer well into the 21st century Or will it spell ruin for the company the environment and the people who live there

**The Cambridge History of the Polar Regions** Adrian Howkins, Peder Roberts, 2023-05-11 The Cambridge History of the Polar Regions is a landmark collection drawing together the history of the Arctic and Antarctica from the earliest times to the present Structured as a series of thematic chapters an international team of scholars offer a range of perspectives from environmental history the history of science and exploration cultural history and the more traditional approaches of political social economic and imperial history The volume considers the centrality of Indigenous experience and the urgent need to build action in the present on a thorough understanding of the past Using historical research based on methods ranging from archives and print culture to archaeology and oral histories these essays provide fresh analyses of the discovery of Antarctica the disappearance of Sir John Franklin the fate of the Norse colony in Greenland the origins of the Antarctic Treaty and much more This is an invaluable resource for anyone interested in the history of our planet

Every Grain of Sand J.A. Wainwright, 2009-08-01 Universal in scope yet focusing on recognizable Canadian places this collection of essays connects individuals love of nature to larger social issues to cultural activities and to sustainable technology Subjects include activism in Cape Breton eco feminism Native perspectives on the history of humans relationship with the natural world the inconsistency of humankind's affinity with nature alongside its capacity to destroy and scientific and traditional accounts of evolution and how they can come together for the welfare of Earth's ecology These essays encourage us to break down the power based divisions of centre versus marginal politics to talk with our perceived enemies in environmental wars to consider activism as a personal commitment and to resist the construction of a post natural world Using a combination of personal memoirs and formal essays Every Grain of Sand seeks to involve readers in the extraordinary places they inhabit and usually take for granted and will appeal to both the general reader and to students in humanities social sciences and environmental studies It is unique for its presentation of entirely Canadian perspectives on ecology and environmental issues

Governing the Environment School of Law and School of Natural Resources and the Environment Edward A Parson, 2001-01-01 This collection of seven essays authored by leading Canadian academics examines different aspects of the relationship between government and environmental issues

**Gendering the Field** Kuntala Lahiri-Dutt, 2011-03-01 The chapters in this book offer concrete examples from all over the world to show how community livelihoods in mineral rich tracts can be more sustainable by fully integrating gender concerns into all aspects of the relationship between mining practices and mine affected communities By looking at the mining industry and the mine affected communities through a gender lens the authors indicate a variety of practical strategies to mitigate the impacts of mining on women's livelihoods without undermining women's voice and status within the mine affected communities The term field in the title of this volume is not restricted to the open cut pits of large scale mining operations which are male dominated workplaces or with mining as a masculine capital intensive industry but

also connotes the wider range of mineral extractive practices which are carried out informally by women and men of artisanal communities at much smaller geographical scales throughout the mineral rich tracts of poorer countries

**Alternatives Journal** ,1999      The Canadian Forum ,1999-03      **Acts of Rebellion** Ward Churchill,2003-12-16 What could be more American than Columbus Day Or the Washington Redskins For Native Americans they are bitter reminders that they live in a world where their identity is still fodder for white society The law has always been used as toilet paper by the status quo where American Indians are concerned writes Ward Churchill in Acts of Rebellion a collection of his most important writings from the past twenty years Vocal and incisive Churchill stands at the forefront of American Indian concerns from land issues to the American Indian Movement from government repression to the history of genocide Churchill one of the most respected writers on Native American issues lends a strong and radical voice to the American Indian cause Acts of Rebellion shows how the most basic civil rights laws put into place to aid all Americans failed miserably and continue to fail when put into practice for our indigenous brothers and sisters Seeking to convey what has been done to Native North America Churchill skillfully dissects Native Americans struggles for property and freedom their resistance and repression cultural issues and radical Indian ideologies      *Mining Town Crisis* David Leadbeater,2008 Sudbury is the largest hardrock mining centre in North America and among the largest in the world Given the enormous mineral wealth that exists in the Sudbury Basin one might think that prosperity would abound and that cultural educational health and social welfare institutions would be of the highest order existing within a well maintained and attractive physical infrastructure But this is not the Sudbury that people know This book explores key aspects of Sudbury s economic health and social conditions It analyzes how globalization and corporate power in a hinterland mining town have impacted on working people how and why resistance has emerged and why alternative directions are needed While Sudbury is the focus of this book the Sudbury experience offers important lessons for other mining and resource communities pub website      **Indigenous Peoples and Mining** Ciaran O'Faircheallaigh,2023-07-19 Indigenous peoples have occupied their territories for thousands of years territories that are increasingly being mined by an industry applying the most modern extractive marketing and transport technologies on a scale that can be difficult to comprehend Mining reshapes landscapes literally moving mountains and diverting rivers the Indigenous owners of these landscapes often believe them to have been originally shaped by ancestor beings who still reside at mining locations This book seeks to understand the political social economic and cultural dynamic that is created by the relentless expansion of mining into Indigenous territories Contributing to such an understanding involves a task of global significance Indigenous peoples embody a large part of the world s linguistic and cultural diversity their lands cover an estimated 25 per cent of the world s land surface intersect with about 40 per cent of all ecologically intact landscapes and contain a large proportion of the world s mineral resources Must interaction between Indigenous peoples and mining involve the destruction of Indigenous peoples territories and cultures Can the remarkable resilience that

has allowed Indigenous peoples to survive for millennia enable them not only to survive but to capitalize on the development opportunities offered by mining What role are governments international organizations and civil society playing in shaping relations between mining and Indigenous peoples Ciaran O Faircheallaigh addresses these and other questions by drawing on his own 30 years of experience working with Indigenous communities as they deal with mining projects and on the experiences of Indigenous peoples in some 15 countries from different regions of the globe *Three Plays of Maureen Hunter* Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New **Mining Country** John Sandlos, Arn Keeling, 2021-09-07 Mining has had a significant presence in every part of Canada from the east to west coasts to the far north This book tells the stories of those who built Canada's mining industry It highlights the experiences of the people who lived and worked in mining towns across the country the rise of major mining companies and the emergence of Toronto and Vancouver as centres of global mining finance It also addresses the devastating effects mining has had on Indigenous communities and their land and documents several high profile resistance efforts Mining Country presents fascinating snapshots of Canadian mining past and present from pre contact Indigenous copper mining and trading networks to the famous Cariboo and Klondike Gold Rushes Generously illustrated with more than 150 visuals drawn from every period of mining history this book offers a thorough account of the story behind the industry **Acadiensis**, 2000 **Quill & Quire**, 1998 Canadian Social Welfare Francis Joseph Turner, Joanne C. Turner, W. Ross Macdonald School, 2000-07 *Gérer l'environnement* Edward Anthony Parson, 2001 Sujet de vifs débats politiques l'impact crucial de la gestion publique la protection de l'environnement est devenue une préoccupation majeure au cours des dernières décennies non seulement au Canada mais partout dans le monde Les questions de pollution de l'air et de l'eau des pluies acides de la protection de la couche d'ozone des substances toxiques et des rejets en mer sont de plus en plus discutées dans les sphères gouvernementales et dans la population en général Dans cet ouvrage les auteurs étudient les tendances actuelles en gestion de l'environnement et leurs impacts sur le plan humain mettant l'accent sur deux aspects les principaux défis que posent les nouveaux enjeux environnementaux la gestion des affaires publiques et les nouvelles approches destinées à relever ces défis Ils y passent en revue les principales tendances en environnement et s'interrogent sur les développements possibles au cours des prochaines décennies Ils identifient en outre les principaux défis qui se présentent la société canadienne incluant notamment les défis en matière de politiques publiques et terminent enfin les recherches prioritaires à entreprendre Metal Mining in Canada, 1840-1950 Jeremy Mouat, National Museum of Science and Technology (Canada), 2000
